Power Of Being A Real Woman:

The Power of Being a Woman Michelle McKinney Hammond, 2014-07-01 Michelle sets aside the political correctness of our society's views and calls a truce between the genders with her biblically based perspective on the art of being a woman. Today's Christian Woman magazine Writing with her characteristic boldness, grace, and gut-level honesty, Michelle McKinney Hammond challenges women to unearth the hidden gift of their femininity. Readers will gain a new biblically based perspective on their femininity and a few laughs along the way as they experience Michelle's refreshing take on the real feminine mystique. They will discover the power of influence, the pitfalls of manipulation, the strength of vulnerability, how to make up for their mate's weaknesses, how to take advantage of his strengths. Instead of being threatened by men and unsure of their own value, readers can truly embrace the precious value of being women as they inspire the world with their intrinsic strength, intuition, sensitivity, and yes, sexuality. *Rerelease of The Power of Femininity* *The Burden of Masculinity* Vivek Nagrani, 2024-03-13 What comes to mind when you consider the concept of masculinity? *The Burden of Masculinity* A Dialogue About the Existence of Man examines how the idea of masculinity has morphed and shifted over time. It is noted that men and women are two very different but essential components of a successful society with very specific gender roles, strengths, and attributes. The author posits that to achieve a masculine state of mind, you must live a purpose-driven life, find your true north, and compete only with yourself at being better today than you were yesterday. About the Author: Vivek Nagrani is a renowned men's clothing designer. *Esquire* magazine hailed his socks as *The Best in The World*. He lives in New York City with his wife and daughter. At the onset of the pandemic, Nagrani was forced to close his eponymous label, VK NAGRANI. Before getting back into design, his true passion, he took a two-year sabbatical and created a street food concept truck in Barbados called *Fire Byrd*. He was recognized as *The Best of Worthen Square* and returned to NYC in March of 2023. Before creating the design direction for his new label, Article 3, Nagrani decided to address the current state of masculinity. This is his personal view about the masculine mystique and what it means, what has gone wrong, and where it will be in the future. To view his new clothing collection, visit www.article3nyc.com. *Film Theory Goes to the Movies* Jim Collins, Ava Preacher Collins, Hilary Radner, 2012-10-02 *Film Theory Goes to the Movies* fills the gap in film theory literature which has failed to analyze high-grossing blockbusters. The contributors in this volume, however, discuss such popular films as *The Silence of the Lambs*, *Dances With Wolves*, *Terminator II*, *Pretty Woman*, *Truth or Dare*, *Mystery Train*, and *Jungle Fever*. They employ a variety of critical approaches from industry analysis to reception study to close readings informed by feminist, deconstructive, and postmodernist theory, as well as recent developments in African American and gay and lesbian criticism. An important introduction to contemporary Hollywood, this anthology will be of interest to those involved in the fields of film theory, literary theory, popular culture, and women's studies. **The Book of Woman's Power, with an Introduction by Ida M.
