

POW★MIA

Powmia The Men We Left Behind

Stuart I. Rochester, Frederick T. Kiley

Powmia The Men We Left Behind:

POW/MIA, America's Missing Men Chimp Robertson, 1995 Explores the POW MIA issue through numerous interviews with soldiers and other notable figures **The Men We Left Behind** Mark A. Sauter, 1993 The full tragedy of the POW MIA cover up is revealed exposing facts that the Senate Committee left buried in the rubble of the investigation the Nixon Administration knowingly abandoned American POWs and Dick Cheney Brent Scowcroft and George Bush have played roles in hiding the truth ABC s 20 20 has committed to airing this story on three separate programs starting in April Photographs

POW/MIA, where Do We Go from Here : Hearing Before the Subcommittee on Asia and the Pacific of the Committee on Foreign Affairs, House of Representatives, One Hundred Third Congress, Second Session, February 10, 1994 United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Asia and the Pacific, 1994 *Remember to Die* Charles F. David, 2011-01-03 **U.S. Government's Post-war POW/MIA Efforts** United States. Congress. Senate. Select Committee on POW/MIA Affairs, 1993 **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist *The Remains of War* Thomas M. Hawley, 2005-07-13 An exploration of how US efforts to sacralize and repatriate the remains of some 2 000 soldiers killed in action in the Vietnam War might indicate some lingering corporeal and ontological uncertainties in the post Vietnam era **Supplement to Vietnam 1964-1973** , 2005 **Special Bibliography Series** , 1957

Department of Defense's Comprehensive Review of Indochina POW/MIA Cases United States. Congress. House. Committee on National Security. Military Personnel Subcommittee, 1996 *Prisoners of War* Arnold Krammer, 2007-11-30 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of

their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy **Oversight**

Hearings United States. Congress. Senate. Select Committee on POW/MIA Affairs,1994 *Records Relating to American Prisoners of War and Missing in Action from the Vietnam War* United States. National Archives and Records Administration,1996 Reference Information Paper ,1996 **Congressional Record** United States. Congress,2002 *Is Anybody Listening?* Barbara Birchim,2005-05-25 Thirty five long years and I was still seeking answers If I could make someone in the government listen to the facts I knew theyd want to act on them After all who wouldnt want to find one of our POW MIAs from the Vietnam War IS ANYBODY LISTENING tells of dignitaries presidents and those involved with the POW MIA issue as Ive known it since November 1968 when my husband a Special Forces officer became missing in action The pages reveal my feelings and torment during my many trips to Southeast Asia in search of answers and my frustrations while wandering the halls of Washington D C for help The book was written to show the issues insidious cover up and my commitment to the truth American POW/MIA's in Southeast Asia United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Asian and Pacific Affairs,1993 Distributed to some depository libraries in microfiche Night of

the Silver Stars William R. Phillips, 2004-06 In a gripping account Phillips chronicles a desperate struggle of survival as two dozen Green Berets held off a numerically superior force of North Vietnamese in what would become one of the finest examples of collective bravery and will **Honor Bound** Stuart I. Rochester, Frederick T. Kiley, 1998 Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners the strategies and tactics of captors and captives the differences between captivity in North and South Vietnam and between Laos and Vietnam and analysis of the quality of the source materials for this and other works on the subject Only the Dead Jack Carr, 2024-09-03 Long buried secrets A devastating global conspiracy And only one man who can stop it Navy SEAL James Reece From the seriously good Lee Child 1 New York Times bestselling author Jack Carr In 1980 a freshman congressman was gunned down in Rhode Island sending shockwaves through Washington that are still reverberating over four decades later Now with the world on the brink of war and a weakened United States facing rampant inflation political division and shocking assassinations a secret cabal of global elites is ready to assume control And with the world's most dangerous man locked in solitary confinement the conspirators believe the final obstacle to complete domination has been eliminated They're wrong From the firms of Wall Street to the corridors of power in Washington DC and Moscow secrets from the past have the uncanny ability to rise to the surface in the present With the odds stacked against him James Reece is on a mission generations in the making Unfortunately for his enemies the former SEAL is not concerned with odds He is on the warpath And when James Reece picks up his tomahawk and sniper rifle no one is out of range
