Origins Of The Republican Party 1852 1856

Frederick Douglass

Origins Of The Republican Party 1852 1856:

The Origins of the Republican Party, 1852-1856 William E. Gienapp, 1987 The 1850s saw in America the breakdown of the Jacksonian party system in the North and the emergence of a new sectional party the Republicans that succeeded the Whigs in the nation's two party system This monumental work uses demographic voting and other statistical analysis as well as the more traditional methods and sources of political history to trace the realignment of American politics in the 1850s and the birth of the Republican party Gienapp powerfully demonstrates that the organization of the Republican party was a difficult complex and lengthy process and explains why even after an inauspicious beginning it ultimately became a potent political force The study also reveals the crucial role of ethnocultural factors in the collapse of the second party system and thoroughly analyzes the struggle between nativism and antislavery for political dominance in the North The volume concludes with the decisive triumph of the Republican party over the rival American party in the 1856 presidential election

Far reaching in scope yet detailed in analysis this is the definitive work on the formation of the Republican party in antebellum America Publisher description **The Origins of the Republican Party, 1852-1856** William Eugene Gienapp, 1980

The History of the Republican Party Heather Lehr Wagner, 2007 When Abraham Lincoln was elected president in 1860 he was a member of a political party that had been founded only six years earlier the Republican Party In March 1854 a group of men gathered to form a political party that reflected their concerns about

Essays on American Antebellum Politics, 1840-1860 William E. Gienapp, 1982 Writing on such subjects as voter partisanship the road to recovery and the surge of Republican power these historians reach different conclusions but essentially agree on the centrality of the party system and the importance of ethnocultural issues in the sectional conflict Besides using traditional historiographic techniques some of the authors draw upon the findings and methods of the New political history to illuminate a variety of hitherto ignored or misunderstood aspects of antebellum American politics In the process they offer a new look at some old problems and many new provocative insights into these crucial two decades of American history

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time

periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500-1783 Volume Editor Andrew Robertson Herbert H. Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784-1840 Volume Editor Michael A. Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U.S. Constitution and the development of the party system

The ^A Slaveholding Republic the late Don E. Fehrenbacher, 2002-12-19 Many leading historians have argued that the Constitution of the United States was a proslavery document But in *The Slaveholding Republic* one of America's most eminent historians refutes this claim in a landmark history that stretches from the Continental Congress to the Presidency of Abraham Lincoln Fehrenbacher shows that the Constitution itself was more or less neutral on the issue of slavery and that in the antebellum period the idea that the Constitution protected slavery was hotly debated many Northerners would concede only that slavery was protected by state law not by federal law Nevertheless he also reveals that U.S. policy abroad and in the territories was consistently proslavery Fehrenbacher makes clear why Lincoln's election was such a shock to the South and shows how Lincoln's approach to emancipation which seems exceedingly cautious by modern standards quickly evolved into a Republican revolution that ended the anomaly of the United States as a slaveholding republic

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U.S. political development through a unique chronological framework *Encyclopedia of U.S. Political History* explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the *Encyclopedia of U.S. Political History* identifies and illuminates patterns and interrelations that will expand the reader's understanding of American political institutions culture behavior and change Focusing on both government and history the *Encyclopedia* brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time

periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era

VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt's presidency the Supreme Court's conservative traditions and a new judicial outlook

VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting

Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered **Young America** Mark A. Lause, 2010-10-01 The National Reform Association NRA was an antebellum land reform movement inspired by the shared dream of a future shaped by egalitarian homesteads Mark A Lause s Young America argues that it was these working people s interest in equitable access to the country s most obvious asset land that led them to advocate a federal homestead act granting land to the landless state legislation to prohibit the foreclosure of family farms and antimonopolistic limitations on land ownership Rooting the movement in contemporary economic structures and social ideology Young America examines this urban and working class agrarianism demonstrating how the political preoccupations of this movement transformed socialism by drawing its adherents from communitarian preoccupations into political action The alliance of the NRA s land reformers and radical abolitionists led unprecedented numbers to petition Congress and established the foundations of what became the new Republican Party promising Free Soil Free Labor Free Men Modern Medea Steven Weisenburger, 1999-09 The widely acclaimed inquiry into the story that inspired Toni Morrison s Beloved a nuanced portrait of the not so genteel Southern culture that perpetuated slavery and had such destructive effects on all who lived with it and in it 25 illustrations Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **Contesting Slavery** John Craig Hammond, Matthew Mason, 2011-06-10 Recent scholarship on slavery and politics between 1776 and 1840 has wholly revised historians understanding of the problem of slavery in American politics Contesting Slavery builds on the best of that literature to reexamine the politics of slavery in revolutionary

