## Practical Endgame Lessons:

*Practical Endgame Lessons* Edmar Mednis, 1978-01-01      **Mastering Complex Endgames** Daniel Naroditsky, 2014-03-11 Young Daniel Naroditsky 1995 has picked the most instructive examples of endgames in which you have to use ideas and plans in order to outplay your opponent This is not an encyclopaedia nor a manual on endings which are usually helpful but boring but a compendium of lively lessons and exercises The positions that International Master Naroditsky uses should not be memorized but understood and his acclaimed didactic skills will take your endgame technique to the next level Never before have the ideas that decide endings been explained so clearly With exercise at the end of each chapter      *Rate Your Endgame* Edmar Mednis, Colin Crouch, 1992 The authors offer club and tournament players invaluable practical guidance on how to handle endgames with different types of material balance and provide over thirty exercises for readers to test their skills on      **Dvoretsky's Endgame Manual: Fourth Edition** Mark Dvoretsky, 2020-12-17 The Fourth Edition of a Modern Classic When you are serious about improving your endgame skills it is time for Dvoretsky's Endgame Manual Perhaps the best known and most respected instructor of world class chessplayers Mark Dvoretsky has produced a comprehensive work on the endgame that will reward players of all strengths For those ready to immerse themselves in endgame theory there may be no better manual available today But even if you do not play at master level the book has been designed to help your endgame too Basic theories and must know concepts are highlighted in blue You may skip the more complex analysis focus on the text in blue and still improve your endgame technique When it appeared in 2003 the first edition of Dvoretsky's Endgame Manual was immediately recognized by novice and master alike as one of the best books ever published on the endgame The enlarged and revised Fourth Edition is better than ever I am sure that those who study this work carefully will not only play the endgame better but overall their play will improve One of the secrets of the Russian chess school is now before you dear reader From the Foreword to the First Edition by Grandmaster Artur Yusupov Going through this book will certainly improve your endgame knowledge but just as important it will also greatly improve your ability to calculate variations What really impresses me is the deep level of analysis in the book All I can say is This is a great book I hope it will bring you as much pleasure as it has me From the Preface to the First Edition by International Grandmaster Jacob Aagaard Here's what they had to say about the First Edition Dvoretsky's Endgame Manual may well be the chess book of the year It comes close to an ultimate one volume manual on the endgame Lubomir Kavalek in his chess column of December 1 2003 in the Washington Post      **Dvoretsky's Endgame Manual: Second Edition** Mark Dvoretsky, 2020-11-12 The first edition of Dvoretsky's Endgame Manual was immediately recognized by novice and master alike as one of the best books ever published on the endgame The second edition is revised and enlarged now over 400 pages covering all the most important concepts required for endgame mastery I am sure that those who study this work carefully will not only play the endgame better but overall their play will improve One of the secrets of the Russian chess school is now

before you dear reader From the Foreword to the First Edition by Grandmaster Artur Yusupov Going through this book will certainly improve your endgame knowledge but just as important it will also greatly improve your ability to calculate variations What really impresses me is the deep level of analysis in the book All I can say is This is a great book I hope it will bring you as much pleasure as it has me From the Preface to the First Edition by International Grandmaster Jacob Aagaard Here s what they had to say about the First Edition Dvoretsky s Endgame Manual may well be the chess book of the year It comes close to an ultimate one volume manual on the endgame Lubomir Kavalek in his chess column of December 1 2003 in the Washington Post Dvoretsky s Endgame Manual is quite simply a masterpiece of research and insight It is a tremendous contribution to endgame literature certainly the most important one in many years and destined to be a classic of the literature if it isn t already one The famous trainer Mark Dvoretsky has put together a vast number of examples that he has not only collected but analysed and tested with some of the world s strongest players This is a particularly important book from the standpoint of clarifying correcting and extending the theory of endings Most of all Dvoretsky s analysis is staggering in its depth and accuracy John Watson reviewing DEM at The Week In Chess 2003 Book of the Year JeremySilman com 2003 Book of the Year Seagaard Chess Reviews This is an extraordinary good chess book To call this the best book on endgames ever written seems to be an opinion shared by almost all reviewers and commentators And I must say that I am not to disagree Erik Sobjerg

**Dvoretsky's Endgame Manual: Fifth Edition** Mark Dvoretsky, 2020-06-08 The Fifth Edition of a Modern Masterpiece When it appeared in 2003 the first edition of Dvoretsky s Endgame Manual was immediately recognized by novice and master alike as one of the best books ever published on the endgame The enlarged and revised fifth edition is better than ever Here is what Vladimir Kramnik the 14th World Champion had to say in his foreword to the fifth edition I consider Dvoretsky s Endgame Manual an absolute must for every chess professional and no less important even for a club player I always recommend this book I consider it to be one of the very best chess books published in recent times and I am very pleased with the new enhanced edition German grandmaster Karsten M ller widely recognized as one of the best endgame theoreticians in the world today has carefully updated the fifth edition with the help of American grandmaster Alex Fishbein The incredible instructional value of the exercises has been preserved and the blue text used in the first four editions has been replaced with text with a light grey background Here s what they had to say about the first edition Dvoretsky s Endgame Manual may well be the chess book of the year It comes close to an ultimate one volume manual on the endgame Lubomir Kavalek in his chess column of December 1 2003 in the Washington Post Dvoretsky s Endgame Manual is quite simply a masterpiece of research and insight Most of all Dvoretsky s analysis is staggering in its depth and accuracy John Watson at The Week In Chess 2003 Book of the Year JeremySilman com 2003 Book of the Year Seagaard Chess Reviews
