## **Power Grab How The National Education Association Is Betraying Our Kids:**

*Power Grab* G. Gregory Moo, 1999-09-01 Exposes the National Education Association NEA for what it really is and provides a hands on guide for teachers parents and communities to increase their voices in bringing education back to the children

**The War Against Hope** Rod Paige, 2009-02-16 A former US Secretary of Education addresses the crisis in public schooling and the role teachers unions have played in its decline Something is terribly wrong with America's public school system For decades we have seen test scores slide or stagnate today fewer than twenty percent of our nation's twelfth graders are proficient in math and our students rank near the bottom in science and math among the industrialized nations of the world and achievement gaps persist or widen So who's responsible for the ongoing failure of our education system In *The War Against Hope* former Secretary of Education Rod Paige pulls no punches in his critical analysis of America's crisis in the classroom Without question the greatest impediment to meaningful school reform is the enormous self aggrandizing power wielded by the teachers unions In this vital well documented book Paige takes an unflinching look at the power hungry union leaders who have consistently placed their ambitions ahead of the needs of the teachers and the students whom they claim to serve He also traces the history of the National Education Association NEA from its humble beginnings as an advocate of education excellence to its early radicalization by left wing ideology *The War Against Hope* is a disturbing account of the corruption greed and skewed values that have assaulted our schools betrayed our teachers and forsaken our children for far too long

**The SAGE Encyclopedia of World Poverty** Mehmet Odekon, 2015-06-15 The SAGE Encyclopedia of World Poverty Second Edition addresses the persistence of poverty across the globe while updating and expanding the landmark work Encyclopedia of World Poverty originally published in 2006 prior to the economic calamities of 2008 For instance while continued high rates of income inequality might be unsurprising in developing countries such as Mexico the Organization of Economic Co operation and Development OECD reported in May 2013 even countries with historically low levels of income inequality have experienced significant increases over the past decade including Denmark Sweden and Germany The U N and the World Bank also emphasize the persistent nature of the problem It is not all bad news In March 2013 the Guardian newspaper reported Some of the poorest people in the world are becoming significantly less poor according to a groundbreaking academic study which has taken a new approach to measuring deprivation The report by Oxford University's poverty and human development initiative predicts that countries among the most impoverished in the world could see acute poverty eradicated within 20 years if they continue at present rates On the other hand the U N says environmental threats from climate change could push billions more into extreme poverty in coming decades All of these points lead to the need for a revised updated and expanded edition of the Encyclopedia of World Poverty Key Features 775 evaluated and updated and 175 entirely new entries New Reader's Guide categories Signed articles with cross references Further Readings will be accompanied by pedagogical elements Updated Chronology Resource Guide Glossary and thorough

new Index The SAGE Encyclopedia of World Poverty Second Edition is a dependable source for students and researchers who are researching world poverty making it a must have reference for all academic libraries

**Inequity in Education** Debra Meyers, Burke Miller, 2009-10-29 Inequity in Education represents the latest scholarship investigating issues of race class ethnicity religion gender and national identity formation that influenced education in America throughout its history Targeting sophisticated undergraduates along with graduate students and specialists this exciting new collection will capitalize on the growing interest in the historical foundations of the problems facing our schools today This collection of cutting edge essays and primary source documents represents a variety of theoretical and methodological perspectives that will appeal to both social and cultural historians as well as those who teach education courses including introductory surveys and foundations courses

**Freedom Is the Foundation** Aaron Withe, 2023-06-22 The Freedom Foundation is figuratively and literally writing the book on how to defeat government unions in America Mike Huckabee Former Governor of Arkansas Aaron Withe and his team at the Freedom Foundation are doing work that I wish could have been done in Britain decades ago If America is to continue to be the most free and prosperous country in the world then the Freedom Foundation must win its fight against government unions They have already been able to help hundreds of thousands of public employees to leave their unions forcing union bosses into early retirement Nigel Farage Critical race theory Defunding the police Closing down schools and keeping our children's faces forever masked What do these woke policies have in common They are pushed and funded by government unions which are the primary bankroller of the leftist causes that are growing Big Government and destroying American public education The Freedom Foundation a self described battle tank is dedicated to eliminating the pernicious influence of these unions The Freedom Foundation's CEO Aaron Withe is an English born former college basketball player who is now dunking for American liberty In Freedom Is the Foundation Withe gives an insider account of his organization's always aggressive sometimes controversial and undeniably successful campaign to recapture America from government unions Taking advantage of a recent landmark US Supreme Court decision the Freedom Foundation has helped liberate hundreds of thousands of government workers from their unions saving them an average of 1 100 in yearly dues and depriving the unions of hundreds of millions of dollars and rising that would otherwise have been spent promoting radical causes and candidates Blending frontline reporting with inspiring stories of courageous men and women who are standing up for their rights Freedom Is the Foundation is both a roadmap to recovering freedom in America and a stirring account of how dedicated patriots are taking on and intending to defeat the most powerful lobby for wokeness and Big Government bullying in America

