**Naval Powers in the Indian Ocean and the Western Pacific** Howard M. Hensel,Amit Gupta,2018-05-11 A vital component of the interdependent global economy maritime transit routes are nowhere more critical than those traversing the Indian Ocean and the Western Pacific Previously areas of the Indian Ocean and Western Pacific have been viewed as separate and discrete political economic and military regions In recent years however a variety of economic political and military forces have created a new understanding of these maritime expanses as one zone of global interaction This book complements the material presented in its companion volume Maritime Security in the Indian Ocean and the Western Pacific by analysing the perceptions interests objectives maritime capabilities and policies of the major maritime powers operating in the Indian Ocean and the Western Pacific In addition the book also assesses the contemporary maritime challenges and opportunities that confront the global community within what is rapidly becoming recognised as an integrated zone of global interaction A valuable study for researchers and policymakers working in the fields of maritime security military security and peace studies conflict resolution and Asian affairs

*New South African Review* 5 Gilbert M Khadiagala,Devan Pillay,Roger Southall,Prishani Naidoo,2015-11-01 A series of essays explaining the impact of the events at Marikana upon the South African perspective of police and the keeping of order This fifth volume in the New South African Review series takes as its starting point the shock wave emanating from the events at Marikana on 16 August 2012 and how it has reverberated throughout politics and society Some of the chapters in the volume refer directly to Marikana In others the influence of that fateful day is pervasive if not direct Marikana has for instance made us look differently at the police and at how order is imposed on society Monique Marks and David Bruce write that the massacre has come to hold a central place in the analysis of policing and broader political events since 2012 The chapters highlight a range of current concerns political economic and social David Dickinson s chapter looks at the life of the poor in a township from within In contrast the chapter on foreign policy by Garth le Pere analyses South Africa s approach to international relations in the Mandela Mbeki and Zuma eras Anthony Turton s account When gold mining ends is a chilling forecast of an impending environmental catastrophe Both Devan Pillay and Noor Nieftagodien focus attention on the left and in different ways ascribe its rise to a

new politics in the wake of Marikana The essays in NSAR 5 Beyond Marikana present a range of topics and perspectives of interest to general readers but the book will also be a useful work of reference for students and researchers **Foreign**

**Policy Posture in Post-Apartheid South Africa** Bhekithemba R. Mngomezulu, 2019-11-11 Foreign policy and domestic policy feed into each other To a large degree the latter informs the former This book demonstrates the relationship between the two paying particularly close attention to how South Africa envisioned its foreign policy during the negotiation process Importantly it spells out how South Africa's foreign policy has evolved since the early 1990s The critics of South Africa's foreign policy often question the motives behind the country's involvement in African and global affairs The contributions here demonstrate the complex nature of foreign policy making approaching the subject both from a broad theoretical perspective and specifically through empirical case studies The book will appeal to political scientists historians policy practitioners international relations specialists and government officials and their advisors as well as international relations theorists *International Relations* Stephanie Lawson, 2023-05-09 International relations emerged as a distinct academic discipline in the early twentieth century but its philosophic foundations draw on centuries of thinking about human nature power and authority justice and injustice the idea of sovereignty and the implications for relations within and between political communities The historic sources of these ideas appear to draw largely on European or Western experiences but as this book shows influences have emanated from much further afield while contemporary thought is becoming more open to insights from non Western sources In this fully updated and expanded fourth edition of her popular text Stephanie Lawson retains a broad world historical and contextual approach to the central themes and theoretical perspectives in IR while also addressing the most pressing issues facing the world today Topics covered include the emergence of states and empires theories ranging from classical realism and liberalism to postcolonial and green theory twentieth century international history security and insecurity global governance and world order international political economy and the prospects for a post international world in an era that has seen both deepening globalization and accompanying challenges to the sovereign state as well as the reassertion of nationalist ideas around the world With a range of additional pedagogical features to assist learning and class discussion this lively and accessible text is an ideal primer for beginner and intermediate students alike

