**Pandemic Play** Carolyn Ownbey, Catherine Quirk, 2024-05-20. As the global pandemic and its consequences continue to play out, the question of how we have learned as creators or consumers to play is far from settled. This collection addresses pandemic play in broad terms: how did creative industries adapt to a majority virtual world? How have our understandings of community and play evolved? Might new forms of art and play outlive the pandemic and supplant earlier iterations? *Pandemic Play* takes these questions as a starting point, exploring
