Snauffer,2009-09-03

Prime time soaps are often revered long after their runs on television have ended as Dallas Twin Peaks and Beverly Hills 90210 readily demonstrate Due to their profound impact it s easy to forget how recently the genre itself was born Dallas premiered in 1978 and was originally intended to air solely as a five part mini series Then in 1981 producer Aaron Spelling stepped in and introduced his own ultra glitzy entry Dynasty Between these two mega hits the era of the nighttime soap was born Soaps soon spun off into non traditional avenues as well in sitcoms like Filthy Rich and the supernatural drama Twin Peaks Then with the arrival of the more youth oriented Fox Network producers were able to hook an entirely new generation on programs such as Beverly Hills 90210 Melrose Place and Party of Five Pay cable channels have also stepped into the picture and now act as trendsetters with hits like Sex and the City Six Feet Under The Sopranos and The L Word Now from the spiritually themed 7th Heaven to the naughty neighbors of ABC s Desperate Housewives soaps dominate prime time Prime Time Soaps covers all the major shows within the soap opera genre and also investigates all the ways that soaps have

contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators also supplement this revealing and entertaining account Even outside of their genre these shows continue to influence current programming Few series on TV today are purely episodic instead containing on going storylines involving the personal dilemmas of their characters Another very recognizable contribution from soaps occurred on the evening of March 21 1980 when Dallas finished out its third year with J R Ewing being shot by an unknown assailant leaving fans to wait until the fall for the resolution This was the beginning of the cliffhanger endings that are now implemented by just about every series on television Prime Time Soaps covers all the major shows and also investigates all the ways that soaps have contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators supplement this revealing and entertaining account The Legacy of Milton H. The Secret Teachings of All Ages Manly Palmer Hall,2025-11-18 This hardcover edition reprints Manly P Hall s 1928 bestselling classic compiling ancient and modern teachings from nearly 600 experts on the occult Includes 16 pages of color plates and over 100 black and white images **Tombs of the Gods** Kyle Weyburne,2023-07-06 We ve completely misunderstood the purpose of the pyramids They weren t built primarily as tombs instead they were intended to be used by Pharaoh while he was still alive In very ancient times the king was only allowed to rule for 30 years then he d be ritually killed They didn t want an old man in charge One day a Pharaoh was nearing his 30th year and decided he didn t want to die so came up with a set of rituals that would enable him to live on It was called Heb Sed This sacred ceremony was more than

just a life saver though it also enabled the king to merge with the Sun god After death Egyptian kings were believed to board the Sun boat where they would shine down on their subjects for all eternity However many things could go awry in this process particularly under the eyes of a successor What if they bungled the funeral What if they were a rival Heb Sed enabled all this to occur while the king was still alive so that he could preside over proceedings ensuring its success And the bonus of being able to do this while alive is that some part of the Pharaoh would board the Sun boat and in doing so the king would become a divinity the Pharaoh became a living God king But all this could only happen if they built a strange pyramid shaped structure to enable this potent magic to take place So they built pyramids And they got bigger and more magnificent with the passing of each King This madness came to a head with Pharaoh Snefru who built two massive pyramids the two biggest man made structures in the World How do you outdo this While his son Khufu only managed to build one pyramid it was the most impressive structure ever built by humans Still is in my book And yes it might have functioned as his tomb although Strabo and Diodorus swear black and blue that it wasn't however it was entirely geared to the Sun god as you will find out it was entirely geared for the King's Heb Sed This book is the sequel to *Architecture of Ra* but can be read independently of it It also delves into the myths of Egypt as well as those of other cultures Jason the Argonauts Icarus Jonah Thor Hercules I don't like calling these stories myths because they actually belonged to living religions and to make that grade the stories had to include information seminal to that culture And if the texts contain this knowledge then so did their religious buildings The knowledge encoded in Egyptian legends is also encoded in their pyramids

Keeping Up the Kardashians Brand Amanda Scheiner McClain, 2013-10-29 The Kardashian family is a contemporary cultural touchstone recognizable throughout the world connoting warrantless celebrity voluptuous beauty and social media savviness Amanda Scheiner McClain explores the Kardashians brand and celebrity via narrative discourse analyses of their hit reality television series *Keeping Up with the Kardashians* social media utilization and popular press coverage This triangulated study allows insight into contemporaneous American culture societal norms values and ideologies as well as structural and cultural aspects of cross platform brand creation The television series examination finds intrinsic paradoxes of sexuality conservatism family business beauty unhappiness narcissism celebrity intimate transgressiveness and traditional nontraditional gender roles as well as materialism and public vs private spheres themes In addition a study of the Kardashian blogs and Twitter use finds that their careful participation amplifies celebrity and unifies the overall brand into a single sellable image across media Through interactive media and just being themselves the Kardashians renovate banal status updates and hackneyed reality television into character constructing building blocks of brand celebrity and profits

Tracing the Heroic Through Gender Carolin Hauck, Monika Mommertz, Andreas Schlüter, Thomas Seedorf, 2018-10-09 In nahezu allen Gesellschaften und Epochen ist das Heroische vielfach gegendert Die soziale und kulturelle Produktion des Heroischen ist jedoch nicht ausschließlich mit dem Instrumentarium der Männlichkeitsforschung zu fassen und ebenso wenig scheint es sinnvoll Frauen bzw

Weiblichkeit in diesem Zusammenhang lediglich als Ausnahmen zu verstehen Vielmehr gilt es den relationalen Charakter ernst zu nehmen Der vorliegende Band unternimmt erstmals den Versuch Geschlecht als analytische Kategorie für die Heroismusforschung fruchtbar zu machen Auf der Basis vielfältiger geisteswissenschaftlicher Ansätze dient diese Kategorie als Spurensucherin/tracer des Heroischen und als Instrument zur Untersuchung der historischen Bedingungen medialen und performativen Erscheinungsformen sowie zeiträumlichen Konjunkturen und Transformationen Diese gilt es mit Hilfe der Kategorie Geschlecht und unter Nutzung der zugehörigen Eigenschaften neu auszumessen
