

The background of the slide is a complex, abstract visualization. It features a grid of small, glowing red and yellow spheres, possibly representing particles or data points, arranged in a pattern that suggests a lattice or a molecular structure. In the foreground, there are several large, circular, red structures with a textured, almost crystalline appearance, resembling large molecules or clusters of atoms. The overall color palette is dominated by reds, yellows, and blues, with a sense of depth and three-dimensional space.
