Queer Career Margot Canaday, 2025-05-27 Historians have noted that gay identity is central to the history of capitalism but because of an assumption that workplaces were straight spaces in which queer people passed historians of sexuality have had almost nothing to say about work instead directing their attention to the street and to the bar This book presents

employment and the accompanying fear of job loss as one of the most salient features of queer life for most of the twentieth century and looks at the political and legal developments of gay labor in the workplace alongside the histories of women s minorities and immigrants labor Starting midcentury with the Lavender Scare the federal government s massive purge of gay people from the Civil Service the book traces how workplaces opened to gay workers albeit unevenly over the second half of the twentieth century Drawing on a number of archival sources and interviews this is a history of the workplace that shows larger structural change while also giving voice to many underrepresented individuals Throughout Margot Canaday emphasizes the concept of precariousness a commonly deployed category within labor studies to designate that expanding category of workers in industrial societies who are detached from permanent standardized secure and protected employment While women and racial minorities also share this longer history of precarious work the LGBT experience was a particularly powerful precedent for the changing character of economic life at the end of the 20th century Despite that the book shows that workplaces were surprisingly responsive to demands from gay employees for protection and benefits Canaday shows that business was out ahead of both the government and labor unions in offering antidiscrimination protection and domestic partner benefits to gay workers The final part of the book traces how gay rights came to be the most marketized privatized civil rights social movement and how we should consider the gay experience in the workplace not as marginal or atypical but as central and predictive for all workers [Fast Facts on Genetics and Genomics for Nurses](#) Kimberly Subasic, 2022-08-02

Takes the fear out of learning about genetics and genomics for the nursing professional With its focus on the basics of genetics and genomics in nursing practice this Fast Facts resource is the first to fill the content gap in this important area Its streamlined format featuring bulleted step by step information and brief paragraphs disseminates key content that is presented simply and understandably The book examines how genetics impacts families and the care they need and provides nurses with the genomic knowledge to advocate for personalized patient and family care and to improve patient outcomes Following a discussion of the science and foundations of genetics and genomics this resource addresses their impact on patient care and application in nursing practice It covers the relationship of genetics and genomics to health prevention screening diagnostics prognostics and selection and monitoring of treatment Case studies demonstrate how genomic concepts are applied in practice and underscore their implications for patients with cancer cardiovascular disease psychiatric disorders and autoimmune deficiencies End of chapter questions are designed to assess knowledge Also included are online resources that examine the latest genetic genomic advancements and their impact on nursing Key Features Simplifies difficult concepts for ease of understanding Explains the difference between genetic testing and genetic screening Discusses ethical legal and social concerns specific to genetics and genomics Describes the application of genetics and genomics in healthcare Explains how knowledge of genetics and genomics can guide healthcare decisions Helps nurse educators teach genomic content Educates nurses in using genetic advances to improve patient outcomes *The Vietnam War* Edward

Miller,2016-01-19 The Vietnam War is an outstanding collection of primary documents related to America s conflict in Vietnam which includes a balance of original American and Vietnamese perspectives providing a uniquely varied range of insights into both American and Vietnamese experiences Includes substantial non American content including many original English translations of Vietnamese authored texts which showcase the diversity and complexity of Vietnamese experiences during the war Contains original American documents germane to the continuing debates about the causes consequences and morality of the US intervention Incorporates personal histories of individual Americans and Vietnamese Introductory headnotes place each document in context Features a range of non textual documents including iconic photographs and political cartoons

G. I. Nightingales Barbara Brooks Tomblin,2003-11-28 Recounts the history of the Army Nurse Corps whose members served with but not in the armed forces and describes the experiences of nurses in every theater of World War II including the special situation faced by African American nurses

