Practical Bible Illustrations From Yesterday And Today:

Practical Bible Illustrations, 1998 **God's Timing for Your Life** Dutch Sheets, 2001-04-05 Best selling author Dutch Sheets will inspire and encourage readers with this clear revelatory study of God's appointed times and seasons Going beyond the basic definitions of kairos and chronos Dutch brings fresh insight to the subject examining Scripture to show how kairos strategic times and chronos general times are not two separate and unrelated seasons in our lives but rather are often simply different phases of the same process Dutch looks at how God brought about His divine shift in the lives of men and women throughout the Bible and the many ways in which God used these seasons of change to deepen His people's understanding of Him *Heartwarming Bible Illustrations* Richard A. well as be angry happy jealous and glad Do you know Him that well The prophet Isaiah said that God sits on the circle of the Earth and we appear as grasshoppers yet He knows everything about us even the number of hairs on our head He has intimate knowledge of us In comparison at best we have only touched the surface of what we know of Him While He doesn't tell us everything He knows He has told us everything He wants us to know There are nuggets of truth burrowed deep in the scriptures for those who wish to learn of Him and make the effort to search for Him Now is a good time to get to know Him better Eternity is just ahead and it lasts a long time We serve a great God and He has good things planned for those who love Him He says in Ephesians that He is going to spend the ceaseless ages of eternity showing us His kindness That's a God worth knowing The Ancient Church: And Our Fundamental Beliefs Keith Seiber, 2018-11-29 When you begin reading this book you will embark on a trip through our early church history We will begin with where it all started with Jesus and the Apostles and the start of the church This book will hop around to examine the lives of the Apostles and the very Ancient church immediately after the lives of the Apostles had been extinguished by martyrdom I hope you are ready to begin the adventure and awe inspiring journey ahead as you begin your reading I encourage you to try to place yourself in the settings you will read about try to envision with your mind's eye what is going on in the situations we will examine and ask yourself would I be so noble would I be so true or would I stand so firm on Christ and His Word *Buy the Field* Rob Fleshman, 2013-05 Too many Christians go through the motions of everyday living without fully considering God's call for their life In *Buy the Field* readers' sights will be lifted and challenged to have Paul's rallying words be our heart's cry I press towards the mark for the prize of the high calling of God in Christ Jesus Philippians 3:14 In addition to raising awareness of our God ordained field Pastor Rob Fleshman also equips the reader with practical proven Biblical principles to launch out in faith and buy the field What a tremendous resource this book is I am constantly on the lookout for good books for thoughtful students about the issues of Christian living and *Buy The Field* is one I can whole heartedly recommend Morris Gleiser Evangelist and Author of *The Journey Navigating your Teenage Years* The Works of John Bunyan: Experimental, doctrinal, and practical John Bunyan, 1861 Bride Wore Black , A London Encyclopaedia, Or Universal Dictionary of Science, Art, Literature and Practical Mechanics Thomas Curtis, 1829 Aids to practical religion, from the writings of W.B.
