A Beginner's Guide to Bonsai J. D. Rockefeller,2016-01-27 Growing a bonsai tree has been a fascination for years But lately with the limited space available for most people especially in the cities bonsai has really become quite a craze all over the world The beauty of a bonsai tree is that it can be placed anywhere in your house in your living room or in your porch It doesn't take much space Aesthetically it looks great and goes with any kind of home decor It can be grown in any container and placed anywhere to add that natural touch to the place But does it require no care That's not true because just like your regular trees a bonsai also requires proper care fertilization and watering In fact if you take good care of your miniature tree it can survive for

hundreds of years Most people also think that only special varieties can be a bonsai tree That s also not true Any of your regular tree varieties can be turned into a miniature version with proper techniques But where do you start That s a good question especially for someone who is just starting out but has no idea about bonsais This guide is perfect for the beginner who wants to get a good idea of where and how to start with a bonsai So let s get started and fill your home and office desk with these miniature trees