Nurses on the Move Mireille Kingma,2018-07-05 South African nurses care for patients in London hospitals recruit Filipino nurses to Los Angeles and Chinese nurses practice their profession in Ireland In every industrialized country of the world patients today increasingly find that the nurses who care for them come from a vast array of countries In the first book on international nurse migration Mireille Kingma investigates one of today s most important health care trends The personal stories of migrant nurses that fill this book contrast the nightmarish existences of some with the successes of others Health systems in industrialized countries now depend on nurses from the developing world to address their nursing shortages This situation raises a host of thorny questions What causes nurses to decide to migrate Is this migration voluntary or in some way coerced When developing countries are faced with nurse vacancy rates of more than 40 percent is recruitment by industrialized countries fair play in a competitive market or a new form of colonialization What happens to these workers and the patients left behind when they migrate What safeguards will protect nurses and the patients they find in their new workplaces Highlighting the complexity of the international rules and regulations now being constructed to facilitate the lucrative trade in human services Kingma presents a new way to think about the migration of skilled health sector labor as well as the strategies needed to make migration work for individuals patients and the health systems on which they depend

They Called Them Angels Kathi Jackson,2006-03-01 With the insight and intimacy of firsthand accounts from some of the thousands of army and navy nurses who served both stateside and overseas during World War II this book tells the stories of the brave women who used any and all resources to save as many lives as possible Although military nurses could have made more money as civilians thousands chose to leave the security of home to care for the young men who went off to war They were not saints but vibrant women whose performance changed both military and civilian nursing Kathi Jackson s account follows army and navy nurses from the time they joined the military through their active service to their lives today They Called Them Angels presents the stories of women who lived under extraordinary circumstances in an extraordinary time women who even today bear

emotional scars along with lasting pride American Women During World War II Doris Weatherford, 2009-10-16 American Women during World War II documents the lives and stories of women who contributed directly to the war effort via official and semi official military organizations as well as the millions of women who worked in civilian defense industries ranging from aircraft maintenance to munitions manufacturing and much more It also illuminates how the war changed the lives of women in more traditional home front roles All women had to cope with rationing of basic household goods and most women volunteered in war related programs Other entries discuss institutional change as the war affected every aspect of life including as schools hospitals and even religion American Women during World War II provides a handy one volume collection of information and images suitable for any public or professional library Navy Medicine ,1997 *Nursing History Review, Volume 21* Patricia D'Antonio, PhD, RN, FAAN, 2012-09-28 Nursing History Review an annual peer reviewed publication of the American Association for the History of Nursing is a showcase for the most significant current research on nursing history Regular sections include scholarly articles over a dozen book reviews of the best publications on nursing and health care history that have appeared in the past year and a section abstracting new doctoral dissertations on nursing history Historians researchers and individuals fascinated with the rich field of nursing will find this an important resource Included in Volume 21 Nurses Training May Be Shifted The Story of Bellevue and Hunter College 1942 1969 Hollywood Nurses in West Germany Biographies Self Images and Experiences of Academically Trained Nurses after 1945 Cultures of Control A Historical Analysis of the Development of Infection Control Nursing in Ireland Jurisdictional Boundaries and the Challenges of Providing Health Care in a Northern Landscape Such a Many Purpose Job Nursing Identity and Place with the Grenfell Mission 1939 1960 Reforming Nurses Historicizing the Carnegie Foundation s Report on Educating Nurses The Mary Russell Series Books 1-4 Laurie R. King, 2014-03-17 Collected in one volume the first four novels featuring the retired Sherlock Holmes and his disciple Mary Russell by New York Times bestselling author Laurie R King The Beekeeper s Apprentice In 1915 Sherlock Holmes and his fifteen year old protege Mary Russell are called to Wales to help Scotland Yard find the kidnapped daughter of an American senator a case of international significance with clues that dip deep into Holmes s past A Monstrous Regiment of Women It is 1921 and Mary Russell is on the verge of acquiring a sizable inheritance Her attentions turn to the New Temple of God and its leader a charismatic suffragette and a mystic When four bluestockings from the Temple turn up dead shortly after changing their wills could sins of a capital nature be afoot A Letter of Mary It is 1923 Mary Russell Holmes and Sherlock Holmes are visited by an old friend an archaeologist just returned from Palestine She leaves in their protection an ancient controversial manuscript When their friend is suddenly killed in a tragic accident Russell and Holmes find themselves on the trail of a fiendishly clever murderer The Moor In the eerie wasteland of Dartmoor Sherlock Holmes summons Mary Russell to aid the investigation of a death and some disturbing phenomena of a decidedly supernatural origin There have been sightings of a spectral coach made of bones carrying a woman long ago accused of

