## **Practical Bible Doctrine:**

*Practical Bible Doctrine* Keith L. Brooks, 1961-06 The study of Bible doctrine is imperative but often difficult for new believers Use *Practical Bible Doctrine* to begin your study of subjects like the inspiration of Scripture Christ's incarnation and second coming the Holy Spirit and Satan The Teach Yourself the Bible series is one of the best New Testament studies you will find anywhere Each book in the series is packed full of valuable questions on individual chapters of the Bible check ups to test your grasp of scriptural truths and usable suggestions for group study Grow in your knowledge of God through each New Testament book then go on to study six aspects of Christianity essential for all believers doctrine prayer eternal life prophecy Christian character and Bible study Strengthen your relationship with the living God with all twenty five books of the Teach Yourself the Bible Series Each volume is a timeless yet practical study of the Word of God *Practical Bible Doctrine* John K. Lashell, 2017-03-08 Like many others I have observed a lamentable tendency to divorce biblical doctrine from Christian practice People want to improve their lives so they ask for practical lessons to give them concrete solutions for their problems Certainly the word of God is filled with specific prescriptions for behavior but the strength to carry them out does not come from the commandments themselves As the Apostle Paul noted the law of God does not give life it kills Romans 7 9 11 It is the Spirit of God alone who enables us to live a new kind of life He does this by reorienting our thought patterns so that we see God the world and ourselves from God's perspective At the same time He changes our affections so that we love God and value the things that are important to Him What does the Spirit use to produce this wonderful transformation in us He uses the Scripture and more particularly the doctrines of Scripture God saves us and sanctifies us through the truth James 1 18 John 17 17 19 Therefore the major doctrines of the Bible are not dry dusty subjects of interest only to professional theologians They are intensely practical truths Good doctrine is meant to be lived You may have good doctrine in your head and live poorly but you cannot live well without good doctrine in your heart Practicing what we believe is the theme of this short Bible study Ryrie's Practical Guide to Communicating Bible Doctrine Charles C. **The Bible Doctrine of Man** John Laidlaw, 1895     *The Gospel and Epistles of John* Henry Cowles, 1876     *The Encyclopedia of Practical Christianity* Robert A. Morey, 2003-11

What does God want you to know, be, and do as an individual, family, church, and nation? This question occupies the Bible from Genesis to Revelation. Indeed, you could divide all the verses in the Bible into four groups. These are verses that address individuals, families, churches, and nations.

**Evangelical Bible Doctrine** Dr. Keith Sherlin, 2015-12-10

Over twenty-one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr. Mal Couch as well as to promote a solid, sacred, and safe theological manual for the body of Christ. Colleagues and friends of Dr. Couch, such as Dr. Wayne House, Dr. Norman Geisler, Dr. Arnold Fruchtenbaum, Dr. Timothy Demy, and more, along with many of Mal's students and disciples, set forth in this work a biblical and practical theology. The first half of the book covers all twelve of the major biblical doctrines of Christianity. The last half covers some of the hottest theological topics and practical issues that present-day believers ought to be aware of in order to properly defend the faith. In chapter 25, you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith. So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism, this book will provide for you a solid resource for many years to come.

**Evangelicals Engaging in Practical Theology** Helen Morris, Helen Cameron, 2022-03-30. This book aims to introduce a distinctively evangelical voice to the discipline of practical theology. Evangelicals have sometimes seen practical theology as primarily a liberal project. This collection, however, actively engages with practical theology from an evangelical perspective, both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom, the church, and beyond. This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles. Chapters begin by addressing methodological concerns before moving into areas of practice. Additionally, there are four short papers from students who make use of practical theology to reflect upon their own practice. Issues of authority and normativity are tackled head-on in a way that will inform the debate both within and beyond evangelicalism. This book will therefore be of keen interest to scholars of practical evangelical and Pentecostal
