Power And Peace In Prayer:

Power and Peace in Prayer R. A. Torrey, 2017-10-21 With startling and overwhelming force the tremendous importance of prayer is set forth in Ephesians 6 18 Praying always with all prayer and supplication in the Spirit and watching thereunto with all perseverance and supplication for all saints When we stop to weigh the meaning of these words then note the connection in which they are found the intelligent child of God is driven to say I must pray pray pray I must put all my energy and all my heart into prayer Whatever else I do I must pray The Revised Version is if possible stronger than the Authorized With all prayer and supplication praying at all seasons in the Spirit and watching thereunto in all perseverance and supplication for all the saints Note the alls with all prayer at all seasons in all perseverance for all the saints Note the piling up of strong words prayer supplication perseverance Note once more the strong expression watching thereunto more literally being sleepless thereunto Paul realized the natural slothfulness of man and especially his natural slothfulness in prayer How seldom we pray things through How often the church and the individual get right up to the verge of a great blessing in prayer and just then let go get drowsy and quit I wish that these words being sleepless unto prayer might burn into our hearts I wish the whole verse might burn into our hearts But why is this constant persistent sleepless overcoming prayer so needful

The Power of Prayer Wright L. Lassiter, 2005 Illustrated by Eddie Walker It is my prayer that each reader will find the principles mechanics and examples of my teaching prayers the preached words and the prayer examples to be instructive and helpful as we all seek to find peace with God through prayer In this relatively short treatise the reader is reminded that prayer must become as natural as breathing It is such prayer that men defeat spiritual forces arrayed against them that no human means can overcome The reader is reminded that prayer is one of the most vital subjects in the Scripture and it receives extensive mention in both Old and New Testaments Prayer expresses a rightful understanding of the one true God and who He is Prayer also expresses our special relationship to Him and our total dependence upon Him Scripture teaches so extensively on the subject of prayer that one could spend lifetime examining its many revelations Therefore any study of prayer is apt to be incomplete because the subject is so vast That being said this written offering is far from complete it is designed to function in the same manner as one of my earliest books in school a little primer for the average Christian
