the lived experiences of Indigenous northerners from 1959 until 1982 when the territorial government published a comprehensive plan for educational reform Led by Survivor testimony Fraser shows the roles both students and their families played in disrupting state agendas including questioning and changing the system to protect their cultures and communities Centring the expertise of Knowledge Keepers By Strength We Are Still Here makes a crucial contribution to Indigenous research methodologies and to understandings of Canadian and Indigenous histories during the second half of the twentieth century *Annual Report of the Commissioner of Education* United States. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