**The Horn Engaging the Gulf** Aleksí Ylönen, 2023-12-28 This book discusses theoretical perspectives of analyzing the relations between the states and non state actors in the Horn of Africa and their counterparts in the Persian Gulf and the Middle East Crucially these relations are examined primarily from the perspective of the diplomatic economic and strategic agency of the African states and societal actors Here domestic political dynamics and local power play a significant role Aleksí Ylönen provides a historically informed investigation of recent relations that involve the Gulf States and Türkiye's resurgent interest in the Horn Africa The analysis focuses on the post Arab Spring period following the Iran nuclear deal and the war in Yemen Featuring case studies from Ethiopia Somalia and Eritrea which highlight engagements of the Horn state

and societal actors primarily with the Gulf States and Türkiye the study provides an empirical analysis of the interactions and connections between the two regions *South Africa's Foreign Policy Since 1994* Rejoyce Hlengiwe Phetha, 2025-05-06 This book is a long term historical discussion of South Africa's foreign policy before and after 1994 and contributes an important argument to the debates surrounding South Africa's foreign policy both within and outside of the country South Africa has played a pivotal role both in Africa and globally South Africa's image was that of a pariah state until 1994 when apartheid was ended and the country emerged as an important regional power in Africa South Africa has since been portrayed as an important player in global governance architecture and reforming the international order The book traces South Africa's foreign policy since 1994 and examines its role in the global political arena **South African Foreign Policy Review:**

**Volume 1**, 2012 **South African Foreign Policy Review: Volume 1** Chris Landsberg, Jo-Ansie van Wyk, 2012-12-27 The richness of public and academic discourses on the past present and future direction of South Africa's role in Africa and the world suggests that as a sub discipline of politics South African foreign policy is ready for a systematic and regular appraisal in the form of a series of publications that the Institute for Global Dialogue will call South African Foreign Policy Review This is also because constant changes in international and domestic circumstances impinge on the management and analysis of South Africa's foreign policy This the first review provides an important opportunity to build on existing foreign policy works in order to take stock of the road already travelled in the past decade or so This is crucial in laying some basis for anticipating the country's future role and considering the opportunities and challenges which future volumes of the review will consider This volume provides a wide ranging appraisal of the relationship between stated foreign policy goals and actual outputs and outcomes an assessment of how foreign policy has actually been operationalized and implemented To this end common themes in South African foreign policy provide the framework for the first review These include foreign policy decision making soft power dynamics in the foreign policy's strategic calculus diplomatic tools used economic diplomacy peace diplomacy and paradiplomacy South Africa's relations with key states in Africa in the global south and in the global north South Africa's approach to Africa multilateral global multilateralism governance The review hopes to stimulate further discussion and thinking on the challenges confronted and the future shape and direction of South Africa's foreign policy

**Africa in Global International Relations** Paul-Henri Bischoff, Kwesi Aning, Amitav Acharya, 2015-10-05 Recent scholarship in International Relations IR has started to study the meaning and implications of a non Western world With this comes the need for a new paradigm of IR theory that is more global open inclusive and able to capture the voices and experiences of both Western and non Western worlds This book investigates why Africa has been marginalised in IR discipline and theory and how this issue can be addressed in the context of the emerging Global IR paradigm To have relevance for Africa a new IR theory needs to be more inclusive intellectually negotiated and holistically steeped in the African context In this innovative volume each author takes a critical look at existing IR paradigms and offers a unique

perspective based on the African experience Following on from Amitav Acharya and Barry Buzan's work *Non Western International Relations Theory* it develops and advances non Western IR theory and the idea of Global IR This volume will be of key interest to scholars and students of African politics international relations IR theory and comparative politics

