Practical Bible Doctrine:

Practical Bible Doctrine Keith L. Brooks, 1961-06 The study of Bible doctrine is imperative but often difficult for new believers Use Practical Bible Doctrine to begin your study of subjects like the inspiration of Scripture Christ's incarnation and second coming the Holy Spirit and Satan The Teach Yourself the Bible series is one of the best New Testament studies you will find anywhere Each book in the series is packed full of valuable questions on individual chapters of the Bible check ups to test your grasp of scriptural truths and usable suggestions for group study Grow in your knowledge of God through each New Testament book then go on to study six aspects of Christianity essential for all believers doctrine prayer eternal life prophecy Christian character and Bible study Strengthen your relationship with the living God with all twenty five books of the Teach Yourself the Bible Series Each volume is a timeless yet practical study of the Word of God <u>Doctrine</u> John K. Lashell,2017-03-08 Like many others I have observed a lamentable tendency to divorce biblical doctrine from Christian practice People want to improve their lives so they ask for practical lessons to give them concrete solutions for their problems Certainly the word of God is filled with specific prescriptions for behavior but the strength to carry them out does not come from the commandments themselves As the Apostle Paul noted the law of God does not give life it kills Romans 7 9 11 It is the Spirit of God alone who enables us to live a new kind of life He does this by reorienting our thought patterns so that we see God the world and ourselves from God's perspective At the same time He changes our affections so that we love God and value the things that are important to Him What does the Spirit use to produce this wonderful transformation in us He uses the Scripture and more particularly the doctrines of Scripture God saves us and sanctifies us through the truth James 1 18 John 17 17 19 Therefore the major doctrines of the Bible are not dry dusty subjects of interest only to professional theologians They are intensely practical truths Good doctrine is meant to be lived You may have good doctrine in your head and live poorly but you cannot live well without good doctrine in your heart Practicing what we believe Ryrie's Practical Guide to Communicating Bible Doctrine Charles C.
