Nurturing Child and Adolescent Spirituality Karen-Marie Yust,2006 Nurturing Child and Adolescent Spirituality

Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe.      **Raising Kingdom Kids** Tony Evans,2014-08-22

From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them, not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan.      Raising God's Children Ada C. Conway,2016-12-08

I've often heard it said, "Children don't come with an instruction manual." I beg to differ. Children do come with an instruction manual; it's called The Holy Bible. *Raising God's Children* is a manual of sorts based on standard traditional and contemporary Christian values and is loaded with both natural and spiritual wisdom, offering insight into what has been learned from every available resource, including the wisdom of people who have raised children.      Nurturing Children's Spirituality Holly Allen,2008-03-01

Children's spiritual development is currently a hot topic in Christian circles as well as in other fields and disciplines such as educational psychology, medicine, developmental psychology, education, and sociology. The key question for Christian scholars and educators is: How do Christian beliefs and practices uniquely interrelate with children's spirituality? In 2003 and again in 2006, a national

conference entitled Children's Spirituality Conference Christian Perspectives examined children's spirituality from a distinctly Christian standpoint This book is a collection of the best materials from the 2006 conference The first half of the book addresses definitional historical and theological concerns related to spiritual development in children The second half explores best practices for fostering spiritual growth among our children in our homes families churches Christian schools and among special populations of children from a wide spectrum of Christian scholars and practitioners The volume closes with John Westerhoff's moving keynote address and Catherine Stonehouse and Scottie May's eloquent culminating plenary address Nurturing Children's Spirituality provides a rich cross section of the current research and writing by Christian scholars on children's spirituality Contributors Holly Catterton Allen Michael J Anthony Stacy Berg Chris J Boyatzis MaLesia Breeding Marilyn Brownlee Linda V Callahan Jane Carr Mara Lief Crabtree Karen Crozier James Riley Estep Jr Jeffrey E Feinberg Stephanie Goins Judy Harris Helm Dana Kennamer Hood Sungwon Kim Kevin Lawson Scottie May Marcia McQuitty Heidi Schultz Oschwald Donald Ratcliff Pam Scranton Timothy A Sisemore Catherine Stonehouse La Verne Tolbert T Wyatt Watkins John H Westerhoff III
