**The Power of Positive Prophecy** Laurie Beth Jones,1999      *Power of Positive Prophecy* Laurie Beth Jones,1999-10-06  
Laurie Beth Jones proves you don't have to be a mystic to possess visionary powers. The capacity to offer and receive prophecy exists in all of us right now. Prophecy can come from anywhere. Even when couched in negative terms, prophecy can have a provocative and healing effect, spurring us on to accomplish things out of determination to prove others wrong. Showing us the force inherent in our words, Jones reveals that merely by naming something we can call it forth. Anyone can access this power, but she encourages readers to use prophecy responsibly.      Jesus, Entrepreneur Laurie Beth Jones,2007-12-18  
He didn't work for money. He was willing to walk away. He invested his emotions wisely. He did sweat the small stuff. Beyond work, beyond entrepreneurship, there is spiritpreneurism: work that allows you to do well by doing right. In *Jesus Entrepreneur*, Laurie Beth Jones, bestselling author of *Jesus CEO*, shows you how to find soul satisfaction in your work. Jones shows that there is no contradiction between earning a comfortable living even as you use your job to promote your deepest spiritual and personal beliefs. How exactly is this possible? By sharing timeless wisdom from the Bible and anecdotes from her own life and consulting career, as well as tales from the best and worst work situations in today's rapidly changing business environment, she reveals how you can inspire yourself and your coworkers to use your highest gifts to benefit the bottom line. A genius at making the powerful familiar, Jones offers a commandingly fresh and compelling case for Jesus as a role model for modern times. Rich with humor, exercises, meditations, and case histories, *Jesus Entrepreneur* is essential reading for those seeking to put their spirituality to practical use.      The Will to Be William J. Lindsey,2014-09-26  
*The Will to Be* will challenge and encourage readers to take a close look at their lives and to take responsibility for living more positive, productive, and progressive lives. It offers a new paradigm that will help you break free from apathy, normality, and mediocrity. This book will take readers on an adventurous journey and offer provocative and urgent new ways of thinking about one's life and legacy. With practicality and wisdom, William shows that by changing the way you think, becoming self-disciplined, and using your God-given willpower, you can unleash the greatness in you and become the best version of you ever. Change the way you think. Make a comeback from failure. Conquer your fears. Maximize your willpower.      Teach Your Team to Fish Laurie Beth Jones,2011-12-07  
Laurie Beth Jones has given hundreds of thousands of business readers insight into how the ideas of Jesus can be used to enhance performance. One of the most critical work areas for anyone, whether a manager or a CEO, a teacher or a pastor, is cooperative teamwork. Leaders today face their greatest challenges not only in defining strategies and getting updated information, but also in getting diverse human beings to pull together without falling apart. Jesus can be a role model for team leaders everywhere. When Jesus called out to his future disciples, "Follow me, and I will make you fishers of men," he transformed them from people who worked for themselves to people who were part of a larger team. Jesus was constantly exhorting his people to gather in my name and go out two by two and always think and pray as one. Jesus' final prayer was

that they might be one Father even as you and I are one which is ultimately about union and communion common values and purpose all of which form the bedrock of an inspired team Teach Your Team to Fish offers dozens of stories from the Bible showing how Jesus managed his team of disciples and other followers with suggestions for how to apply these lessons to real world teambuilding and management problems It offers guidance and inspiration on how to excite your team in order to motivate them how to ground them so they ll be realistic about what can be achieved how to transform them into a truly well functioning team and how to release them into the world to improve other teams elsewhere Along the way the book gives examples of companies in which teams work well together and offers lessons that can help team leaders everywhere sustain themselves and achieve their common goals      *Draw the Circle* Mark Batterson,2012-12-18 Your 40 day guide to experiencing more passionate persistent intimate communication with God Do you pray as often and as bravely as you want to Are you looking to strengthen your relationship with God and experience a deeper more intentional prayer life Mark Batterson New York Times bestselling author of *The Circle Maker* is here to teach you all about a new life changing way to pray After the release of *The Circle Maker* thousands of readers quickly became many tens of thousands and soon enough true stories of miraculous and inspiring answers to prayer began to pour in *Draw the Circle* shares these inspiring testimonies and combines them with timely scriptures and daily prayer prompts designed to stir you to pray like never before Through these moving stories and encouraging devotionals you ll learn all about The life changing power of intentional prayer Why prayer is such a crucial aspect of your relationship with God How to start applying the principles of *The Circle Maker* in your everyday life How to stay humble patient and focused as you start your 40 day journey Building prayer habits that will support your faith for a lifetime There s a way for all of us to experience a deeper more passionate persistent and intimate prayer life Batterson invites you to begin a lifetime of watching God work believe in the God who can do all things and experience the power of bold prayer and even bolder faith Let *Draw the Circle* be the first forty days on your way to a lifetime of watching God work and believing in the God who can do all things      **The Path** Laurie Beth Jones,2001-11-01 Individuals and companies have been learning what history has demonstrated all along that people or groups with carefully defined missions have always led and surpassed those who have none Yet the process of outlining that mission statement has been up to now an arduous one that all too few have committed the time energy and resources to undertake In *The Path* best selling author Laurie Beth Jones provides inspiring and practical advice to lead readers through every step of both defining and fulfilling a mission With more than ten years experience in assisting groups and individuals Jones offers clear step by step guidance that can make writing a mission statement take a matter of hours rather than months or years Rich with humor exercises meditations and case histories *The Path* is essential reading for anyone seeking a lighter clearer way in the world      **Soulprint** Mark Batterson,2011-01-18 There never has been and never will be anyone like you But that isn t a testament to you It s a testament to the God who created you The problem Few people discover the God given identity that
