Robert Higgs

Power Game How Washington Works:

Power Game Hedrick Smith, 1996-09-29 Pulitzer Prize winner Hedrick Smith goes inside America's power center in Washington DC to reveal how the game of governing was played in the 1980s **The Power Game** Hedrick Smith, 1987

The Power Game Hedrick Smith, 1989 *Power Game* Hedrick Smith, 2012-11-07 Washington D C The one city that affects all our lives The one city where the game has only one name Power Hedrick Smith the Pulitzer Prize winning ex Washington bureau chief of The New York Times takes us inside the beltway to show who wields the most power and for what ends The Power Game explains how some members of Congress have built personal fortunes on PAC money how Michael Deaver was just the tip of the influence peddling iceberg how dissidents in the Pentagon work to keep the generals honest how insiders and leakers use the Times and The Washington Post and their personal bulletin boards Congressional staffers more powerful than their bosses media advisors more powerful than the media money that not only talks but intimidates and threatens That's Washington That's The Power Game Praise for Power Game The Power Game may be the most sweeping and in many ways the most impressive portrait of the culture of the federal government to appear in a single work in many decades Knowledgeable and informative The New York Times Book Review There are oodles of good yarns in this book about the nature of power and the eccentricities that accompany it Delightfully fresh Hedrick Smith is a superb writer The Washington Post Not only the inside stuff but the insightful stuff an original view of the power playing William Safire Simulations and the Future of Learning Clark Aldrich, 2003-10-27 Simulations and the Future of Learning offers trainers and educators the information and perspective they need to understand design build and deploy computer simulations for this generation Looking back on his recent first hand experience as lead designer for an advanced leadership development simulation author Clark Aldrich has created a detailed case study of the creation and deployment of an e learning simulation that had the development cycle of a modern computer game With this book Aldrich a leader in the e learning field has created an intriguing roadmap for the future of learning while taking us along on an entertaining rollercoaster ride of trial and error success and failure Simulations and the Future of Learning outlines the design principles and critical decisions around any simulation's components the interface the physics and animation systems the artificial intelligence and sets and figures Using this accessible resource readers will learn how to create and evaluate successful simulations that have the following characteristics authentic and relevant scenarios applied pressure situations that tap user's emotion and force them to act a sense of unrestricted options and replayability *Congress* Stephen E. Frantzich, Claude G. Berube, 2010 Congress Games and Strategies fourth edition is an up to date look at the 21st century Congress from the perspective of a professional political scientist and congressional staff member turned academic As such it provides both academic and real world insights into the unique and often impenetrable world of our national legislature Using the most recent academic literature as well as quotes from current members of Congress it seeks to explore the overlap between

theory and reality The book uses a game analogy as an organizing theme and as a toolbox recognizing that much of Congress activity is understood by analyzing the players the rules under which they work the strategies they employ and the pattern of winning and losing that result Updated through the 2008 election the book includes a host of features intended to enhance comprehension including boxes that allow students to hear what congressmen and congresswomen themselves say about the institution

Laws, Men and Machines (Routledge Revivals) Michael Foley, 2014-02-04 First published in 1990 *Laws Men and Machines* is an original interpretation of the lasting influence that Newtonian mechanics has had on the design and operation of the American political system The author argues that it is this mechanistic tradition that now instinctively shapes the way we conceive of analyse and evaluate American politics and that the Newtonian conception of the world still finds expression in the checks and balances of the American system

Distorting Defense Stephen P. Aubin, 1998-11-30 Using journalists own standards as the measure an exhaustive analysis of nearly 3000 network news reports from the Reagan Bush and Clinton administrations reveals that the networks may do more to misinform than inform on a whole range of complex issues related to national defense This study paints a disturbing picture of the inadequate coverage ABC World News Tonight CBS Evening News and NBC Nightly News provide to millions of viewers each night Aubin concludes that network coverage of defense issues was too often tainted by preconceived attitudes and lapses in journalistic standards While as much as twenty five cents of every dollar went to the defense budget during some of the periods reviewed the networks hardly covered the key issues surrounding the Reagan defense buildup or the dramatic cuts that followed the end of the Cold War In addition to their inadequate coverage the networks also deprived Americans of balanced coverage of the investments made in high tech weapons that ultimately prevailed in the Gulf War Though the networks receive good marks for foreign policy coverage they need to improve the quality of defense reports This book provides them with the lessons and prescriptions for doing so and it serves as a primer for all Americans who want to know just what it was that the networks failed to tell them

