MCC Cricket Calendar 2006, 2005-05-26 *Wisden Anthology 1978-2006* Stephen Moss, 2006-10-01 A definitive tome essential to all cricket book collectors and Wisden readers In the early 1980s Wisden published four anthologies that celebrated the best of Wisden Cricketers Almanack stretching back to its first edition in 1864 Edited by the respected jazz musician raconteur and cricket lover Benny Green these volumes proved very popular Wisden readers have long awaited a fifth updated volume to cover the intervening period marked by all time greats like Viv Richards Ian Botham Richard Hadlee Imran Khan Sachin Tendulkar Steve Waugh Brian Lara and Shane Warne The Wisden Anthology 1978 2006 meets this demand though it does not follow the style of the Benny Green volumes Rather than selecting random highlights Stephen Moss has edited this anthology with the aim of painting a coherent picture of cricket s evolution over the past 30 years Quite simply it is a story of revolution beginning in Test cricket s centenary year when England regained the Ashes Geoffrey Boycott scored his hundredth hundred Ian Botham took five for 74 on debut and Kerry Packer s millions ensured the era of deferential players earning a pittance was over for good Thirty years on for better or worse cricket has changed radically The top players form a highly paid elite who rarely venture beyond the international arena television calls the tune the political balance of power has shifted towards Asia one day cricket in coloured clothing is ubiquitous and run rates rise inexorably while batsmen tear bowlers to pieces as never before To the gnarled old pros of the 1950s the game must be unrecognisable A genuine revolution charted in 40 000 Wisden pages over the past 30 years is now distilled into a 1 280 page anthology that selects the matches players events and controversies which ushered the game into a brave new century [Playfair Cricket Annual 2015](#) Ian Marshall, 2015-04-09 The cricket world s bestselling pocket annual The indispensable guide to the season The Playfair Cricket Annual 2015 includes coverage of the 2014 season including the LV County Championship Royal London One Day Cup and the NatWest T20 Blast It also contains a detailed register of all current first class county players and umpires including career bests in international Twenty20 matches county records and 2014 first class averages current county players first class and List A limited overs career records Test match scores and averages women s limited overs and international Twenty20 records 2015 fixtures including 2nd XI and Minor Counties New features this year include county players squad numbers listed as well as any IPL and Big Bash appearances plus a new players register for England s women internationals *Playfair Cricket Annual 2012* Ian Marshall, 2012-04-12 The 65th edition of the PLAYFAIR CRICKET ANNUAL reviews England s two triumphant 2011 home Test series against Sri Lanka and India as well as their autumn winter matches against India and Pakistan The book is packed with all the essential information required to follow events on the cricket field with unrivalled up to the minute statistical detail on all first class players registered in the UK at the time of press There are fixture lists for the coming season including 2nd XI and Minor Counties It also features highlights of the 2011 summer and previews the 2012 tourists the West Indies and South Africa plus full Test match first class and limited

Broadcasting Rights for Cricket

Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2006-02 Public interest in the recent Ashes test series served to heighten the anger about the removal of Test cricket from free to air television This report looks at the contract between the ECB and Sky the statutory framework behind the listing of sporting events the reasons for excluding test cricket from the A list and the gentleman's agreement that had existed that a substantial proportion of Test cricket would be maintained on free to air channels Although the Committee supports the idea of free to air broadcasting they do not recommend re-listing in Group A They recognise that the ECB is best qualified to judge the long term interests of the game but that they must also balance the public interest

Rethinking the Case Study in International Business and Management Research

Rebecca Marschan-Piekkari, Catherine Welch, 2011-01-01 This important and original book places the case study in international business research in its historical context critically evaluates current case study practices in the field and proposes a more pluralistic future for case research within international business and international management research While the case

study is the most popular qualitative research strategy in the field only a narrow selection of possible approaches is currently used IB and IM researchers typically rely on a case study approach that could be characterized as qualitative positivism The editors and contributors look beyond this disciplinary convention and encourage greater pluralism in IB and IM case research Their key argument is that increased awareness of prevailing disciplinary conventions and their limitations increases the potential for methodological innovation and versatility in case research The contributions provide critical novel and innovative perspectives on the case study in IB and IM research The book offers inspiration to case authors and an authoritative methodological reference for those publishing and reviewing case research It will also be highly regarded by postgraduate and doctoral students in IB and IM as well as both qualitative and quantitative researchers in the field
