Nurturing Souls:

Nurturing the Souls of Our Children Robert Mitchell, 2005 The Sin of Obedience is one of the few works of fiction or non fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest The novel rich and accurate in detail is the story of a young prodigy torn with between the rigid religious traditions and convictions of his mother and the more humanity oriented respect for freedom of his father Building on his own experiences including being the subject of sexual abuse by a seminary teacher the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives This well crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result Nurturing Your Child's Soul Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture s negative currents We try to shout over the roar of media blitzes misguided values in the schools and peer pressure And we wonder how to raise faithful children For parents who sometimes feel they haven t done enough Jones provides ideas for taking small steps toward communication and intimacy showing you how to take advantage of teachable moments by fully focusing on the present

Deeper Souls, Less Shoes Nadine Mercey, 2008-11. Imagine a top-producing real estate salesperson, single mom, bad relationships with men, unhealthy, self-styled dumb blonde who awakens to her destiny of healing bodies, minds, and souls. Meet Nadine Mercey, high vibrational healer. This is her personal story. Reading it will change yours. Her mission is raising awareness about the potential in all of us to boost our personal vibration so we can be healthy in loving relationships and laughing often and out loud lol. About the Author: Nadine Mercey is a high vibrational healer. She grew up in Brantford, Ontario, and confesses to having never done well at formal education. My mind just didn't work like other people's. Looking back, she recognizes signs of mild autism in her behavior. For twenty years, Nadine worked in real estate, rising to become one of Canada's top realtors. Her success came from an uncanny ability to intuitively understand the needs and motivations of buyers and sellers. Her awakening to the extent of her intuitive capabilities came from selling a haunted house, one that had been featured in her dreams since childhood. Soon she was experiencing great vibrational development and receiving messages in her mind from voices who identified themselves as angels. She is guided and protected by the Gabrielle Collective and other energies. Nadine conducts readings often at great distances during which she communicates with the client's spirit guide(s) and/or angel(s). These entities provide instruction about what is required to raise the person's vibration in order to restore balance to soul, mind, and body. Generally, energy flows into the person's body as Nadine visualizes areas that need help. Healing happens through creative visualization and only when intended for the highest and best interest to help that person progress toward his or her predetermined life purpose. Blessed with extraordinarily high vibration, Nadine devotes a portion of her practice to healing other intuitives and to making people aware of their own intuitive capabilities. She is a medical intuitive who has helped doctors identify illnesses in their patients. Nadine is a dynamic presenter at seminars and has been the subject of a documentary film. Discussions are underway about hosting a television show. She is also developing her own line of healing products. Nadine lives in Ancaster, Ontario, Canada, with her two teenaged sons, Eric and Jaxon. She loves to dance and laugh. And she does her own way too many shoes. Reviews: Nadine's healing is amazing. Pro and amateur athletes will gain new awareness and better health by reading her new book. Peter Zezel, NHL hockey legend and coach. Nadine Mercey is the most powerful healer that I know and will astonish even her most ardent skeptic. This profound

Nation and Nurture in Seventeenth-Century English Literature Rachel Trubowitz, 2012-05-31 *Nation and Nurture in Seventeenth-Century English Literature* connects changing seventeenth-century English views of maternal nurture to the rise of the modern nation, especially between 1603 and 1675. Maternal nurture gains new prominence in the early modern cultural imagination at the precise moment when England undergoes a major paradigm shift from the traditional dynastic body politic organized by organic bonds to the post-dynastic modern nation comprised of symbolic and affective relations. The book also demonstrates that shifting early modern perspectives on Judeo-Christian relations deeply inform the period's interlocking reassessments of maternal nurture and the nation, especially in the case of Milton. The book's five chapters analyze a wide range of reformed and traditional texts, including A Pitiless Mother, William Gouge's *Of Domesticall Duties*, Shakespeare's *Macbeth*, Charles I's *Eikon Basilike*, and Milton's *Paradise Lost* and *Samson Agonistes*. Equal attention is paid to such early modern visual images as *The Power of Women*, a late sixteenth-century Dutch engraving, William Marshall's engraved frontispiece to Richard Braithwaite's *The English Gentleman and Gentlewoman* (1641), and Peter Paul Rubens's painting of *Pero and Cimon, or Roman Charity* (1630). The book argues that competing early modern figurations of the nurturing mother mediate in politically implicated ways between customary biblical models of English kingship and innovative Hebraic/Puritan paradigms of Englishness.

The Problem of the Christian Master Matthew Elia, 2024-05-28 A bold rereading of Augustinian thought for a world still haunted by slavery. Over the last two decades, scholars have made a striking return to the resources

of the Augustinian tradition to theorize citizenship virtue and the place of religion in public life However these scholars have not sufficiently attended to Augustine's embrace of the position of the Christian slaveholder To confront a racialized world the modern Augustinian tradition of political thought must reckon with its own entanglements with the afterlife of the white Christian master Drawing Augustine's politics and the resources of modern Black thought into extended dialogue Matthew Elia develops a critical analysis of the enduring problem of the Christian master even as he presses toward an alternative interpretation of key concepts of ethical life agency virtue temporality against and beyond the framework of mastery Amid democratic crises and racial injustice on multiple fronts the book breathes fresh life into conversations on religion and the public square by showing how ancient and contemporary sources at once clash and converge in surprising ways It imaginatively carves a path forward for the enduring humanities inquiry into the nature of our common life and the perennial problem of social and political domination **Handbook for the Soul** Benjamin Shield, Richard Carlson, 2025-05-01
