Prosperity Gospel Latinos and Their American Dream Tony Tian-Ren Lin, 2020-07-21 In this immersive ethnography Tony Tian Ren Lin explores the reasons that Latin American immigrants across the United States are increasingly drawn to Prosperity Gospel Pentecostalism a strand of Protestantism gaining popularity around the world Lin contends that Latinos embrace Prosperity Gospel which teaches that believers may achieve both divine salvation and worldly success because it helps them account for the contradictions of their lives as immigrants Weaving together his informants firsthand accounts of their religious experiences and everyday lives Lin offers poignant insight into how they see their faith transforming them both as individuals and as communities The theology fuses salvation with material goods so that as these immigrants pursue spiritual rewards they are also perhaps paradoxically striving for the American dream But after all Lin observes prosperity is the gospel of the American dream In this way while becoming better Prosperity Gospel Pentecostals they are also adopting traditional white American norms Yet this is not a story of smooth assimilation as most of these immigrants must deal with the immensity of the broader cultural and political resistance to their actually becoming Americans Rather Prosperity Gospel Pentecostalism gives Latinos the logic and understanding of themselves as those who belong in this country yet remain perpetual outsiders Language and Literacy in Social Practice Open University, 1993 Compiled for use in the Open University MA course E825 The 15 articles sample the ideas over the past decade on the importance of social factors in language and literacy development They include theoretical and ethnographic accounts cross cultural and historical perspectives and explorations of the political aspects and the discourses within which language and literacy are discussed Annotation copyright by Book News Inc Portland OR The Life Recovery Bible for Teens NLT, Personal Size ,2013-07 The twelve steps used in the twelve steps devotional reading plan in this Bible have been adapted from the twelve steps of Alcoholics Anonymous The Sunday-school Times ,1887 *Internet Children's Television Series, 1997-2015* Vincent Terrace, 2016-08-22 Created around the world and available only on the web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fifth in a series focusing on the largely undocumented world of internet TV this book covers 573 children s series created for viewers 3 to 14 The genre includes a broad range of cartoons CGI live action comedies and puppetry Alphabetical entries provide websites dates casts credits episode lists and storylines **The Day I Met Nano** Marian Olivia Heath Griffin, 2019-11-07 This book is about the relationship between a mother in law and daughter in law who became proxy mother and daughter They were able to communicate across the miles and became very committed to each
