The Battle for the Bs Blair Davis,2012-04-06 The emergence of the double bill in the 1930s created a divide between A pictures and B pictures as theaters typically screened packages featuring one of each With the former considered more prestigious because of their larger budgets and more popular actors the lower budgeted Bs served largely as a support mechanism to A films of the major studios most of which also owned the theater chains in which movies were shown When a 1948 U S Supreme Court antitrust ruling severed ownership of theaters from the studios the B movie soon became a different entity in the wake of profound changes to the corporate organization and production methods of the major Hollywood studios In The Battle for the Bs Blair Davis analyzes how B films were produced distributed and exhibited in the 1950s and demonstrates the possibilities that existed for low budget filmmaking at a time when many in Hollywood had abandoned the Bs Made by newly formed independent companies 1950s B movies took advantage of changing demographic patterns to fashion innovative marketing approaches They established such genre cycles as science fiction and teen oriented films think *Destination Moon* and *I Was a Teenage Werewolf* well before the major studios and also contributed to the emergence of the movement now known as underground cinema Although frequently proving to be multimillion dollar box office draws by the end of the decade the Bs existed in opposition to the cinematic mainstream in the 1950s and created a legacy that was passed on to independent filmmakers in the decades to come

Lloyd Kaufman Mathew Klickstein,2025-02-17 After nearly fifty years of disrupting media gleefully Rabelaisian uberindie filmmaker Lloyd Kaufman b 1945 has been maligned mocked and worst of all ignored throughout the general course of his wildly eclectic and impactful filmography As the equally huckster ish and self denigrating cofounder and president of Troma Entertainment responsible for the likes of such schlocky midnight movie fare as The Toxic Avenger Sgt Kabukiman N Y P D Surf Nazis Must Die Class of Nuke Em High Tromeo Juliet and most recently ShakespearesShitstorm Kaufman has indisputably left his slimily viscous fingerprints on moviemaking throughout the past half century Lloyd Kaufman Interviews gathers together no holds barred commentaries op eds Q As arguments and retorts from the prodigious filmmaker Considering the typical Troma film is known if at all for the brand s signature egregious gore unabashedly scandalous sexual fetishism sophomoric scatology and provocative contrarianism it s easy to understand why Kaufman and

his still metastasizing oeuvre go without much notice in the mainstream trades or classroom discussions Like a modern day P T Barnum if there s one way that Kaufman finds a pragmatic hold on the cultural zeitgeist it s through his tsunamic deluge of often vivacious often vulgar often vicious and often most dangerous of all presciently insightful speaking engagements and interviews provided at an almost manic pace across the globe Complete with an exclusive interview conducted by volume editor Mathew Klickstein Lloyd Kaufman Interviews is an extensive deep dive omnibus from one of cinema s most indefatigably ardent auteurs who may make us all uproariously laugh but refuses to not be taken deadly seriously
