was swept up in the chaos of deception lies and cruel intentions For over five years the Institution and CPA Firm attempted to strip her of every shred of her dignity character and integrity In a climate of systematic abuse where ignorance is power and justification for wrongdoing Buckner fights for her improbable survival Buckner s story will give you hope and it will confirm the power of faith Her story will take you through many levels of brokenness gleaned from her journey will lift you up and help you not only survive but transcend suffering injustice and loss Displaying her extraordinary strength and endurance Living Beyond Nightfall is a brilliant display of individual resilience *The Publishers Weekly* ,1998 **Esther**
