Nursing Leadership Concepts And Practice:

Nursing Leadership Ruth M. Tappen, 1983 *Nursing Leadership and Management* Ruth M. Tappen, 2001 This popular book provides a strong foundation in leadership and management for students and nurses practicing in today's changing health care environment. The role of the nurse professional as leader and manager in acute care, community, and long-term settings is examined. *Nursing Leadership and Management: Concepts and Practice* is an easy-to-read, simplistic yet comprehensive book that offers a wealth of knowledge. *SCI Nursing* Volume 18 Number 1 Spring 2001 **Management and Leadership for Nurse Administrators** Linda Roussel, Richard J. Swansburg, Russell C. Swansburg, 2006 Designed for the management and development of professional nurses, this text provides management concepts and theories giving professional administrators theoretical and practical knowledge enabling them to maintain morale, motivation, and productivity. Organized around the four management functions of Planning, Organizing, Leadership, and Evaluation, it includes new chapters on total quality management, the theory of human resource development, and collective bargaining. Additionally, content has been added to include recommendations from the work of the Institute of Medicine and the Magnet Appraisal process. **Nursing Leadership and Management** Ruth M. Tappen, RN, EdD, FAAN, 2000-10 Expanded coverage of changes in the health care delivery system, including new approaches to the delivery of nursing care. New content on career development, ethics, cultural diversity, and other workplace issues. Also includes management information on such issues as latex allergy, violence, and drug-resistant hospital-acquired infections. New chapter on informatics. Discussion of the influence of economics on health care delivery. The influence of changes in the demographics in the workplace on management is discussed. Topics include cultural diversity, changes in families, and new information on gender differences in communication. Case studies, one for each chapter, illustrate real-life situations intended to stimulate critical thinking. Three new features: **Test Yourself** at the beginning of each chapter allows the reader to assess and identify how much information he/she has about the topic from personal life experience. **Consider This** throughout the text presents alternative, possibly controversial items by illustrating what has happened to a particular person or organization by using the principles described in the text. **Notes and Quotes** appear throughout the text to highlight helpful hints, interesting facts, and notable quotes. Key terms are bolded and highlighted in sentence where they are defined. **Yoder-Wise's Leading and Managing in Canadian Nursing - E-Book** Nancy Walton, Janice Waddell, 2024-06-13 Prepare for licensure and your transition to nursing practice. Organized around the issues in today's constantly changing health care environment, *Yoder-Wise's Leading and Managing in Canadian Nursing* 3rd Edition offers an innovative approach to leading and managing by merging theory, research, and practical application. This cutting-edge text is intuitively organized around the issues that are central to the success of Canadian nurses, including cultural diversity, resource management, advocacy, patient safety, delegation, and communication.
