your life The Power of Covenant in Times of Crisis Scott Stripling, Ralph Peil, 2021-03 What has the 21st century learned from experiences like 9 11 or the COVID 19 pandemic In times of crisis preconceptions about life are thrown into doubt What might have been dismissed as an interesting but obscure life hack might suddenly take on urgency and necessity for survival In times past life was understood through the lens of covenant a concept that has largely fallen off the radar of modern society History clearly shows that God interacted with man in ancient times through covenants But is that still how he views humanity today Does God still covenant Drs Ralph Peil and Scott Stripling contend that God still uses the ancient device of covenant to offer amazing and life changing levels of blessing protection and provision When everything else around is in ruin and chaos covenant relationship with God is a lifeline This book is a beautifully written explanation of the Biblical understandings of covenant It is also moving personal testimonies by two men whose combined wisdom and insight are a rare treasure Praise for The Power of Covenant in Times of Crisis I love their study of covenant and their personal testimonies Get ready to go deep Pastor Jim Leggett Grace Fellowship Katy Texas This book will broaden your understanding of God s activity from the beginning of time and on into the future Timothy P Mahoney Director Patterns of Evidence Films Using a fascinating and unique combination of church history insightful scriptural exegesis biblical archaeology and their own personal faith journeys the authors remind us that as followers of Jesus we can find encouragement comfort and hope in the very difficult and perplexing times that we live in Paul Osteen MD Associate Pastor Lakewood Church The Power of Covenant in Times of Crisis conveys clearly that while we may live in a troubled world we are not without hope Ron Corzine Founder Christian Fellowship International These two authors offer such a unique perspective of archaeology and love of biblical history and an overall intense love of God They reveal insights and implications that I had never weighed before Jill Mitchell O Brien President and Founder Kingdom Connections Int l Inc *Leviathan, Or, The Matter, Forme, & Power of a Common-wealth Ecclesiasticall and Civill* Thomas Hobbes, 1651 **Power and Purpose** Adam Edward Hollowell, 2015-01-26 Not long ago Paul Ramsey 1913 1988 was a leading voice in North American Christian ethics Today however his intellectual legacy is in question and his work is largely ignored by current scholars in the field Against the tide of that neglect Adam Edward Hollowell argues in *Power and Purpose* that Ramsey s work can still yield considerable insight for contemporary Christian political theology Hollowell shows the influences of Jean Jacques Rousseau and Karl Barth on Ramsey s early work discusses his conversations with political theologians of his generation including Reinhold and Richard Niebuhr and Joseph Fletcher considers his influence on the early virtue theory of Jean Porter and Oliver O Donovan and places Ramsey s work in conversation with more recent voices in Christian ethics including John Bowlin Jennifer Herdt Charles Mathewes Eric Gregory and Daniel Bell Hollowell thus forges new connections between Ramsey and contemporary debates in political theology on such issues as political authority power just war and torture Hollowell s *Power and Purpose* also revisits well known aspects of Ramsey s work for example his insistence on the political significance of God s covenant with creation and

offers an original account of the role of judgment in his theology of repentance The book dedicates considerable attention to Ramsey s description of practical reasoning and highlights his commitment to the virtues especially prudence This accessible introduction to Paul Ramsey will appeal to a wide swath of scholars and students in Christian ethics and political theology