**Libertarianism Today** Jacob H. Huebert, 2010-07-01 This engagingly written introduction examines modern libertarianism and its answers to today's most pressing issues the economy war health care and more As government grows by leaps and bounds libertarianism is receiving more attention than ever Written from a contemporary perspective by an attorney and law professor who is also an award winning journalist Libertarianism Today provides an engaging introduction

to the movement's ideas and people serving as a jumping off point for readers who want to know more Beginning with the general libertarian principle that one person cannot initiate force against another even if that person is part of the government the book examines the implications of this principle for a wide range of contemporary issues war health care personal liberties economic policy monetary policy and intellectual property rights It introduces the people behind the libertarian movement and explores the strategies including education activism and litigation libertarians are pursuing to advance their ideas By laying out the current state of the movement author J H Huebert shows how even as it gets more mainstream media exposure than ever today's libertarian movement has only become more radically opposed to the Washington DC status quo

**Special Interest** Terry M. Moe, 2011-03-31 Examines the history of teachers unions their rise to power and the organizational foundations of that strength use of collective bargaining and involvement in the political process and unions response to expanded use of technology in the classroom to teach children and consequences for America's public schools Provided by publisher

**Foundations of Education** Samuel M. Craver, Maïke Ingrid Philipsen, 2011-06-30 Foundations of Education is organized around the major problems facing contemporary American education It offers a thorough scholarly treatment of these problems from historical philosophical and sociological perspectives bringing together relevant findings from those disciplines to analyze and illuminate a wide range of issues Each chapter focuses on a core topic including race gender equal opportunities school governance to give students a solid overview providing intellectually sound material that offers real depth and challenges students to think creatively Packed with exercises discussion questions international case studies for comparative purposes and supported by a fully up to date companion website this is a text that responds to current developments changes and trends in teacher education Foundations of Education will prepare a new generation of educators for a globalized and technology driven society that needs to be aware of its best educational traditions its current problems and its future possibilities

**The Republican Noise Machine** David Brock, 2005 Bestselling author David Brock documents the most important political development of the last thirty years How the Republican Right has won political power and hijacked public discourse in the United States Over the last several decades the GOP has built a powerful media machine newspapers and magazines think tanks talk radio networks op ed columnists the FOX News Channel Christian Right broadcasting book publishers and high traffic Internet sites to sell conservatism to the public and discredit its opponents David Brock's penetrating analysis of news stories from the disputed 2000 presidential election to the war in Iraq to the political battles of 2004 reveals that this booming right wing media market is largely based on bigotry ignorance and emotional manipulation closely tied to America's long standing cultural divisions and the buying power of anti intellectual traditionalists Writing with verve and deep insight Brock reaches far beyond typical bromides about media bias to produce an invaluable account of the rise of right wing media and its political consequences

**Feds in the Classroom** Neal P. McCluskey, 2007 The federal government is deeply entrenched in American public education and virtually

dictates what can be taught to students Why At what cost And what are the benefits to public school students To public schools The author challenges the constitutionality of the feds in the classroom and reminds readers that public education has until recently been the function of state and local governments     *The Foundations of Organizational Evil* Carole L. Jurkiewicz, 2015-02-24 Numerous reprehensible corporate governmental and nonprofit activities over recent years have highlighted the existence of organizational evil Unlike other works on the topic this book fully develops the concept of organizational evil conceptually weaving the interchange between evil individuals microlevel who ultimately create the organizational environment that is evil and the macrolevel elements of policy culture and manipulations of the social environment     *Library Journal* ,1999     *The Library Journal* ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately     *Justice, Ideology, and Education* Edward Stevens, George Harrison Wood, James Joseph Sheehan, 2002

*Critical Issues in Education* Jack L. Nelson, Stuart B. Palonsky, Kenneth Carlson, Mary Rose McCarthy (Ph. D.), 2004 Designed to be used in courses that examine relevant pro and con disputes about schools and schooling By exploring the major opposing viewpoints on the issues this text encourages education students to think critically and develop their own viewpoints It includes research and scholarship discussion suggestions and bibliographic references     **Ideas on Liberty** ,2001     **Teacher Unions in Public Schools** Robert Michael Carini, 2003     **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004     *The Publishers Weekly* ,1999     Harvard Political Review ,2002
