Modern Occasions 2 New Fiction Criticism:

Susan Sontag Leland Poague, Kathy A. Parsons, 2021-12-12 Susan Sontag An Annotated Bibliography catalogues the works of one of America's most prolific and important 20th century authors Known for her philosophical writings on American culture topics left untouched by Sontag's writings are few and far between This volume is an exhaustive collection that includes her novels essays reviews films and interviews Each entry is accompanied by an annotated bibliography

Preserving the Hunger Isaac Rosenfeld, 1988 Isaac Rosenfeld who died in 1956 at the age of thirty eight was a brilliant and original writer whose work has unfortunately become unavailable to anyone but the scholar A gifted member of a gifted generation his writings shine with the hard light of a burning and troubled intelligence Though Rosenfeld was a man quintessentially of his era grappling with issues and books that may no longer engage us his writing remains fresh because of his commitment to striking deep and remaining open to experience with all the risks entailed thereby In the contemporary climate of academic thought we are badly in need of teachers like Rosenfeld who read books no differently than they conduct their lives with the belief that the world of the phrase can do more than make a point or strike a pose but rather can through intensity poise and grace give meaning to life

The Secular Rabbi Doris Y. Kadish, 2021 The Secular Rabbi focuses on the ambivalent Jewish identity of Philip Rahv co founder of Partisan Review Drawing on his letters to her mother from 1928 to 1931 Doris Kadish illuminates Rahv's life and work through textual analysis historical accounts genealogical records memoirs interviews and scholarship on the New York intellectuals

Jewish Writing and the Deep Places of the Imagination Mark Krupnick, 2006-01-09 When he learned he had ALS and roughly two years to live literary critic Mark Krupnick returned to the writers who had been his lifelong conversation partners and asked with renewed intensity how do you live as a Jew when mostly you live in your head The evocative and sinuous essays collected here are the products of this inquiry In his search for durable principles Krupnick follows Lionel Trilling Cynthia Ozick Geoffrey Hartman Philip Roth Saul Bellow and others into the elemental matters of life and death sex and gender power and vulnerability The editors Krupnick's wife Jean K Carney and literary critic Mark Shechner have also included earlier essays and introductions that link Krupnick's work with the deep places of his own imagination

Lionel Trilling and the Critics John Rodden, 1999-01-01 Lionel Trilling and the Critics provides a comprehensive portrait of Lionel Trilling perhaps the most influential American cultural critic of the twentieth century The contributors are a who's who of Anglo American intellectuals from the 1930s through the 1970s They include Edmund Wilson Robert Penn Warren F R Leavis Leslie Fiedler R W B Lewis R P Blackmur Irving Howe Irving Kristol Raymond Williams Norman Podhoretz Gertrude Himmelfarb William Barrett Bruno Bettelheim Gerald Graff and Cornel West

The Oxford Handbook of Restoration Literature Matthew C. Augustine, Steven N. Zwicker, 2024-11-06 The Oxford Handbook of Restoration Literature begins by asking if there was a distinctive literature of the Restoration For a long time the answer seemed obvious heroic drama libertine comedy scandalous lyrics and the short but brilliant career of John Wilmot

earl of Rochester Could there be an age when the coincidence of literary culture and political rule were any more obvious But as this Handbook will remind us some of the most wonderful literature of this Restoration came from writers who had lived across the decades of turbulence and into an age when the Stuart kings returned when the Church and House of Lords were restored a world made safe for bishops and for the memory of divine right rule Of course these returns and restorations did not meet with uniform celebration John Milton wrote his great epic poems not in quiet submission but in a kind of resistance to the dominant culture of the 1660s and Andrew Marvell produced his most brilliant satiric verse by holding up a looking glass to court corruption and Anglican intolerance So we begin with the most obvious conclusion Restoration literature does and does not fit to the categories that so long defined the late Stuart age This book explores and contests challenges and reimagines the experience embodied by the writing of the late Stuart world and invites readers new to this world and those who have often read its literatures to the pleasures but as well to the challenges and discomforts of its texts 4000 Books for Secondary School Libraries National Association of Independent Schools. Library Committee,1968 **Literature** ,1900

The Cambridge Companion to Saul Bellow Victoria Aarons,2017 This book demonstrates the complexity of Bellow s work by emphasizing the ways in which it reflects the changing conditions of American identity **The English Review, Or, Quarterly Journal of Ecclesiastical and General Literature** ,1845 The Stock of Available Reality James D. Bloom,1984 This study links two long and troubled modern American literary careers and explores the politics of reading in Anglo American criticism and poetry Examining three decades of poetry and prose by both writers the author documents their partisan affiliations with and disaffections from acknowledged literary masters and prevailing critical conventions