Burton, 2012-03-02 Experts from academia governments think tanks NGOs trade unions and business investigate whether the public should play a greater role in foreign policy making by analysing their current role in the Iraq war USA Post Apartheid South Africa trade relations with China New Zealand and other cases *Cuba and Africa, 1959-1994* Kali Argyriadis, Giulia Bonacci, Adrien Delmas, 2020-11-01 A history of Atlantic solidarity between Cuba and Africa in struggle for African independence from colonial powers The Cuban people hold a special place in the hearts of the people of Africa The Cuban internationalists have made a contribution to African independence freedom and justice unparalleled for its principled and selfless character As Nelson Mandela states Cuba was a key participant in the struggle for the independence of African countries during the Cold War and the definitive ousting of colonialism from the continent Beyond the military interventions that played a decisive role in shaping African political history there were many sided engagements between the island and the continent Cuba and Africa 1959 1994 is the story of tens of thousands of individuals who crossed the Atlantic as doctors scientists soldiers students and artists Each chapter presents a case study from Algeria to Angola from Equatorial Guinea to South Africa and shows how much of the encounter between Cuba and Africa took place in non militaristic fields humanitarian and medical scientific and educational cultural and artistic The historical experience and the

legacies documented in this book speak to the major ideologies that shaped the colonial and postcolonial world including internationalism developmentalism and South South cooperation Approaching African Cuban relations from a multiplicity of angles this collection will appeal to an equally wide range of readers from scholars in black Atlantic studies to cultural theorists and general readers with an interest in contemporary African history Twisting Arms and Flexing Muscles

Timothy M. Shaw, 2018-01-18 Military force is considered essentially a non military pursuit in international relations specifically humanitarian intervention and peacebuilding This coherent and interrelated study makes an important contribution to the existing literature by concentrating on empirical analyses It is illustrated by key case studies which consider the complexities and dynamics associated with the application of military force Of particular importance in this context is the emphasis on areas of recent crisis such as Africa and the Balkans The book considers whether our understanding of military force and its utility is outdated and finds that new considerations are required in order to capture the demands of the new environment and generate more appropriate and effective responses The volume will have wide appeal ranging from students and academic researchers to high level policy makers and policy analysts in the military governance and democratization and peacebuilding communities as well as area specialists and non governmental organizations *The Dynamics of Iranian Borders* Mansoureh Ebrahimi, Masoumeh Rad Goudarzi, Kamaruzaman

Yusoff, 2018-06-15 This book is on Iran s geopolitical importance representing a continuum of international competition for political gains and economic benefit due to the country s unique geographical location that has always been a cause of contention Iran s massive borders and evolving political weakness along with influences from the kings of Qajar that maintained and strengthened Great Britain s hegemony in the region were major factors affecting ongoing regional conflicts Additional roles played by other world powers such as France Russia and the United States are also noted Conflicts unrest and regional wars were all consequences arising from power struggles that led to treaties and international agreements between Iran Britain and Russia that caused the eventual loss of traditional Iranian territories Hence extrinsic impositions on Iran are the subject of this study as authors examine the turbulent climate that altered Iranian borders during the Qajar Dynasty **The Future of African-European Relations** Dirk Brand, Doris Dialer, Annegret Eppler, Andreas

Pattar, 2025-08-05 This book explores the future of African European relations with a focus on achieving equity in a global context Drawing on the expertise of policymakers institutional stakeholders scholars and practitioners from both the global south and the global north this contributed book offers unique insights into successful cooperation strategies between Africa and Europe By offering case studies and clear perspectives the book covers topics such as the implementation of public policies the role of culture and languages judicial independence e governance technical cooperation and project management energy crisis economic growth and global health Moving beyond conventional development rhetoric and geopolitical divides this book creates a common narrative for fostering an equitable global society This book goes beneath the general

development rhetoric exploring the underlying dynamics of African European societies their local practices and cultures It also critically examines the post pandemic global health architecture and the energy crisis from an African European perspective Additionally it includes a dedicated chapter on the influential role of culture in shaping African European relations
