Powerplays Mike Poole, John Wyver, 1984 No Marketing Blurb **Trevor Griffiths** Stanton B. Garner, 1999 Assesses the contributions of one of the leading figures of post 1968 British political theater **Encyclopedia of Television** Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website **British Television Drama in the 1980s** George W. Brandt, 1993-09-24 On British television drama in the 1980 s **British Playwrights, 1956-1995** William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright s critical reception an assessment of the dramatist s work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history

A State of Play Steven Fielding, 2014-04-24 A State of Play explores how the British have imagined their politics from the parliament worship of Anthony Trollope to the cynicism of *The Thick of It* In an account that mixes historical with political analysis Steven Fielding argues that fictional depictions of politics have played an important but insidious part in shaping how the British think about their democracy and have helped ventilate their many frustrations with Westminster He shows that dramas and fictions have also performed a significant role in the battle of ideas in a way undreamt of by those who draft party manifestos The book examines the work of overtly political writers have treated the subject discussing the novels of H G Wells the comedy series *Yes Minister* and the plays of David Hare However it also assesses how less obvious sources such as the films of George Formby the novels of Agatha Christie the *Just William* stories and situation comedies like *Steptoe and Son* have reflected on representative democracy A State of Play is an invaluable distinctive and engaging guide to a new way of thinking about Britain s political past and present **The Cambridge History of British Theatre** Jane Milling, Peter Thomson, Baz Kershaw, Joseph Walter Donohue (Jr.), 2004-12-09 Publisher Description British Television Drama Lez Cooke, 2015-04-09 This widely respected history of British television drama is an indispensable guide to the significant developments in the area from its beginnings on the BBC in the 1930s and 40s to its position in the twenty first century as television enters a multichannel digital era Embracing the complete spectrum of television drama Lez Cooke places programmes in their social political and industrial contexts and surveys the key dramas writers producers and directors

Thoroughly revised and updated this second edition includes new images and case studies new material on British television drama before 1936 an expanded bibliography and a substantial new chapter that explores the renaissance in the quality variety and social ambition of television drama in Britain since 2002 Comprehensive and accessible this book will be of value to anyone interested in the rich history of British television and modern drama *Screen plays* Amanda Wrigley, John Wyver, 2022-04-05 *Screen plays* is a ground breaking collection that chronicles the rich and surprising history of stage plays produced for the small screen between 1930 and the present The volume opens with a substantial historical outline of how plays originally written for the theatre have been presented by the BBC and ITV as well as independent producers and cultural organisations Subsequent chapters utilise a variety of critical methodologies to analyse a wide range of outside broadcasts from theatres screen adaptations of existing stage productions along with original television productions of classic and contemporary drama Making a compelling case for the centrality of the theatre to British television's past and present *Screen plays* opens up new areas of research for all those engaged in theatre media and adaptation studies **TV Drama in Transition** Robin Nelson, 1997-08-12 *TV Drama in Transition* reflects upon changing dramatic forms on television in the context of broad cultural shifts over the past two decades Analyses of a wide range of series from *Heartbeat* to *Middlemarch* and *Our Friends in the North* from *NYPD Blue* to *Twin Peaks* to *The X Files* are interspersed with accounts of new technologies viewing dispositions and the political economy of culture This book is generally concerned as much with the condition of culture in the 1980s and 1990s as specifically with TV drama *New Theatre Quarterly 52: Volume 13, Part 4* Clive Barker, Simon Trussler, 1998-04-02 Provides an international forum where theatrical scholarship and practice can meet to question dramatic assumptions **Channels of Discourse, Reassembled** Robert Allen, 2010-01-27 Since its original publication in 1987 *Channels of Discourse* has provided the most comprehensive consideration of commercial television drawing on insights provided by the major strands of contemporary criticism semiotics narrative theory reception theory genre theory ideological analysis psychoanalysis feminist criticism and British cultural studies The second edition features a new introduction by Robert Allen that includes a discussion of the political economy of commercial television Two new essays have been added one an assessment of postmodernism and television the other an analysis of convergence and divergence among the essays and the original essays have been substantially revised and updated with an international audience in mind Sixty one new television stills illustrate the text Each essay lays out the general tenets of its particular approach discusses television as an object of analysis within that critical framework and provides extended examples of the types of analysis produced by that critical approach Case studies range from *Rescue 911* and *Twin Peaks* to soap operas music videos game shows talk shows and commercials *Channels of Discourse Reassembled* suggests new ways of understanding relationships among television programs between viewing pleasure and narrative structure and between the world in front of the television set and that represented on the screen The collection also addresses the qualities of popular

television that traditional aesthetics and quantitative media research have failed to treat satisfactorily including its seriality mass production and extraordinary popularity The contributors are Robert C Allen Jim Collins Jane Feuer John Fiske Sandy Flitterman Lewis James Hay E Ann Kaplan Sarah Kozloff Ellen Seiter and Mimi White Television Drama John Tulloch, 2002-06-01 First published in 1990 This book is the first specifically about television drama from within a cultural studies perspective and as such examines the active agency of both viewers and media practitioners The author examines dominant and counter myths as they circulate in popular culture discussing soap opera science fiction sitcom cop series and authored drama among its examples It works within an ethnographic framework he looks in detail at both the production and reception of TV drama The overall aim of the book is to examine television representation as part of an historically positioned and differentiated social formation in which knowledgeable actors work in every institutional arena whether media industry academia or domestic household to make their meanings Powerplays Mike Poole, John Wyver, 1984 No Marketing Blurb
