Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on Investigations,1996 Investigation of Communist Activities, New York Area United States. Congress. House. Committee on Un-American Activities,1955 Street Practice Lori McNeil,2016-04-01 Presenting recent studies of non profit organizations involved in poverty relief services in New York City in comparison with programmes in existence across the US Street Practice provides a front line ground level perspective on innovative research practices designed to solve community problems It explores the manner in which organizations bridge the gap between research and policy advocacy with an account of the ways in which research contributes to alleviating or solving a community problem as well as details on successes and failures of advocacy work problems and limitations of their research funding constraints and political resistance As such this book not only offers compelling examples of social change in action but also serves to introduce models for research and policy advocacy that can be applied similarly in other urban areas Adopting a case based learning approach that enables readers to better understand the dynamic process of research and policy advocacy this innovative book will appeal to those with interests in poverty homelessness policy advocacy social work and social change WEAPONS OF MASS DESTRUCTION Steven C. Drielak,Thomas R. Brandon,2000-01-01 This book is designed to provide law enforcement personnel with response guidelines and evidence gathering techniques that may be utilized when responding to an incident involving the use or threatened use of a weapon of mass destruction WMD The first part of the book addresses the actions to be taken by the first law enforcement personnel arriving at the scene of a WMD incident The text examines the planning process in great detail and the incident management process is also extensively

reviewed Tactical operations that may be necessary to arrest individuals or prevent a WMD incident are also discussed The second part of the book is designed for the hazardous material trained investigator The required training equipment and investigative procedures are clearly defined in this section and detailed step by step instructions are provided for the collection of chemical biological and radiological evidence In addition investigative techniques are provided that will assist the criminal investigator in identifying and entering a facility suspected of manufacturing a weapon of mass destruction Remote sampling techniques are provided to assist in gathering the probable cause for a search warrant Also helpful to readers are the many illustrations and a glossary It will be clear to the reader that this unique book represents the epitome of authoritativeness and comprehensiveness in the field of WMD response and investigation **When Police Kill** Franklin E. Zimring, 2017-02-20 Franklin Zimring compiles data from federal records crowdsourced research and investigative journalism to provide a comprehensive fact based picture of how when where and why police use deadly force He offers prescriptions for how federal state and local governments could reduce killings at minimum cost without risking officers lives

Weapons of Mass Destruction and Terrorism Alan O'Day, 2004 The twenty nine articles explore the issue of WMD and key questions raised about terrorism its definition objects motivation whether there is a different species of it emerging in the aftermath of the close of the Cold War preparedness and the means of prevention The conventional low technology terrorism of the past has exercised a social and political impact far out of proportion with the casualties it has caused The massive indiscriminate destruction caused by an act of WMD terrorism similarly would have disproportionate social political economic and strategic effects **Document Retrieval Index** , 1976 **Arson Problems in New York City** United States.