America and the early republic The original essays collected here analyze the Revolutionary era and the early republic on their own terms to produce fresh insights into the politics of slavery before 1840 The collection forces historians to rethink the multiple meanings of slavery and antislavery to a broad array of Americans from free and enslaved African Americans to proslavery ideologues from northern farmers to northern female reformers from minor party functionaries to political luminaries such as Henry Clay The essays also delineate the multiple ways slavery sustained conflict and consensus in local regional and national politics In the end *Contesting Slavery* both establishes the abiding presence of slavery and sectionalism in American political life and challenges historians long standing assumptions about the place meaning and significance of slavery in American politics between the Revolutionary and antebellum eras Contributors Rachel Hope Cleves University of Victoria David F Ericson George Mason University John Craig Hammond Penn State University New Kensington Matthew Mason Brigham Young University Richard Newman Rochester Institute of Technology James Oakes CUNY Graduate Center Peter S Onuf University of Virginia Robert G Parkinson Shepherd University Donald J Ratcliffe University of Oxford Padraig Riley Dalhousie University Edward B Rugemer Yale University Brian Schoen Ohio University Andrew Shankman Rutgers University Camden George William Van Cleve University of Virginia Eva Sheppard Wolf San Francisco State University

The Life of the Parties James Reichley, 2000 Election year 2000 is an appropriate season to reprise the first major history of American political parties in nearly forty years In this classic work James Reichley traces the decline of political parties resulting in divided government and an ineffectual political process but he also shows us what it will take to restore the party system and how it could work to revitalize our democracy For the first time in paperback *The Life of the Parties* includes updates on third party movements political cycles and realignments campaign finance reform and other recent electoral trends Citizens disillusioned by years of political disarray will find much to reflect upon in Reichley's monumental analysis of the lessons of party history and our contemporary political predicament

Words at War David B. Sachsman, S. Kittrell Rushing, Roy Morris, 2008 Analyzes the various ways in which the nation's newspaper editors reporters and war correspondents covered the biggest story of their lives the Civil War and in doing so both reflected and shaped the responses of their readers This book contains sections including *Fighting Words* *Confederates and Copperheads* and *The Union Forever*

A Revolutionary Conscience Paul E. Teed, 2012-08-16 Theodore Parker was one of the most controversial theologians and social activists in pre Civil War America A vocal critic of traditional Christian thought and a militant opponent of American slavery he led a huge congregation of religious dissenters in the very heart of Boston Massachusetts during the 1840s and 1850s This book argues that Parker's radical vision and contemporary appeal stemmed from his abiding faith in the human conscience and in the principles of the American revolutionary tradition A leading figure in Boston's resistance to the Fugitive Slave Law Parker became a key supporter of John Brown's dramatic but ill fated raid on Harper's Ferry in 1859 Propelled by a revolutionary conscience Theodore Parker stood out as one of the most fearless religious reformers and social

