Organizational Arrangements To Facilitate Global Management Of Fisheries:

Organizational Arrangements to Facilitate Global Management of Fisheries Edward L. Miles, **Marine Fisheries Abstracts** ,1974 *Marine Fisheries Abstracts* United States. National Marine Fisheries Service,1974

International Cooperation Oran R. Young,1989 The notion of regimes as institutions that shape international behavior has received much attention from scholars in the field of international relations as a way of understanding how sovereign states secure international cooperation Oran Young here seeks both to develop our theoretical grasp of international regimes and to expand the range of empirical applications of this line of analysis **Economics of Fisheries Development** Rowena M. Lawson,2013-11-07 Following the introduction of the 200 mile extended economic zone EEZ many developing countries suddenly found they had large fish resources which wisely managed and exploited could generate wealth and income of immense benefit However one constraint to this was that many countries for historic reasons lacked the expertise to manage fisheries on this scale Despite the need for information few economists and especially development economists teaching in universities and colleges were able to incorporate fisheries economics into their courses owing to the lack of readily accessible material As a result many rising economists were failing to recognize the global importance of fishers as an economic resource capable of generating substantial wealth and income to many countries **Economics of Fisheries Development** provides an accessible exploration of this area of economics introducing development economists to some of the problems of developing fisheries in areas of the world where fisheries now present great growth prospects The case studies used throughout the book are nearly entirely drawn from developing countries **Development Digest** ,1976 A quarterly journal of excerpts summaries and reprints of current materials on economic and social development *Environmental Considerations in Foreign-donor-supported Projects* Arthur J. Hanson,1981 *Fisheries Jurisdiction* United States. Congress. House. Committee on Merchant Marine and Fisheries.
