Cities of Pleasure Alan Collins,2013-09-13 This book contains a collection of cutting edge chapters that explore various connections between urban living sexuality and sexual desire around the world The key themes featured address a number of topical issues including the controversies and debates raging around the evolution defining patterns and appropriate regulation of commercial sex zones and markets in the urban landscape how gay public spaces districts and gay villages emerged and developed in various towns and cities around the world how changing attitudes to and the usage of urban sexual spaces as depicted in iconic television series such as *Sex and the City* and *Queer as Folk* reflect the reality of working women s or gay men s changing life experiences With detailed case studies and a strong interdisciplinary appeal this book will be a valuable reference for postgraduates and advanced students in the fields of cultural studies as well as human urban and social geography This book was previously published as a special issue of the journal *Urban Studies* **Gutter Auteur** Rob Craig,2012-12-13 Grindhouse filmmaker Andy Milligan has been the subject of a revealing biography and boasts a grassroots fan base but his remarkable work has thus far received no serious critical overview Working virtually alone on infinitesimal budgets often using a used 16mm newsreel camera Milligan crafted some of the most unique melodramas of the

1960s and 1970s Often mounted as period pieces using costumes sewn by the filmmaker Milligan s gritty bizarre films come across as inimitable meldings of the avant garde theater of Jean Genet the experimental films of Jack Smith and the random cinema verite of a lunatic with a home movie camera Yet Milligan s films are anything but random ruminating at length on profound sociocultural themes of the day including the emptiness of the sexual revolution Evident throughout all the films are two pet themes a rabid deconstruction of the heterosexual paradigm and a grotesque illumination of the family as breeder of dysfunction