activists of his generation The Frederick Douglass Papers Frederick Douglass, 2018-01-01 A second volume of the collected correspondence of the great African American reformer and abolitionist features correspondence written during the Civil War years The second collection of meticulously edited correspondence with abolitionist author statesman and former slave Frederick Douglass covers the years leading up to the Civil War through the close of the conflict offering readers an illuminating portrait of an extraordinary American and the turbulent times in which he lived An important contribution to historical scholarship the documents offer fascinating insights into the abolitionist movement during wartime and the author's relationship to Abraham Lincoln and other prominent figures of the era **Moral Minorities and the Making of American Democracy** Kyle G. Volk, 2014 Should the majority always rule If not how should the rights of minorities be protected In *Moral Minorities and the Making of American Democracy* Kyle G Volk unearths the origins of modern ideas and practices of minority rights politics Focusing on controversies spurred by the explosion of grassroots moral reform in the early nineteenth century he shows how a motley but powerful array of self understood minorities reshaped American democracy as they battled laws regulating Sabbath observance alcohol and interracial contact Proponents justified these measures with the democratic axiom of majority rule In response immigrants black northerners abolitionists liquor dealers Catholics Jews Seventh day Baptists and others articulated a different vision of democracy requiring the protection of minority rights These moral minorities prompted a generation of Americans to reassess whether majority rule was truly the essence of democracy and they ensured that majority tyranny would no longer be just the fear of elites and slaveholders Beginning in the mid nineteenth century minority rights became the concern of a wide range of Americans attempting to live in an increasingly diverse nation Volk reveals that driving this vast ideological reckoning was the emergence of America's tradition of popular minority rights politics To challenge hostile laws and policies moral minorities worked outside of political parties and at the grassroots They mobilized elite and ordinary people to form networks of dissent and some of America's first associations dedicated to the protection of minority rights They lobbied officials and used constitutions and the common law to initiate test cases before local and appellate courts Indeed the moral minorities of the mid nineteenth century pioneered fundamental methods of political participation and legal advocacy that subsequent generations of civil rights and civil liberties activists would adopt and that are widely used today Party Over Section Joel H. Silbey, 2009 A leading political historian of antebellum America examines the hard fought three way presidential race of 1848 Reveals how Martin Van Buren and his Free Soil party challenged Whigs and Democrats by making slavery a key issue representing a harbinger of the change that was to come even though they only garnered 10 percent of the vote **The Public City** Philip J. Ethington, 2001-07-06 Philip J Ethington challenges the assumptions of several decades of urban history that treat American urban politics as the expression of social group community experience Instead he maintains in *The Public City* social group identities of race class ethnicity and gender were politically constructed in the public sphere in the process of political

mobilization and journalistic discourse **The Rise and Fall of the White Republic** Alexander Saxton, 2003 Saxton asks why white racism remained an ideological force in America long after the need to justify slavery and Western conquest had disappeared A Hell of a Storm David S. Brown, 2024-09-17 From popular historian and author of the marvelous *The New York Times Book Review* *The Last American Aristocrat* comes the fascinating story of how in 1854 a new law the Kansas Nebraska Act unexpectedly became the greatest miscalculation in American history dividing North and South creating the Republican party and paving the way for the Civil War The history of the United States includes a series of sectional compromises the Constitutional Convention the Missouri Compromise in 1820 and the Compromise of 1850 While these accords created an imperfect republic or a house divided as Lincoln put it the country remained united But then in 1854 this three generations system suddenly blew up with the passage of the Kansas Nebraska Act and here David Brown explores in riveting detail how the Act led to the sudden division of North and South The Act declared that planters if permitted by territorial laws could bring their enslaved peoples to the land extending from the Mississippi River to the Rocky Mountains the core of Jefferson's old Louisiana Purchase which had been reserved for free labor Northerners were shocked that free soil might now be turned over to slavery and responded with unprecedented backlash In the bill's wake the conservative Whig Party winners of multiple presidential elections collapsed and the radical Republican Party was born in six years it would take control of the central government provoking Southern secession In *A Hell of a Storm* Brown brings history to life in a way that resonates with the events of present Through chapters on Lincoln Emerson Stowe Thoreau and Tubman along with a cast of presidents poets abolitionists and black emigrationists Brown weaves a political cultural and literary history that chronicles the Republican party's creation and rise the collapse of antebellum compromises and the coming of the Civil War all topics that mirror current discussions about polarization in our nation today By illuminating the personalities and the platforms the writings and ideas that upended an older America and made space for its successor *A Hell of a Storm* reminds us that American history is always being made and it can be both dynamic and dangerous both then and now

Eventually, you will agreed discover a new experience and endowment by spending more cash. yet when? attain you consent that you require to acquire those every needs as soon as having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more vis--vis the globe, experience, some places, taking into account history, amusement, and a lot more?

Origins Of The Republican Party 1852 1856 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Origins Of The Republican Party 1852 1856 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Origins Of The Republican Party 1852 1856 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Origins Of The Republican Party 1852 1856 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Origins Of The Republican Party 1852 1856 Books

1. Where can I buy Origins Of The Republican Party 1852 1856 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Origins Of The Republican Party 1852 1856 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