The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800 George Watson,Ian R. Willison,1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The Dolphin Letters, 1970-1979 Saskia Hamilton,2025-09-23 The correspondence between one of the most famous couples of twentieth century literature The Dolphin Letters offers an unprecedented portrait of Robert Lowell and Elizabeth Hardwick during the last seven years of Lowell s life 1970 to 1977 a time of personal crisis and creative innovation for both writers Centered on the letters they exchanged with each other and with other members of their circle writers intellectuals friends and publishers including Elizabeth Bishop Caroline Blackwood Mary McCarthy and Adrienne Rich the book has the narrative sweep of a novel telling the story of the dramatic breakup of their twenty one year marriage and their extraordinary but late reconciliation Lowell s

controversial sonnet sequence *The Dolphin* for which he used Hardwick's letters as a source and his last book *Day by Day* were written during this period as were Hardwick's influential books *Seduction* and *Betrayal* *Essays on Women in Literature* and *Sleepless Nights* A Novel Lowell and Hardwick are acutely intelligent observers of marriages children and friends and of the feelings that their personal crises gave rise to *The Dolphin* Letters masterfully edited by Saskia Hamilton is a debate about the limits of art what occasions a work of art what moral and artistic license artists have to make use of their lives as material what formal innovations such debates give rise to The crisis of Lowell's *The Dolphin* was profoundly affecting to everyone surrounding him and Bishop's warning to Lowell art just isn't worth that much haunts *E.S. Dallas in The Times* Graham Law, Jenny Bourne Taylor, 2023-10-10 This volume comprises of a substantial selection of E S Dallas's journalism in *The Times* Although his reviews were crucial not only in forging the literary reputations of upcoming writers such as different as George Eliot and Mary Elizabeth Braddon but also in recalibrating the response to well established authors such as Tennyson and Dickens Eneas Sweetland Dallas 1827-79 remains arguably the most unjustly neglected of mid Victorian critics Although Dallas wrote for many other periodicals it was his reviews in *The Times* that had the greatest impact on both the market for books and literary culture in the mid Victorian period This collection brings together an anthology of his contributions as well as a newly written introduction a comprehensive listing of the articles he submitted to *The Times* critical apparatus to contextualise the materials and a detailed chronology reappraising Dallas biography This volume will be of great interest to students and scholars of literary history **The Cambridge Companion to Contemporary Irish**

Poetry Matthew Campbell, 2003-08-28 In the last fifty years Irish poets have produced some of the most exciting poetry in contemporary literature writing about love and sexuality violence and history country and city This book provides a unique introduction to major figures such as Seamus Heaney but also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella Paul Muldoon and Nuala Ni Dhomhnaill Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion the only book of its kind on the market provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike

Connie Willis's Science Fiction Carissa Turner Smith, 2022-10-31 In spite of Connie Willis's numerous science fiction awards and her groundbreaking history as a woman in the field there is a surprising dearth of critical publication surrounding her work Taking *Doomsday Book* as its cue this collection argues that Connie Willis's most famous novel along with the rest of her oeuvre performs science fiction's task of cognitive estrangement by highlighting our human inability to read the times correctly and yet also affirming the ethical imperative to attempt to truly observe and record our temporal location Willis's fiction emphasizes that doomsdays happen every day and they risk being forgotten by some even as their

trauma repeats for others However disasters also have the potential to upend accepted knowledge and transform the social order for the better and this collection considers the ways that Willis pairs comic and tragic modes to reflect these uncertainties

Eyesight Alone Caroline A. Jones,2005 Even a decade after his death Clement Greenberg remains controversial One of the most influential art writers of the twentieth century Greenberg propelled Abstract Expressionist painting in particular the monumental work of Jackson Pollock to a leading position in an international postwar art world On radio and in print Greenberg was the voice of the new American painting and a central figure in the postwar cultural history of the United States Caroline Jones s magisterial study widens Greenberg s fundamental tenet of opticality the idea that modernist art is apprehended through eyesight alone to a broader arena examining how the critic s emphasis on the specular resonated with a society increasingly invested in positivist approaches to the world Greenberg s modernist discourse Jones argues developed in relation to the rationalized procedures that gained wide currency in the United States at midcentury in fields ranging from the sense data protocols theorized by scientific philosophy to the development of cultural forms such as hi fi that targeted specific senses one by one Greenberg s attempt to isolate and celebrate the visual was one manifestation of a large scale segmentation or bureaucratization of the body s senses Working through these historical developments Jones brings Greenberg s theories into contemporary philosophical debates about agency and subjectivity Eyesight Alone offers artists art historians philosophers and all those interested in the arts a critical history of this generative figure bringing his work fully into dialogue with the ideas that shape contemporary critical discourse and shedding light not only on Clement Greenberg but also on the contested history of modernism itself

The Cambridge History of Classical Literature: Volume 2, Latin Literature, Part 1, The Early Republic E. J. Kenney,1983-07-14 This volume analyses the process of creative adaptation which shaped the beginnings of Latin literature

[The Invention of English Criticism](#) Michael Gavin,2015-05-05 Early literary criticism was undisciplined Unlike the staid essays and monographs of later academic scholarship English criticism first appeared in the contentious world of the London theater dramatists and other poets argued about their craft in contending prefaces and dedications and their disputes spilled into the public sphere in pamphlet wars mock epics lampoons and even novels Across these forms criticism was personal political and unconcerned with analysis for its own sake Yet this unruly discourse laid the groundwork both for modern literary criticism and for the discipline of literary studies The Invention of English Criticism explores the earliest uses of criticism and the attempts by some to convert a field of literary debate into an archive of useful knowledge Criticism s undisciplined past thus illuminates its contested ambivalent and never fully disciplined present
