## Nuns In Jeopardy:

**Nuns in Jeopardy** Martin Boyd, 1975      **Islands, Identity and the Literary Imagination** Elizabeth

McMahon, 2016-07-09 Australia is the planet's sole island continent. This book argues that the uniqueness of this geography has shaped Australian history and culture including its literature. Further, it shows how the fluctuating definition of the island continent throws new light on the relationship between islands and continents in the mapping of modernity. The book links the historical and geographical conditions of islands with their potent role in the imaginary of European colonisation. It prises apart the tangled web of geography, fantasy, desire, and writing that has framed the Western understanding of islands, their real and material conditions, and their symbolic resonance from antiquity into globalised modernity. The book also traces how this spatial imaginary has shaped the modern man who is imagined as being the island's natural inhabitant or mirror. Importantly, the book challenges these habits of thought by their relocation within larger topological and imaginary visions from islanders themselves.      **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W.

Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post colonial experience on literatures in English worldwide.      **Joan Lindsay** Brenda Niall, 2025-02-04 One of Australia's

foremost biographers examines the life of Joan Lindsay, the author of one of Australia's most enduring novels, *Picnic at Hanging Rock*.      *Martin Boyd* Brenda Niall, 2004-06-15 Martin Boyd was one of the generation whose lives were changed by World War I. He served in a British regiment, survived the trenches in 1916-17, and joined the Royal Flying Corps. The pacifist beliefs which emerged from that war experience are central to his fiction, as they were to his life. Boyd's was a complex personality: witty, generous, sociable, yet deeply reserved. He looked for his home of the spirit in many places: an Anglican monastery, London's West End clubland, a Cambridge village, and an old family house in Harkaway, Victoria, and among English expatriates in Rome. In a fine study of a man and his work, Brenda Niall re-creates the Melbourne in which Boyd grew up just before World War I and traces his development as a writer during his restless expatriate years.      Convents and the Body

Politic in Late Renaissance Venice Jutta Gisela Sperling, 1999 In late sixteenth century Venice, nearly 60 percent of all patrician women joined convents, and only a minority of these women did so voluntarily. In trying to explain why unprecedented numbers of patrician women did not marry, historians have claimed that dowries became too expensive. However, Jutta Gisela Sperling debunks this myth and argues that the rise of forced vocations happened within the context of aristocratic culture and society. Sperling explains how women were not allowed to marry beneath their social status while men could, especially if their brides were wealthy. Faced with a shortage of suitable partners, patrician women were forced to offer themselves as a gift not only to God but to their fatherland, as Patriarch Giovanni Tiepolo told the Senate of Venice in

1619 Noting the declining birth rate among patrician women Sperling explores the paradox of a marriage system that preserved the nobility at the price of its physical extinction And on a more individual level she tells the fascinating stories of these women Some became scholars or advocates of women s rights some took lovers and others escaped only to survive as servants prostitutes or thieves *Australian Literary Studies* ,1981 **The ABC Movie of the Week** Michael McKenna,2013-08-22 On September 23 1969 five years after the first made for television movie premiered the ABC network broadcast *Seven in Darkness* This was the first television film for an anthology show called the Tuesday Night Movie of the Week Dedicating ninety minutes of weekly airtime to a still emerging genre was a financial risk for the third place network a risk that paid off The films were so successful that in 1972 the network debuted The Wednesday Movie of the Week Although most of the movies are no longer remembered a handful are still fondly recalled by viewers today including *Duel* *Brian s Song* and *The Night Stalker* The series also showcased pilot films for many eventual series such as *Alias Smith and Jones* *The Six Million Dollar Man* and *Starsky and Hutch* By the end of both shows regular runs in the spring of 1975 the network had broadcast more than 200 made for television films In *The ABC Movie of the Week Big Movies for the Small Screen* Michael McKenna examines this programming experiment that transformed the television landscape and became a staple of broadcast programming for several years The author looks at how the revolving films showcased the right mixture of romantic comedy action horror and social relevance to keep viewers interested week after week McKenna also chronicles how the ratings success led to imitations from the other networks resulting in a saturation of television movies As a cultural touchstone for millions who experienced the first run and syndicated versions of these films *The ABC Movie of the Week* is a worthy subject of study Featuring a complete filmography of all 240 movies with credit information and plot summaries a chronology and a list of pilots both failed and successful this volume will be valuable to television historians and scholars as well as to anyone interested in one of the great triumphs of network programming **Of Virgins and Martyrs** Barbara Ann Kathe,1998 [If Nuns Ruled the World](#) Jo Piazza,2014-09-02 Fascinating profiles of remarkable nuns from an eighty three year old Ironman champion to a crusader against human trafficking *Daily News New York* In an age of villainy war and inequality it makes sense that we need superheroes writes Nicholas Kristof of *The New York Times* And after trying Superman Batman and Spider Man we may have found the best superheroes yet Nuns In *If Nuns Ruled the World* veteran reporter Jo Piazza overthrows the popular perception of nuns as killjoy schoolmarm instead revealing them as the most vigorous catalysts of change in an otherwise repressive society Meet Sister Simone Campbell who traversed the United States challenging a Congressional budget that threatened to severely undermine the well being of poor Americans Sister Megan Rice who is willing to spend the rest of her life in prison if it helps eliminate nuclear weapons and the inimitable Sister Jeannine Gramick who is fighting for acceptance of gays and lesbians in the Catholic Church During a time when American nuns are often under attack from the very institution to which they devote their lives and the values of the

