The History of Roman Literature From the Earliest Period to the Death of Marcus Aurelius Charles Thomas Cruttwell, 1910-01-01

Your Man Abednego Onyechi Mbamali, 2012-01-18 Your Man Abednego A play in four acts this is an explosive sequel to the much acclaimed Shadows of The Ancestors The warrior kingdom of Umudimkpa under an ageing regency awaits the coming of a crown prince whose birth and mystery life were foretold by the oracles Instead it is British colonialists that arrive bringing with them the daunting challenges of a foreign government and a new religion The emergent conflicts are exacerbated by language problems throwing up a villainous interpreter one Abednego who is as much admired and trusted by the white District Officer as he is hated and vilified by the natives

Hellz Bellz Randy Chandler, Randy Chandler's out of print and hard to find novel HELLz BELLz is back When an ancient bell begins to toll in an abandoned church the town of Druid Hills descends into a night of unholy hell To survive the less crazed citizens must fight for their lives as they battle their own primitive urges to commit unspeakable acts Before the night ends some will discover that there are fates worse than death The tension is built with the skill of a professional and it is added to by the reader's knowledge that every character is expendable Hellz Bellz is good fun There is sex violence and a hell of a story This novel reminds me just a little of early Stephen King mixed with everything Richard Laymon ever wrote This one you should read SF Reader

Bloody Williamson Paul M. Angle, 2014-10-15 This is a horror story of native American violence It carries a grim lesson for the whole country Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois On the map Williamson is just another county But in history it is a place in which a strange disease has raged for more than eighty years a disease marked by a pathological tendency to settle differences by force Fascinated by this Paul M Angle the well known historian set out to discover what really had happened Through enormous research he has been able to reconstruct the whole story in all its horrible scarifying detail Using the best techniques of reportage without editorializing without subjective coloration he has produced a narrative beyond imagination It begins with the Bloody Vendetta a feud that rampaged in the 1870s It deals with labor's success in organizing coal mines in southern Illinois an affair that twice blew up in violence It covers the Herrin Massacre of 1922 perhaps the most shocking episode in the history

of organized labor in this country and the subsequent trials The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents And it ends with the story of the gang war between Charlie Birger and the Shelton brothers It is a tale to shake the most phlegmatic reader *The devil's triumph: a satire; and other poems* R. Compton NOAKE,1859 Eight Propositions Joe L. Rempson,2020-11-19 Rempson takes issue with those who lay the plight of African Americans on racism not seeing it today as a major obstacle to black progress Rather he traces the origin back to what he terms the African American Garden of Eden In it W E B Dubois outlasted Booker T Washington and fathered a tradition which Rempson argues has produced a victim identity and an emphasis on the system rather than the self Only black males offer a way out he declares because it is entirely our black males who are keeping us down and curtailing our progress in contrast to black females who are doing OK They are plagued by what Rempson calls the African American Male School Adaptability Crisis AMSAC Their academic performance ranks at the bottom alone below black female students and below white Asian and Hispanic male students In large urban areas their high school dropout rate is 59 percent and nationally they lag behind in college attendance and graduation rates The outcome Rempson argues is dysfunctionality and the existence of hedonistic norms which hinder family and community stability But while black males are the problem Rempson contends it is nevertheless only they who can solve it because research and experience show that it takes males to bring up and change other males Though intended for everyone he therefore writes his book to his fellow advantaged black males and makes a passionate plea for them to step up and with the help of black females and of the nation take the lead As their guide he has formulated eight propositions Arrived at through an examination of impressively extensive data from numerous sources and disciplines they are a marked departure from the customary Most strikingly delicate matters such as those which pertain to intelligence quotient IQ and culture are openly confronted and dealt with But Rempson writes unless confronted we will not solve our problems Nor he continues can we solve them unless we cut the umbilical cord to white America We have no right to expect it to be our savior nor are we justified in perceiving it as our oppressor Forcefully and finely written Rempson s book is a singular and courageous contribution Alone his eight propositions make it a worthy read