The U.S. Army War College Guide to National Security Issues, 2010 *The New American Political System* Anthony King, 1990 Everything is new in this second version of AEI s all time bestseller which brings coverage of the vital trends in American political life up to the present

Mismanaging America Walter Williams, 1990 Is the federal government inept Walter Williams says yes Thanks to Ronald Reagan s ill conceived cutbacks reliable policy advice is no longer available to the president The result has been the S L bailout the HUD scandal mismanagement on an unprecedented scale

Policy Expertise in Contemporary Democracies Stephen Brooks, Dorota Stasiak, 2016-04-22 In the world of Wikipedia blogging and citizen journalism where huge masses of information and the capability to disseminate opinions thoughts and ideas is available at the click of a mouse what is the role and impact of political experts The contributors to this insightful and original volume argue that across the western world in general the political expert occupies as important a role today as at any time in the past The ubiquity of information and the fact that the experts and the organizations to which

they are affiliated may be viewed as having an ideological agenda has not diminished their role influence or status Governments and the media still rely on them for information and advice whilst organizations in civil society need them in order to provide the evidence arguments and policy recommendations that are essential to having a voice in the public conversation By examining how these policy experts and their think tanks continue to exert influence across a range of modern western democracies a better understanding of the role of policy expertise and an examination of how it may develop and evolve throughout the rest of the world is reached

After the Cold War Arthur I. Cyr,2000-08 The end of the Cold War provides challenges and opportunities for American foreign policy leadership that arguably have been equalled in modern times only by the period in which the Cold War began

The Reagan Effect John W. Sloan,1999 Now that Reagan s achievements and failures have become more obvious it is time for a new nonpartisan appraisal of his leadership and its impact on the nation That is precisely what John Sloan delivers Sloan focuses especially on the questions raised in the highly polemical debates between conservatives and liberals concerning Reagan s economic policies He gives equal time to both sides showing how liberals were wrong in their predictions of gloom while conservatives continue to grant Reagan more credit and status than he deserves

Fight House Tevi Troy,2020-02-11 Fight House looks juicy as all hell National Review Troy seamlessly weaves West Wing gossip with significant moments in modern history Jewish Insider THE WHITE HOUSE HAS ALWAYS BEEN A FIGHT HOUSE President Trump s White House is famously tumultuous But as presidential historian and former White House staffer Tevi Troy reminds us bitter rivalries inside the White House are nothing new From the presidencies of Harry S Truman when the modern White House staff took shape to Donald Trump the White House has been filled with ambitious people playing for the highest stakes and bearing bitter grudges In Fight House you ll discover The advisor to President Harry Truman that General George Marshall refused to acknowledge How the supposed Camelot Kennedy White House was rife with conflict How Dr Henry Kissinger displaced other national security advisors to gain President Richard Nixon s ear Why President Jimmy Carter s personal pettiness and obsession with detail led to a dysfunctional White House and played a role in his losing the 1980 election How the contrasting management styles of President Ronald Reagan and First Lady Nancy Reagan led to some epic White House staff clashes Why the No Drama Obama White House was anything but no drama Insightful entertaining and important Tevi Troy s Fight House will delight and instruct anyone interested in American politics and presidential history