institution itself are hotly debated these sisters offer thought provoking and inspiring stories As the Daily Beast put it Anybody looking to argue there is a place for Catholicism in the modern world should just stand on a street corner handing out Piazza's book **Southerly**, 1986 Vols for 1939 1944 include the Annual report of the Australian English Association v for 1945 1946 include the Annual report of the Sydney Branch of the English Association *Hermitage, Wat and Some Nuns* Howard of Warwick, 2016-06-28 From the world's best selling author of comedy historical mysteries comes another largely pointless excursion Medieval Shrewsbury is surely no place for murder Not in this charming town would investigative monks wander around bothering people over every little incident When Brother Hermitage arrives at Shrewsbury in the summer of 1068 something is up Or rather down Gilder the great merchant is dead and Hermitage's urge to investigate is overwhelming His companions Cwen and Wat weaver of pornographic tapestry think this is a very bad idea So does the whole town Moot And the sheriff and the rest of the population And then there are the nuns Hermitage has never been strong in the face of adversity and an adverse nun is more than he can cope with A whole order of them is something to be strenuously avoided But there is always his duty It's got him into trouble so many times why should Shrewsbury be any different Like Cadfael meets Clousseau Terry Pratchett does 1066 Rampant silliness *Refugee Nuns, the French Revolution, and British Literature and Culture* Tonya J. Moutray, 2016-03-22 In eighteenth century literature negative representations of Catholic nuns and convents were pervasive Yet during the politico religious crises initiated by the French Revolution a striking literary shift took place as British writers championed the cause of nuns lauded their socially relevant work and addressed the attraction of the convent for British women Interactions with Catholic religious including priests and nuns Tonya J Moutray argues motivated writers including Hester Thrale Piozzi Helen Maria Williams and Charlotte Smith to reevaluate the historical and contemporary utility of religious refugees Beyond an analysis of literary texts Moutray's study also examines nuns personal and collective narratives as well as news coverage of their arrival to England enabling a nuanced investigation of a range of issues including nuns displacement and imprisonment in France their rhetorical and practical strategies to resist authorities representations of refugee migration to and resettlement in England relationships with benefactors and locals and the legal status of English nuns and convents in England including their work in recruitment and education Moutray shows how writers and the media negotiated the multivalent figure of the nun during the 1790s shaping British perceptions of nuns and convents during a time critical to their survival **The Art of Professing in Bourbon Mexico** James M. Córdova, 2014-01-01 In the eighteenth century New Spaniards colonial Mexicans so lauded their nuns that they developed a local tradition of visually opulent portraits called monjas coronadas or crowned nuns that picture their subjects in regal trappings at the moment of their religious profession and in death This study identifies these portraits as markers of a vibrant and changing society that fused together indigenous and Euro Christian traditions and ritual practices to construct a new and complex religious identity that was unique to New Spain To discover why crowned nun portraits and especially the

profession portrait were in such demand in New Spain this book offers a pioneering interpretation of these works as significant visual contributions to a local counter colonial discourse James M C rdova demonstrates that the portraits were a response to the Spanish crown s project to modify and modernize colonial society a series of reforms instituted by the Bourbon monarchs that threatened many nuns religious identities in New Spain His analysis of the portraits rhetorical devices which visually combined Euro Christian and Mesoamerican notions of the sacred shows how they promoted local religious and cultural values as well as client patron relations all of which were under scrutiny by the colonial Church Combining visual evidence from images of the crowned nun with a discussion of the nuns actual roles in society C rdova reveals that nuns found their greatest agency as Christ s brides a title through which they could and did challenge the Church s authority when they found it intolerable

**Invisible Privilege** Paula S. Rothenberg,2000 Reviewing the social upheaval of the seventies that challenged fundamental assumptions about gender roles race relations and even the nature of the family Rothenberg tells how she gained a new understanding of what it meant to be an educator and activist *Australian Book Review* ,1986 *Spiritual Economies* Nancy Bradley Warren,2012-03-15 From its creation in the early fourteenth century to its dissolution in the sixteenth the nunnery at Dartford was among the richest in England Although obliged to support not only its own community but also a priory of Dominican friars at King s Langley Dartford prospered Records attest to the business skill of the Dartford nuns as they managed the house s numerous holdings of land and property together with the rents and services owed them That the Dartford nuns were capable businesswomen is not surprising since the house was also a center of female education For Nancy Bradley Warren the story of Dartford exemplifies the vibrancy of nuns material and spiritual lives in later medieval England Revising the long held view that fourteenth and fifteenth century English nunneries were impoverished both financially and religiously Warren clarifies that the women in female monastic communities like Dartford were not woefully

incompetent at managing their affairs Instead she reveals the complex role of female monasticism in diverse systems of production and exchange Like the nuns at Dartford women religious in late medieval England were enmeshed in material symbolic political and spiritual economies that were at times in harmony and at other times in conflict with each other Building on emerging cross disciplinary trends in feminist scholarship on medieval religion Warren extends ongoing debates about textual and economic constructions of women s identities to the rarely considered evidence of monastic theory and practice To this end *Spiritual Economies* emphasizes that the cloister was not impermeable As worldly forces such as economic trends and political conflicts affected life in the nunneries so too did religious practices have political impact In breaking down the convent wall Warren also succeeds in breaching the boundaries separating the material and the symbolic the religious and the secular the literary and the historical She turns to a wide range of sources from legislative texts court records and financial accounts to devotional treatises and political propaganda to explore the centrality of female monasticism to the flowering of female spirituality and to the later Middle Ages at large
