Raymond I. Schuck,Ray Schuck,2012-10-10 Since its release in 1971 Don McLean s song American Pie has become an indelible part of U S culture It has sparked countless debates about the references within the lyrics been celebrated as a chronicle of American life from the late 1950s through the early 1970s and has become iconic itself as it has been remade parodied and referenced within numerous texts and forums This volume offers a set of new essays that focus on the cultural and historical significance of the song Representing a variety of perspectives and fields of study the essays address such topics as historical and literary interpretations of the song s lyrics its musical qualities the commentary the song offers on rock and roll history the continuing significance of the song and the ways in which the song has been used by various writers and artists Instructors considering this book for use in a course may request an examination copy here

Jimmy Page/Robert Plant Chris Welch,1985-10-01 Focus On: 100 Most Popular English Songwriters Wikipedia contributors, The Encyclopedia of Popular Music Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day Led Zeppelin: A Celebration Dave Lewis,2012-04-10 Led Zeppelin s records and concerts outsold every other band on the planet This is the first ever comprehensive reference book on the group It draws on years or research and features masses of unpublished information photos and visuals Every known fact about Led Zeppelin is included every detail concerning their records their concerts and their music Breakdown of the careers of Page Plant Jones and Bonham In the Studio conversations of Zep taped during recording sessions The Ten Album Legacy all recorded material analysed album by album 100 Most Collectable Zep Items an illustrated guide to valuable memorabilia International discography the most comprehensive ever published Bibliography film video and complete concert listings Complete Zep equipment file listing every item owned and used Rare album and single sleeves posters press cuttings and documents Led Zeppelin IV Barney Hoskyns,2006-11-28 Led Zeppelin IV often called heavy metal s greatest album kicks off an exciting new series that takes a fresh in depth look at some of the greatest works from the most influential artists of the rock era Fans may know the songs but wait until they hear the stories behind them The music contained in Led Zeppelin IV is part of the soundtrack to a generation Released in 1971 it rocks stomps glides and

shimmers as it covers all the bases the band had mastered heavy blues barroom rock and roll mandolin driven folk epic Tolkien infused mysticism acoustic Americana and more Certified gold one week after its release the album went to 2 on the U S charts and 1 in the U K It remained on U S charts for 259 weeks There probably isn't an aspiring rock guitarist anywhere who hasn't plucked out the notes and chords to Stairway to Heaven or Black Dog and yet many music lovers are unaware of the intriguing backstory to this genre defining work To this day there is confusion about what is the actual title of the album And what about those mysterious symbols Barney Hoskyns pierces those veils and more as he tells the fascinating story of the evocative set that cemented Led Zeppelin's standing as the biggest baddest loudest band in the world and that remains today the apex of their art

No Quarter: The Three Lives of Jimmy Page Martin Power, 2016-10-10 Jimmy Page the mastermind behind Led Zeppelin their leader producer principal songwriter and guitarist Page has not only shaped the sound of rock music for generations but also created an artistic legacy few others will ever attain The Omnibus enhanced No Quarter The Three Lives of Jimmy Page dissects the life and times of this legendary guitar hero and his journey from unassuming session musician to the record setting king of guitar showmanship This Omnibus enhanced digital edition includes an interactive Digital Timeline of Jimmy's life allowing you to experience his creative genius through music images and video Links to curated playlists for each chapter also allow you to surround yourself with the music of Jimmy Page and all the influences that surrounded him Using new and exclusive interviews researched through candid conversations with Jimmy Page's friends managers and musical collaborators author Martin Power's No Quarter The Three Lives Of Jimmy Page is a rich and insightful exploration of this mysterious mythical figure This work represents the most comprehensive and up to date biography ever written about Jimmy Page The one man guitar army

Heavy Metal Music in Britain Gerd Bayer, 2016-04-22 Heavy metal has developed from a British fringe genre of rock music in the late 1960s to a global mass market consumer good in the early twenty first century Early proponents of the musical style such as Black Sabbath Deep Purple Judas Priest Saxon Uriah Heep and Iron Maiden were mostly seeking to reach a young male audience Songs were often filled with violent sexist and nationalistic themes but were also speaking to the growing sense of deterioration in social and professional life At the same time however heavy metal was seriously indebted to the legacies of blues and classical music as well as to larger literary and cultural themes The genre also produced mythological concept albums and rewritings of classical poems In other words heavy metal tried from the beginning to locate itself in a liminal space between pedestrian mass culture and a rather elitist adherence to complexity and musical craftsmanship speaking from a subaltern position against the hegemonic discourse This collection of essays provides a comprehensive and multi disciplinary look at British heavy metal from its beginning through The New Wave of British Heavy Metal up to the increasing internationalization and widespread acceptance in the late 1980s The individual chapter authors approach British heavy metal from a textual perspective providing critical analyses of the politics and ideology behind the lyrics images and performances Rather than

focus on individual bands or songs the essays collected here argue with the larger system of heavy metal music in mind providing comprehensive analyses that relate directly to the larger context of British life and culture The wide range of approaches should provide readers from various disciplines with new and original ideas about the study of this phenomenon of popular culture