The Outfit Gus Russo,2008-12-02 This is the story of the Outfit the secretive organized crime cartel that began its reign in prohibition era Chicago before becoming the real puppet master of Hollywood Las Vegas and Washington D C The Outfit recounts the adventures and exploits of its bosses Tony Joe Batters Accardo the real Godfather Murray The Camel or Curly Humphreys one of the greatest political fixers and union organizers this country has ever known Paul The Waiter Ricca and Johnny Rosselli the liaison between the shadowy world and the outside world Their invisibility was their strength and what kept their leader from ever spending a single night

in jail The Outfit bosses were the epitome of style and grace moving effortlessly among national political figures and Hollywood studio heads until their world started to crumble in the 1970s With extensive research including recently released FBI files the Chicago Crime files of entertainer Steve Allen first ever access to the voluminous working papers of the Kefauver Committee original interviews with the members of the Fourth Estate who pursued the Outfit for forty years and exclusive access to the journals of Humphrey s widow veteran journalist Gus Russo uncovers sixty years of corruption and influence and examines the shadow history of the United States *Depression, War, and Cold War* Robert Higgs,2006-06-22 Other books exist that warn of the dangers of empire and war However few if any of these books do so from a scholarly informed economic standpoint In *Depression War and Cold War* Robert Higgs a highly regarded economic historian makes pointed fresh economic arguments against war showing links between government policies and the economy in a clear accessible way He boldly questions for instance the widely accepted idea that World War II was the chief reason the Depression era economy recovered The book as a whole covers American economic history from the Great Depression through the Cold War Part I centers on the Depression and World War II It addresses the impact of government policies on the private sector the effects of wartime procurement policies on the economy and the economic consequences of the transition to a peacetime economy after the victorious end of the war Part II focuses on the Cold War particularly on the links between Congress and defense procurement the level of profits made by defense contractors and the role of public opinion andnt ideological rhetoric in the maintenance of defense expenditures over time This new book extends and refines ideas of the earlier book with new interpretations evidence and statistical analysis This book will reach a similar audience of students researchers and educated lay people in political economy and economic history in particular and in the social sciences in general *The Post-Heroic Presidency* Michael A. Genovese,Todd L. Belt,2016-06-13 This book examines how presidents from Nixon to Obama have faced the challenges of global leadership in a dramatically changing world one with more limited resources and an increasing number of threatening challengers The immediate post World War II era was undeniably a period of American power and influence Even during the Cold War the United States was the leader of the West exerting wide ranging power internationally But beginning with the Vietnam War America began experiencing a series of setbacks and challenges to its power The Post Heroic Presidency *Leveraged Leadership in an Age of Limits* examines how U S presidents have attempted to reverse or contend with this new era of limited power in which presidential leadership is hamstrung due to an increasingly globalized and interdependent world one where power is more diffuse and the system of checks and balances bind a president in an age of hyper partisanship The book examines presidents of the 20th and 21st centuries explaining how the first U S president to confront this new age was Richard Nixon who along with Henry Kissinger developed a sophisticated approach to deal with the recalibration of American power It documents how other recent presidents have either tried to make peace with limited power Jimmy Carter reverse the decline Ronald Reagan ignore the

implications of limits George W Bush or find ways to lead that were less ambitious more prudent and less unilateral George H W Bush Bill Clinton and Barack Obama In the cases of Clinton and Obama this shift to using soft power persuasion and multilateralism earned them criticism that they are weak thereby undermining their efforts to lead both at home and abroad

Managing Contracted Services in the Nonprofit Agency Susan R. Bernstein, 1991-05-30 Interviews with nonprofit agency managers illuminate how welfare state mechanisms work in practice and in the tangled nature of bureaucracies

The Politics of Pork Scott A. Frisch, 2013-01-11 First Published in 1999 This study develops a new way of studying pork barrel politics based on congressional behavior in the 1980s and 1990s

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Power Game How Washington Works**

In a world inundated with displays and the cacophony of instantaneous connection, the profound energy and emotional resonance of verbal art usually fade in to obscurity, eclipsed by the constant onslaught of sound and distractions. However, set within the musical pages of **Power Game How Washington Works**, a interesting work of fictional elegance that impulses with raw feelings, lies an unique trip waiting to be embarked upon. Written by a virtuoso wordsmith, this enchanting opus courses visitors on a mental odyssey, softly exposing the latent potential and profound affect stuck within the complicated web of language. Within the heart-wrenching expanse with this evocative evaluation, we shall embark upon an introspective exploration of the book is main subjects, dissect its fascinating publishing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
