raise a secret army and stage an uprising The name of the camp Auschwitz Over the next two and half years and under the cruelest of conditions Pilecki s underground sabotaged facilities assassinated Nazi officers and gathered evidence of terrifying abuse and mass murder But as he pieced together the horrifying Nazi plans to exterminate Europe s Jews Pilecki realized he would have to risk his men his life and his family to warn the West before all was lost To do so meant attempting the impossible but first he would have to escape from Auschwitz itself The Chinese Boy and Girl And Other Stories Isaac Taylor Headland,2020-09-28 When Mrs Spring Fragrance first arrived in Seattle she was unacquainted with even one word of the American language Five years later her husband speaking of her said There are no more American words for her learning And everyone who knew Mrs Spring Fragrance agreed with Mr Spring Fragrance Mr Spring Fragrance whose business name was Sing Yook was a young curio merchant Though conservatively Chinese in many respects he was at the same time what is called by the Westerners Americanized Mrs Spring Fragrance was even more Americanized Next door to the Spring Fragrances lived the Chin Yuens Mrs Chin Yuen was much older than Mrs Spring Fragrance but she had a daughter of eighteen with whom Mrs Spring Fragrance was on terms of great friendship The daughter was a pretty girl whose Chinese name was Mai Gwi Far a rose and whose American name was Laura Nearly everybody called her Laura even her parents and Chinese friends Laura had a sweetheart a youth named Kai Tzu Kai Tzu who was American born and as ruddy and stalwart as any young Westerner was noted amongst baseball players as one of the finest pitchers on the Coast He could also sing Drink to me only with thine eyes to Laura s piano accompaniment Now the only person who knew that Kai Tzu loved Laura and that Laura loved Kai Tzu was Mrs Spring Fragrance The reason for this was that although the Chin Yuen parents lived in a house furnished in American style and wore American clothes yet they religiously observed many Chinese customs and their ideals of life were the ideals of their Chinese forefathers Therefore they had betrothed their daughter Laura at the age of fifteen to the eldest son of the Chinese Government school teacher in San Francisco The time for the consummation of the betrothal was approaching Laura was with Mrs Spring Fragrance and Mrs Spring Fragrance was trying to cheer her I had such a pretty walk today said she I crossed the banks above the beach and came back by the long road In the green grass the daffodils were blowing in the cottage gardens the currant bushes were flowering and in the air was the perfume of the wallflower I wished Laura that you were with me Laura burst into tears That is the walk she sobbed Kai Tzu and I so love but never ah never can we take it together again *Christmas Roses and Other Stories* Anne Douglas Sedgwick,2020-08-13

Quinn,David B. Sachsman,2023-05-09 The Civil War Soldier and the Press examines how the press powerfully shaped the

nation's understanding and memory of the common soldier setting the stage for today's continuing debates about the Civil War and its legacy. The history of the Civil War is typically one of military strategies, famous generals, and bloody battles, but to Americans of the era, the most important story of the war was the fate of the soldier. In this edited collection, new research in journalism history and archival images provide an interdisciplinary study of citizenship, representation, race, and ethnicity, gender, disability, death, and national identity. Together, these chapters follow the story of Civil War soldiers from enlistment through battle and beyond, as they were represented in hometown and national newspapers of the time. In discussing the same pages that were read by soldiers, families, friends, and loved ones during America's greatest conflict, the book provides a window into the experience of historical readers as they grappled with the meaning and cost of patriotism and shared sacrifice. Both scholarly and approachable, this book is an enriching resource for undergraduate and graduate courses in Civil War history, American history, journalism, and mass communication history.
