**The Power of the Pride** Ian Thomas,1992      The Power and the Pride Robert Vaughan,1976      **The Power of the Pride** Carole Marks,1999-08-26      *The Path: Breaking the Chains of Resentment: The Power of Forgiveness in the Church* Sharon L. Cooper-Jones,2024-01-15 Preface Welcome to Chapter 1 The Power of Forgiveness Within these pages we embark on a profound exploration into the dynamics of forgiveness and its transformative potential within the church community This chapter serves as a gateway to understanding a critical aspect of spiritual growth and unity the impact of resentment and the essential journey toward embracing forgiveness Resentment a formidable emotion has the potential to cast shadows within the sacred walls of a church Its insidious presence can sow divisions impede spiritual development and obstruct the very essence of forgiveness As we delve into this sub chapter our focus is on comprehending Understanding Resentment in the Church By unraveling the layers of resentment and acknowledging its detrimental effects we aim to pave the way for the restoration of love compassion and unity within the church Resentment often arises from a myriad of sources unmet expectations perceived injustices or unresolved conflicts These emotions can be rooted in disagreements over leadership differences in theological interpretations or personal grievances among members Left unaddressed resentment becomes a corrosive force eroding the foundations of trust and unity that are vital for a thriving church community As we navigate the intricate web of resentment we confront the consequences it imposes on the church The erosion of trust breakdown in communication and the emergence of gossip create an environment that is antithetical to the teachings of grace love and forgiveness In understanding the root causes and consequences of resentment we lay the groundwork for breaking free from its chains and unlocking the true power of forgiveness This chapter invites you to reflect on the transformative journey from resentment to forgiveness a journey that holds the promise of renewed unity spiritual growth and a flourishing church community May these pages serve as a guide on the path towards embracing forgiveness unlocking the profound power it holds within the sacred spaces of the church      **Components of emotional meaning** Johnny J. R. Fontaine,Klaus R. Scherer,Cristina Soriano,2013-08-01 Publications on emotion and the affective sciences in general have exploded in the last decade Numerous research teams and individual scholars from many different disciplines have published research papers or books about many different aspects of emotions and their role in behaviour and society However One aspect of emotional research that has been somewhat neglected is the way in which emotional terms translate into other languages When using terms like anger sadness fear disgust and joy for so called basic emotions as well as terms like shame guilt pride regret and contempt for more complex emotions it is naturally assumed that the emotion terms used for research in the native language of the researchers and translated into English are completely equivalent in meaning However this is not generally the case In many cases there is no direct one to one relationship between an English term and a term in an alternative language In fact there can be significant differences in the way that these seemingly similar emotional terms can be applied across various

languages with important implications for how we review and appraise this work This book presents an extensive cross cultural and cross linguistic review of the meaning of emotion words adopting a novel methodological approach Based on the Component Process Model the authors developed a new instrument to assess the meaning of emotion terms This instrument the GRID questionnaire consists of a grid of 24 emotion terms spanning the emotion domain and 142 emotion features that operationalize five emotion components Appraisals Bodily reactions Expressions Action tendencies and Feelings For the operationalization of these five emotion components very different emotion models from the Western and the cultural comparative emotion literature were taken into account Components of Emotional Meaning includes contributions from psychological cultural comparative and linguistic perspectives demonstrating how this new instrument can be used to empirically study very different research questions on the meaning of emotion terms The implications of the results for major theoretical debates on emotion are also discussed For all researchers in the affective sciences this book is an important new reference work

**Prayer and Power** Michael C. Schoenfeldt, 1991-08-13 Michael C Schoenfeldt here offers the first major exploration of the connections between George Herbert s devotional poetry and the social practices and political discourse of his day Viewing The Temple and The Country Parson as part of the larger civilizing process of Western Europe Schoenfeldt shows how Herbert discovers in the discourses of courtesy and theology a common vocabulary of authority selfhood petition and discipline Before entering the priesthood Herbert nourished contacts in court was elected University Orator at Cambridge and served in Parliament In turning to God Schoenfeldt argues Herbert did not simply turn away from the secular world but also turned its language particularly the language of courtesy into the medium for his lyric worship of God The confluence of courtesy and spirituality in Herbert s poetry provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change The first five chapters investigate the manifold ways in which Herbert s life and works exemplify the interdependence of social and religious behavior in the English Renaissance The sixth and final chapter extends this investigation into the nervous eroticism of Herbert s poems Considering The Temple as well as Herbert s letters speeches Latin poems collections of foreign proverbs translations The Country Parson and less familiar lyrics Schoenfeldt offers a thorough and detailed reading of Herbert s rich and conflicted corpus Prayer and Power is not only a bold redefinition of the accomplishment of one of the finest poets of the English Renaissance but also the first sustained study to advance a cultural poetics of the religious lyric

**Deification in Classical Greek Philosophy and the Bible** James Bernard Murphy, 2024-06-27 The goal of human life according to Plato Aristotle and the Bible is to become as much like god as possible This book written in vivid and lucid English illuminates Greek philosophy by showing how it grows out of ancient Greek religion and how it compares to biblical religion

