Essentials of Nursing Children and Young People Jayne Price, Orla McAlinden, Zoë Veal, 2023-12-15 This book is a one

stop shop for the vast majority of children and young people's nursing students. The editors for the new edition are Jayne Price from Kingston University, Orla McAlinden previously from Queen's University Belfast and Zo Veal from UWE Bristol, all with vast experience in nursing children and young people. A high level of research has gone into developing and refining the key features for this edition such as updated voices and implementing new NMC standards. This book maps to the content of the majority of pre-registration child nursing programmes and by adopting a 5 part structure it clearly covers the core parts of training and practice that you will need. Part 1 Principles of nursing children and young people. Part 2 Wellbeing and development. Part 3 Caring for children and young people with acute health care needs and injury. Part 4 Caring for children and young people with complex and high dependency needs. Part 5 Being a professional children and young people's nurse.
