**The Power of Change** Marcy (Weber) Ninomiya, 2022-03-17 Because my health continued to decline I started bargaining with God I was not going to die I would do whatever God s plan was for me if He spared my life In my mind I was going to become a nurse and go to Asia Yes I was going to get better and go to Asia as a nurse In The Power of Change A Mennonite Girl s Footprints in Asia Marcy Ninomiya tells her cross cultural life story of growing up in a small Mennonite village in Ontario Canada and then living in Asia for more than fifty years first nursing at a Christian run hospital in Vietnam during the war where she met her future husband Akiie to becoming overseas personnel for humanity development in Japan and Thailand as well as working with persons with disabilities in Japan Thailand and Myanmar where a unique baking project became the birth of Marcy s Cookies With candor warmth and a touch of humour Marcy humbly shares firsthand accounts of what life was like in the places she

served and travelled the events she was impacted by such as the long and costly Vietnam War devastating Kobe earthquake and a tsunami and flooding in Thailand the inspiring people she met along the way and her unwavering faith in God and His guidance through it all *The Living Church*, 1946 **Charismatic Leadership and Missional Change** Craig S.

Hendrickson, 2020-03-16 Too often the solution sought by many struggling churches is to make the homerun hire to find the charismatic leader who will take them to the promised land of growth and vibrant ministry While this strategy occasionally pays off it has overwhelmingly failed as seen in the hundreds of churches across the United States that close their doors annually Is it possible that there is another way forward for those seeking to lead local congregations into missionally vibrant ministry especially those located in multiethnic urban areas In *Charismatic Leadership and Missional Change* one church's journey from a struggling primarily Anglo congregation of less than 100 members to becoming a missionally vibrant multiethnic church of more than 700 attendees with no clear ethnic majority documented The charismatic leadership style that drove this change is discussed and critiqued as well as the adaptive challenges that have arisen in the church because of it An alternative approach interpretive leadership is proposed as a different pathway forward in response to these challenges The result the author suggests will be to empower the diverse everyday people of God to participate in God's mission in exciting and surprising new ways **Small Group Dynamics for Dynamic Group Leaders** Billie Davis, 2018-07-31 Most

work in the field of Christian leadership has focused on the leader and techniques of management and control Effective Christian leadership begins with the focus on people and God's purpose for them With the model of Jesus and His disciples as her starting point Billie Davis has provided a tool for developing a small group ministry in which members strengths and gifts are used to help one another in the biblical sense of Body Applying an age level and intercultural approach Davis examines the structure of groups how the group influences learning and spiritual development and the roles people take within groups Each chapter has self directed learning exercises and a bibliography of current resources to enhance the reader's experience
