Organizing Against Crime Redeveloping The Neighborhood:

Organizing Against Crime Anthony Sorrentino, 1977 An account of the author's Chicago boyhood in the 1920s accompanies a description of his subsequent work in community organization to prevent juvenile delinquency Crossing Borders Tapan Basu, Tasneem Shahnaaz, 2017-05-04 Crossing Borders is a gathering of twenty original interdisciplinary essays on the paradigm of borders in African American literature multi ethnic U S studies and South Asian studies These essays by established and mid career scholars from around the globe employ a variety of approaches to the idea of border crossings and represent important contributions to the discourses on modernity diasporic mobility populism migration exile sub nation trans nation as well as the formation of nationalities communities and identities Borders in these contexts signify social and national inequities and hierarchies and also the ways to challenge and transgress entrenched barriers sanctioned by habit custom and law The volume also honors and celebrates the life and work of Amritjit Singh as a teacher mentor author scholar and editor over half a century **Neighborhood Planning Primer** Urban Systems Research & Engineering, 1980 Social Change and Politics Morris Janowitz, Earlier ed published as The last half century societal change and politics in America **Juvenile Justice** Preston Elrod, R. Scott Ryder, 2013-07 The juvenile justice system is a multifaceted entity that continually changes under the influence of decisions policies and laws The all new Fourth Edition of Juvenile Justice A Social Historical and Legal Perspective offers readers a clear and comprehensive look at exactly what it is and how it works Reader friendly and up to date this text unravels the complexities of the juvenile justice system by exploring the history theory and components of the juvenile justice process and how they relate *Juvenile Justice: A Social, Historical and Legal Perspective* Preston Elrod, R. Scott Ryder, 2009-12-09 *Pluralism and Progressives* Rivka Shpak Lissak, 1989-11-09 The settlement house movement launched at the end of the nineteenth century by men and women of the upper middle class began as an attempt to understand and improve the social conditions of the working class It gradually came to focus on the new immigrants mainly Italians Slavs Greeks and Jews who figured so prominently in this changing working class Hull House one of the first and best known settlement houses in the United States was founded in September 1889 on Chicago's West Side by Jane Addams and Ellen G Starr In a major new study of this famous institution and its place in the movement Rivka Shpak Lissak reassesses the impact of Hull House on the nationwide debate over the place of immigrants in American society **Reactions to Crime** Fred DuBow, Edward McCabe, Gail Kaplan, 1980 Organized Crime and Use of Violence United States. Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on Investigations, 1989 Criminology Theory Frank P. Williams III, Marilyn D. McShane, 2015-03-02 This highly acclaimed criminology text presents an up to date review of rational choice theories including deterrence shaming and routine activities It also incorporates current examples of deterrence research regarding domestic violence drunk driving and capital punishment and features thought provoking discussion of the relativity of crime The authors explore the crime problem its

context and causes of crime The organization of the text reflects the fact that the etiology of crime must be at the heart of criminology It examines contemporary efforts to redefine crime by focusing on family violence hate crimes white collar misconduct with violent consequences and other forms of human behavior often neglected by criminologists Extensive discussion of evolving laws is included and while the prevalence of the scientific method in the field of criminology is highlighted the impact of ideology on explanations of crime is the cornerstone of the book

Where are Poor People to Live?: Transforming Public Housing Communities Larry Bennett, Janet L. Smith, Patricia A Wright, 2015-03-26 This groundbreaking book shows how major shifts in federal policy are spurring local public housing authorities to demolish their high rise low income developments and replace them with affordable low rise mixed income communities It focuses on Chicago and that city's affordable housing crisis but it provides analytical frameworks that can be applied to developments in every American city Where Are Poor People to Live provides valuable new empirical information on public housing framed by a critical perspective that shows how shifts in national policy have devolved the U S welfare state to local government while promoting market based action as the preferred mode of public policy execution The editors and chapter authors share a concern that proponents of public housing restructuring give little attention to the social political and economic risks involved in the current campaign to remake public housing At the same time the book examines the public housing redevelopment process in Chicago with an eye to identifying opportunities for redeveloping projects and building new communities across America that will be truly hospitable to those most in need of assisted housing While the focus is on affordable housing the issues addressed here cut across the broad policy areas of housing and community development and will impact the entire field of urban politics and planning

Juvenile Justice in the Making David Spinoza Tanenhaus, 2004 Faith in childhood and its corollary that separate courts are required for children because they are developmentally different from adults appears to be vanishing in the USA This book examines one of America's most influential legal inventions and its future

The Chicago School of Sociology Martin Bulmer, 1986-08-15 From 1915 to 1935 the inventive community of social scientists at the University of Chicago pioneered empirical research and a variety of qualitative and quantitative methods shaping the future of twentieth century American sociology and related fields as well Martin Bulmer's history of the Chicago school of sociology describes the university's role in creating research based and publication oriented graduate schools of social science This is an important piece of work on the history of sociology but it is more than merely historical Martin Bulmer's undertaking is also to explain why historical events occurred as they did using potentially general theoretical ideas He has studied what he sees as the period from 1915 to 1935 when the Chicago School most flourished and defines the nature of its achievements and what made them possible It is likely to become the indispensable historical source for its topic Jennifer Platt Sociology
