**Your Mesmeric Forces and How to Develop Them** Frank H. Randall, 1996-09 Transform Your World Through the Powers of Your Mind Jawara D. King D.D., 2009-06-10 Jawara D. King is back with another classic and has written the greatest self-help book of all time with **TRANSFORM YOUR WORLD THROUGH THE POWERS OF YOUR MIND**, which is a classic and spiritual masterpiece leading the world into manifested mind power. This transformational life-changing manual full of life-changing principles will help you make the proper mental adjustments needed to experience the full manifestation of thought power. A trained and directed mind disciplined to think the right thoughts will help you manifest the life you want through the power and possibility of faith. Learn how to not limit yourself in your thinking and allow the energy of thought to create the circumstances you desire. The only limits are our beliefs, which make the possible impossible while everything is possible, including the impossible, using mind over matter to overcome impossibilities. Through persistence, will, and daily commitment, you will be able to change or manifest anything within the realm of the possible through applied action. The beliefs you hold within are always repelling or attracting success, and your thoughts and spoken words will manifest. Building on the success of his first book **WORLD TRANSFORMATION**, Dr. Jawara D. King returns with a spectacular effort full of techniques that will make dramatic positive changes for you if practiced and help you see and imagine yourself being what you affirm to be. A decision backed by action is the root of all change, along with a change in your thinking. You have to believe it before you see it. Images of what you want in your mind begin the creative process. You attract situations that match the images of your daily thoughts, and what you mostly focus upon. Through mind power, your new life will reflect your new thoughts and habits.