**Lust for Power** Joseph Haroutunian, 2011-06-27 This book is a study of the misuse of power which has become the chief social problem of our time The usual attitude towards will to power is that it is a source of evil and should be held in check as much

as possible There is also the contrary attitude that will to power is a natural impulse that is indispensable for a good life Our judgment in this matter depends upon whether it is we who seek power or someone else There is a natural love of power for a good end There is also an unnatural lust for power that makes the exercise of power an end in itself This lust is the corruption of love by a radical distemper in the human soul It cannot be explained in terms of the quest for security freedom prosperity or any other rational good It is not caused either by biological traits or by any particular environment It is generated by man's despair with his destiny by the power of death and the anxious guilt that prevail in human existence Lust for Power is primarily a description of the process by which love of power is changed into lust for power with special emphasis on the new power available in our technological society and upon the despair evoked by the modern world In the last chapter faith and culture are presented as the double antidote to lust and as the conditions of a life at once natural and good

*The Teachings of Modern Protestantism on Law, Politics, and Human Nature* John Witte (Jr.), John Witte, Frank S. Alexander, 2007 The Teachings of Modern Protestantism on Law Politics and Human Nature examines how modern Protestant thinkers have answered the most pressing political legal and ethical questions of our time It discusses the enduring teachings of important Protestant intellectuals of the late nineteenth and twentieth centuries Leading contemporary scholars analyze these thinkers' views on the nature and purpose of law and authority the limits of rule and obedience the care of the needy and innocent the ethics of war and violence and the separation of church and state among other themes A diverse and powerful portrait of Protestant legal and political thought this volume underscores the various ways Protestant intellectuals have shaped modern debates over the family the state religion and society The book focuses on the work of Abraham Kuyper 1827-1920 Susan B. Anthony 1820-1906 Karl Barth 1886-1968 Dietrich Bonhoeffer 1906-1945 Reinhold Niebuhr 1892-1971 Martin Luther King Jr. 1929-1968 William Stringfellow 1928-1985 and John Howard Yoder 1927-1997

On Evil Thomas Aquinas, 2003-03-20 The De Malo represents some of Aquinas' most mature thinking on goodness badness and human agency In it he examines the full range of questions associated with evil its origin its nature its relation to good and its compatibility with the existence of an omnipotent benevolent God This edition offers Richard Regan's new clear readable English translation based on the Leonine Commission's authoritative edition of the Latin text Brian Davies has provided an extensive introduction and notes Please note this edition does not include the Latin text

*Poppies, Politics, and Power* James Tharin Bradford, 2019-06-15 Historians have long neglected Afghanistan's broader history when portraying the opium industry But in *Poppies Politics and Power* James Tharin Bradford rebalances the discourse showing that it is not the past forty years of lawlessness that makes the opium industry what it is but the sheer breadth of the twentieth century Afghanistan experience Rather than byproducts of a failed contemporary system argues Bradford drugs especially opium were critical components in the formation and failure of the Afghan state In this history of drugs and drug control in Afghanistan Bradford shows us how the country moved from licit supply of the global opium trade to one of the major

suppliers of hashish and opium through changes in drug control policy shaped largely by the outside force of the United States Poppies Politics and Power breaks the conventional modes of national histories that fail to fully encapsulate the global nature of the drug trade By providing a global history of opium within the borders of Afghanistan Bradford demonstrates that the country s drug trade and the government s position on that trade were shaped by the global illegal market and international efforts to suppress it By weaving together this global history of the drug trade and drug policy with the formation of the Afghan state and issues within Afghan political culture Bradford completely recasts the current Afghan and global drug trade

**The Stones of Venice ...: The fall** John Ruskin,1885 Srimad Bhagavad Gita Swami Swarupananda,2016-05-16 This book published by Advaita Ashrama a publication house of Ramakrishna Math Belur Math India is best suited for those who want to study Gita for the first time It contains the original text in Devanagari and word for word English rendering followed by a running translation and notes based on Shankara s commentary The clear and modern language of this translation conveys the inner meaning of India s timeless and practical scripture while enabling easy comprehension even for the beginners *The Power of the Word* J A Russel,2014-11-10 When we hear a second hand account of an event or a conversation its true content can be distorted When we read a biography we gain an insight into rather than a full impression of a persons life In the Gospels Jesus as if gives us His autobiography speaking in the first person saying I Am giving His own testimony His true account Scripture tells us that In Him all the fullness of God was pleased to dwell this book looks at some of the ways in which Jesus fearlessly describes Himself giving His followers confidence to call upon Him for when we seek so shall we find

**Visions of Power in Cuba** Lillian Guerra, 2012-10-15 In the tumultuous first decade of the Cuban Revolution Fidel Castro and other leaders saturated the media with altruistic images of themselves in a campaign to win the hearts of Cuba's six million citizens In Visions of Power in Cuba Lillian Guerra argues that these visual representations explained rapidly occurring events and encouraged radical change and mutual self sacrifice Mass rallies and labor mobilizations of

unprecedented scale produced tangible evidence of what Fidel Castro called unanimous support for a revolution whose moral power defied U S control Yet participation in state orchestrated spectacles quickly became a requirement for political inclusion in a new Cuba that policed most forms of dissent Devoted revolutionaries who resisted disastrous economic policies exposed post 1959 racism and challenged gender norms set by Cuba s one party state increasingly found themselves marginalized silenced or jailed Using previously unexplored sources Guerra focuses on the lived experiences of citizens including peasants intellectuals former prostitutes black activists and filmmakers as they struggled to author their own scripts of revolution by resisting repression defying state imposed boundaries and working for anti imperial redemption in a truly free Cuba