murdering her husband and of a hound with a single glowing eye Returning to the scene of The Hound of the Baskervilles Holmes and Russell investigate a mystery darker and more unforgiving than the moors themselves **Social Memory in Late Medieval England** Joel T. Rosenthal,2017-11-21 This concise and unique volume explores the vital relationship between testimony memory and the community in medieval society Joel T Rosenthal assembles various categories of testimonies to illuminate how ordinary Late Medieval people saw themselves as units of their community their awareness of the issues surrounding the theater of birth their interest in the world of and beyond the village and what aspects of the ubiquitous mother Church were worth recalling Supported by primary sources and by modern scholarly focus on such issues as social memory village life rumor and gossip and demography this book provides both a wealth of source material and insightful discussion on how historians can chart the role of memory and community in its shaping of medieval identity and society **James Joyce** E H Mikhail,1990-06-29 *More than Bombs and Bandages* Kirsty Harris,2024-06-05 More than Bombs and Bandages exposes the false assumption that military nurses only nursed Based on author Kirsty Harris CEW Bean Prize winning PhD thesis this is a book that is far removed from the devotion to duty stereotyping offering an intriguing and sometimes gut wrenching insight into the Australian Army Nursing Service AANS during World War I More than Bombs and Bandages provides rich pickings for all those interested in nursing history women in the Australian military the application of medical treatments and World War I What I enjoyed most about is Dr Kirsty Harris s ability to reflect those nurses voices in a way that was so real one could be there the settings were so well understood from her research and the language kind of made a time warp in the reading Very satisfying As you know I have that Peter Rees book but I could not get into it after reading the historical one It was like comparing a great documentary to Facebook trivia Rev d Dr Barbara Oudt **Adult CCRN® Certification Practice Q&A** Springer Publishing Company,2021-07-15 Prepare for your Adult Critical Care Nurse certification exam with Adult CCRN Certification Practice Q A With 300 high quality questions and comprehensive rationales based on the most recent American Association of Critical Care Nurses AACN exam blueprint this essential resource is designed to help you study your way sharpen your specialty knowledge with practice Q A organized by exam topic or strengthen your test taking skills with the 150 question practice test Combined it gives you everything you need to pass the first time guaranteed Key Features Includes 300 questions with in depth rationales that address both correct and incorrect answers Offers two study options by exam topic area or full 150 question practice test Provides key information about the AACN Adult CCRN certification exam Boosts your confidence with a 100% pass guarantee CCRN is a registered trademark of the American Association of Critical Care Nurses AACN Certification Corporation AACN does not endorse this exam preparation resource nor do they have a proprietary relationship with Springer Publishing Company **Nursing Research Using Grounded Theory** Mary De Chesnay,2014-07-28 Print CourseSmart [The Child in Shakespeare](#) Charlotte Scott,2018-09-05 This book examines the child on Shakespeare s stage As a life force an impassioned plea for justice a legacy

history memory or image of love or violence children are everywhere in Shakespeare's plays Focusing on Shakespeare's unique interest in the young body the life stage and the parental and social dynamic this book offers the first sustained account of the role and representation of the child in Shakespeare's dramatic imagination Drawing on a vast range of contemporary texts including parenting manuals and household and pedagogic texts as well as books on nursing and maternity child birth and child rearing *The Child in Shakespeare* explores the contexts in which the idea of the child is mobilised as a body and image on the early modern stage Understanding the child not only as a specific life stage but also as a role and an abstraction of feeling this book examines why Shakespeare who showed little interest in writing for children in the playing companies wrote so powerfully about them on his stage

Nurse Remembers A: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Nurse Remembers A : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Nurse Remembers A : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Nurse Remembers A : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
