## **Powers Of Darkness:**

Disarming the Powers of Darkness (eBook Sampler) Eric Barger, David Benoit, 2017-01-01 Scripture is clear the spiritual battlefield is real and the Enemy is determined But most Christians are ill equipped and unprepared when attacked and even fewer are on the offensive Still others write off spiritual warfare as irrelevant today while on the other extreme some credit Satan for every imaginable problem in life The purpose of this book is to provide biblical balance and clarity in order to establish a proper battle plan exposing the Enemy for who he really is and showing Christians how to win this war with the spiritual weapons already at their disposal

*Powers of Darkness* Bram Stoker, Valdimar Ásmundsson, 2017-02-07 *Powers of Darkness* is an incredible literary discovery In 1900 Icelandic publisher and writer Valdimar Ásmundsson set out to translate Bram Stoker's world famous 1897 novel *Dracula* Called *Makt Myrkranna* literally *Powers of Darkness* this Icelandic edition included an original preface written by Stoker himself *Makt Myrkranna* was published in Iceland in 1901 but remained undiscovered outside of the country until 1986 when *Dracula* scholarship was astonished by the discovery of Stoker's preface to the book However no one looked beyond the preface and deeper into Ásmundsson's story In 2014 literary researcher Hans de Roos dove into the full text of *Makt Myrkranna* only to discover that Ásmundsson hadn't merely translated *Dracula* but had penned an entirely new version of the story with all new characters and a totally reworked plot The resulting narrative is one that is shorter punchier more erotic and perhaps even more suspenseful than Stoker's *Dracula* Incredibly *Makt Myrkranna* has never been translated or even read outside of Iceland until now *Powers of Darkness* presents the first ever translation into English of Stoker and Ásmundsson's *Makt Myrkranna* With marginal annotations by de Roos providing readers with fascinating historical cultural and literary context a foreword by Dacre Stoker Bram Stoker's great grandnephew and bestselling author and an afterword by *Dracula* scholar John Edgar Browning *Powers of Darkness* will amaze and entertain legions of fans of Gothic literature horror and vampire fiction

**Powers of Darkness** Clinton E. Arnold, 2025-06-12 Satan worship Witches New Age channelers The last two decades of the twentieth century witnessed a vast upsurge in occult activity Scores of popular books have warned Christians of the dangers and urged them to do battle against these spiritual forces Few books however have developed a careful biblical theology on demons principalities and powers Clinton Arnold seeks to fill this gap providing an in depth look at Paul's letters and what they teach on the subject For perspective he examines first century Greek Roman and Jewish beliefs as well as Jesus teaching about magic sorcery and divination Arguing against many recent interpretations that have seen principalities and powers as impersonal social economic and political

structures Arnold contends that the New Testament view is that such forces are organized personal beings which Jesus defeated at the cross and will bring into full subjection at his return In his concluding section Arnold suggests practical ways in which Christians today can contend with the forces of evil Powers of Darkness is a thoughtful biblical look at an urgent challenge facing the church

*The Dark Side of Leadership* Dr Tessie Herbst,2014-03-28 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been widely studied by leadership researchers to date the dynamic relationship between the psychological and spiritual domains in shaping the dark side which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions Such a theoretical perspective would help us better understand how personality disorders develop not only emotionally and psychologically but spiritually

The Power of the Anointing Evangelist Virginia Sutton,2010-07-29 The Power of the Anointing The Burden Remover and Yoke Destroyer by Evangelist Virginia Sutton Finally after eight years of praying fasting and warfare against the powers of darkness it is finished my first book about the anointing I began to write on October 8 2002 and finished June 16 2010 To write about the anointing was not easy because Satan knows this is one sure weapon that will put him out of business this is why he constantly tries to set traps for those that are sold out to GOD and are walking in the anointing that has been placed upon their lives You see the anointing is your divine spiritual authority in the spirit that has been delegated down to us from the Lord Therefore the anointing is GODS holy Power Presence and SPIRIT upon man woman for the purpose of not only to live holy but to also tear down the kingdom of Satan and build up the kingdom of God The anointing enables enhances and equips in order to whip the powers of darkness Sinful yokes are destroyed because of the anointing

therefore the devil is not alarmed over talent which only pricks the emotions However he is alarmed over the anointing which pricks the heart of man and causes him to cry out What must I do to be saved Acts 2 3738 Now when they heard this they were pricked in their heart and said unto Peter and to the rest of the apostles Men and brethren what shall we do Then Peter said unto them Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins and ye shall receive the gift of the Holy Ghost *The Living Age* ,1905 **The preachers' treasury: being one hundred outlines of sermons selected from 'The American national preacher', by J.
