Power Preaching For Church Growth:

Power Preaching for Church Growth David Eby, 1996 What does God really bless in church growth how can we redevelop the role of preaching so that it is central to evangelism and still be effective **Spiritual Power and Church Growth** C. Peter Wagner, 1986 **Church Growth and the Power of Evangelism** Howard Hanchey, 1990 The Great Commission Resurgence Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention's Great Commission Resurgence initiative *Practical Wisdom for Pastors* Curtis C. Biles, Paige Patterson, Jason G. Duesing, 2017-11-01 Pastoral Ministry brings together the mandate of God the needs of the sheep and the model of the good Shepherd to uniquely inspire and equip you to fulfill your ministry as a shepherd Preaching Christ in a Postmodern Culture K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy **Reformed Preaching**

Joel Beeke, 2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today *The New Guidebook for Pastors* James W. Bryant, Mac Brunson, 2007-06-01 Church leaders young and old will find professional advice and inspirations worth revisiting time and again throughout their ministry career in *The New Guidebook for Pastors* **Preaching with Passion** Alex D. Montoya, 2000 Foreword by John MacArthur An interactive guide to passionate preaching through spiritual power conviction compassion authority urgency brokenness your whole being and imagination [The John MacArthur Handbook of Effective Biblical Leadership](#) John MacArthur, 2019-04-02 An overseer must be above reproach 1 Timothy 3:2 Scripture holds leaders and teachers of the Word to an incredibly high standard And for good reason Shepherding God's people into salvation and spiritual growth is an enormous responsibility Even more now than ever today's church needs leaders who faithfully proclaim the Word of God and equip believers to live it out But great leaders need great role models Bestselling author John MacArthur has compiled from the internationally renowned Shepherd's Conference the best ever messages for Christian leaders now available in a single volume Alongside MacArthur's candid instructive writings you'll find the works of other proven ministry leaders including John Piper Steven Lawson RC Sproul Ligon Duncan and Al Mohler Whether you're a pastor elder or leader in your church or you desire to be more effective in your spiritual leadership this book will help you learn how to guide others with integrity and conviction deliver God's Word with passion and power accurately interpret and apply God's Word When you accept the challenge to be a leader who follows God's standard both in ministry and personally you will become better equipped to fulfill your calling to lead with excellence *The Growing Church* Cleland Boyd McAfee, 1903

Supernatural Forces in Spiritual Warfare C. Peter Wagner, 2012-10-16 Spiritual warfare victory A biblical and theological rationale with practical tools for advancing God's Kingdom *Supernatural Forces in Spiritual Warfare* Wrestling with Dark Angels is a compilation of keynote speaker presentations in an important symposium that was a public legitimizing of academic pursuits in fields related to the supernatural power of God both for local church ministries and for world evangelization Topics include Power Evangelism Definitions and Directions by John Wimber We Are at War by Ed Murphy Deception Satan's Chief Tactic by Timothy M Warner Pentecostal Charismatic Understanding of Exorcism by L Grant McClurig Jr Sickness and Suffering in the New Testament by Peter H Davids In Dark Dungeons of Collective Captivity by F Douglas Pennoyer In addition to these scholars well known pastor ministry leader and teacher Dr C Peter Wagner examines

the role spiritual warfare played in Christ's ministry and applies it to today's battles. You don't have to be afraid of spiritual warfare; you have God's supernatural forces on your side every day in every way. *Charismatic and Expository Preaching* Lewis D. Mathis, 2022-05-11. The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches. To solidify charismatic and expository preaching, it is necessary to explore the hermeneutical, exegetical, and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry. Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit, which most expository preachers and scholars view as an incorrect interpretation. This study seeks to answer these problems in the quest of unifying both preaching methods.

The Perfect Pastor? D. Thomas Owsley, 2007-09. More than just a wonderful story, this book equips laypeople with the insights to relate to and support their pastor while providing pastors with a solid understanding for how to address the various expectations of church members. *Ministry Pastoral Resources*

Holy Ground L. Charles Jackson, 2024-02-21. Jesus did not say take and think; He said take and eat. This is embodied worship. It includes gestures, rites, kneeling, raising hands, and of course eating and drinking a holy meal with God. These activities are liturgies. Liturgy is the physical embodied activity of worship; it's what we do in worship. Everyone has a liturgy. As such, worship is the church's primary means of discipleship. Instead of fearing to kneel because it's Roman Catholic or fearing to raise your hands because it's Pentecostal, perhaps we should simply see what God recommends in the Scriptures, then without fear and by faith at the appropriate time start kneeling, raising our hands, and eating a covenant meal with God on a weekly basis. The hope is to replace a fear-driven approach to worship with a faith-driven embodied worship that offers deep, robust, and beautiful worship experiences combined with the hope of great blessings. In doing so, we hope for nothing less than a new reformation, a reformation in worship.
