A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew s theological perspective for his audience s Here we attempt to understand and isolate Matthew s unique theological perspective of God s activities in Jesus Messiah This is a central focus emphasizing Matthew s theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today s reader s engaging with Matthew s Gospel as literature Here we attempt to capture the significance of the perspective of today s reader s understanding of Jesus Messiah s activities in history and Matthew s theological perspective for the contemporary church In this book we view Matthew s perspective of God s activities in Jesus s unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus s example to follow and Jesus s words to obey Therefore Matthew s Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus s true identity in his deeds and introduces themes that

will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

Matthew 10-20 Kevin Perrotta, 2010-06 In the book of Matthew, Jesus teaches his disciples and us how to follow him. Matthew 10-20 On the Road with Jesus brings to life the teachings of Jesus as found in the book of Matthew. A Guided Discovery of the Bible: The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship. It presents the insights of Church fathers and saints, includes questions for discussion and reflection, delivers information in a reader-friendly format, gives suggestions for prayer that help readers respond to God's word, appeals to beginners as well as to advanced students of the Bible. By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word but also in our relationship with God.

The Structure of Matthew's Gospel David Bauer, 2015-01-29 This book addresses a central issue confronting the reader of the Gospel. Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward. After identifying rhetorical features that relate to literary structure, he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work. This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew's Gospel and for the new direction which it establishes.

The Acceptable Year of our Lord Clyde Wilcox, 2023-02-09 Knowing this first that no prophecy of the scripture is of any private interpretation. For the prophecy came not in old time by the will of man, but holy men of God spake as they were moved by the Holy Ghost. Holy Spirit 2 Pet 1:20a. EUR21 God Almighty is the author of the Bible. God's written Word. All scripture is given by inspiration of God 2 Tim 3:16a. There are many different conclusions and theories of the life and ministry of Jesus Christ. There is much still to be revealed by God, so we wait for the return of Christ. Only then we will know all the truth. This study was worked on with due diligence in an effort to rightly divide and stay true to the scriptures. Utilizing known dates from the feasts of the Lord, weekly Sabbaths, and distance from one location to another. Thanks to God for his love that worked in my heart that brought excitement and joy during the course of the study. It is my heart's desire that at least one person will find the same joy and excitement in reading this study as I had with the Father, God, when

I put it together GodaEUR tm s blessings to all from myself and my wife Deanne
