The Boundaries of Modern Palestine, 1840-1947 Gideon Biger,2004 This is the first book to deal with one of the major issues in the Middle East Boundary delimitation Archive sources are used in order to present the hidden motives and activities the people involved and the actual process itself *Boundaries of Counties and Parishes in Scotland as Settled by the Boundary Commissioners Under the Local Government (Scotland) Act, 1889* Hay Shennan,1892 *The Power of Saying No: Setting boundaries to protect your time and mental health* Ahmed Musa,2025-01-10 Discover the life changing freedom of setting boundaries with The Power of Saying No This empowering book explores the art of gracefully but firmly declining requests that don t align with your priorities Learn how to prioritize your mental health protect your time and foster healthier relationships through clear compassionate communication By embracing the power of no you ll gain the confidence to focus on what truly matters and reclaim control over your life

Whether you're overwhelmed by obligations or struggling to balance work and personal life this book provides the tools and strategies to create space for growth self care and fulfillment **Power and Politics in Africa: A Boundary Generator**

Takuo Iwata, 2025-01-07 Africa's potential and challenges in the 21st century make it a focal point for global attention The continent's political landscape is now more diverse with a mix of democracy authoritarianism peace and conflict

Understanding the dynamics of African politics is crucial This comprehensive book delves into African Politics and International Relations exploring power through the lenses of politics geography sociology and anthropology It is based on the author's three decades of fieldwork and research across Africa Asia and the West Ideal for academic scholars students diplomats government officials journalists and NGO staff seeking to deepen their understanding of African politics and international relations **The Demographic Struggle for Power** Milica Zarkovic Bookman, 2013-10-18 The 20th century

demographic struggle for power translates itself into an inter ethnic war of numbers This book offers suggestions for structural alterations within states to sever the link between ethnic size and power and thus eliminate the rationale for the demographic struggle for power **International Law and Boundary Disputes in Africa** Gbenga Oduntan, 2015-06-26 Africa has experienced a number of territorial disputes over land and maritime boundaries due in part to its colonial and post colonial history This book explores the legal political and historical nature of disputes over territory in the African continent and critiques the content and application of contemporary International law to the resolution of African territorial and border disputes Drawing on central concepts of public international law such as sovereignty and jurisdiction and socio political concepts such as colonialism ethnicity nationality and self determination this book interrogates the intimate connection that peoples and nations have to territory and the severe disputes these may lead to Gbenga Oduntan identifies the major principles of law at play in relation to territorial and boundary disputes and argues that the predominant use of foreign based adjudicatory mechanisms in attempting to deal with African boundary disputes alienates those institutions and mechanisms from African people and can contribute to the recurrence of conflicts and disputes in and among African territories He suggests that the understanding and application of multidisciplinary dispute resolution mechanisms and strategies can allow for a more holistic and effective treatment of boundary disputes As an in depth study into the legal socio political and anthropological mechanisms involved in the understanding of territorial boundaries and a unique synthesis of an African jurisprudence of international boundaries law this book will be of great use and interest to students researchers and practitioners in African and Public International Law International Relations and decision makers in need of better understanding the settlement of disputes over territorial boundaries in both Africa and the wider world **The Boundaries**

of Jewishness in the Southern Levant 200 BCE-132 CE John Van Maaren, 2022-06-06 Recent research has considered how changing imperial contexts influence conceptions of Jewishness among ruling elites esp Eckhardt Ethnos und Herrschaft 2013 This study integrates other often marginal conceptions with elite perspectives It uses the ethnic boundary making

model an empirically based sociological model to link macro level characteristics of the social field with individual agency in ethnic construction It uses a wide range of written sources as evidence for constructions of Jewishness and relates these to a local specific understanding of demographic and institutional characteristics informed by material culture The result is a diachronic study of how institutional changes under Seleucid Hasmonean and Early Roman rule influenced the ways that members of the ruling elite retainer class and marginalized groups presented their preferred visions of Jewishness These sometimes competing visions advance different strategies to maintain rework or blur the boundaries between Jews and others The study provides the next step toward a thick description of Jewishness in antiquity by introducing needed systematization for relating written sources from different social strata with their contexts The Public General Statutes

Great Britain,1887 *Buffer States In World Politics* John Chay,2019-03-13 Buffer states countries geographically and or politically situated between two or more regional or global powers function to maintain peace between the larger powers Contributors to this book the first devoted to the buffer state concept analyze the geographical and political factors necessary for the establishment and maintenance of a buffer state and examine its role in helping to maintain world peace The problems and prospects of buffer states and buffer zones and the multiple roles played by the buffer in international politics are also explored Using information from a number of countries including Lebanon Afghanistan Korea and Uruguay the contributors argue that the function of the buffer state has not diminished with the advance of modern technology but that the prospects for a long life for any particular buffer state are tenuous Nevertheless they conclude that although the international benefits from any one buffer state tend to be short term the continued existence of the system will be an important element in preventing armed conflict in many parts of the world **Choose You, Fully And Finally:**
