Meditations On The Character Of God:

Meditations on the Character of God Robin K. Schroeder, 2012-02-27 These devotionals were birthed out of a personal quest that ended up being shared with our church Nara International Christian Center in Ikoma Japan Years ago I heard a life changing phrase We become like who we worship followed by Nearness brings likeness These two statements changed my whole spiritual outlook My personal desire was to really grasp the character of God So as I worshipped Him I would be changed to become more like Him I believe the more we grasp His character we will also be able to trust more our faith will be strengthened and hope becomes solid almost tangible with the power of Knowledge of God's eternal trustworthiness

Robin Schroeder **Meditations on the Character of God** Robin Schroeder, 2003-02 **Living God's Life** Daniel Manzano, 2009-06-01 Does it matter what I think of God Whether I think He is a stern judge taskmaster or indulgent sugar daddy isn't it alright just as long as I think about Him It matters because how I think creates how I live My ideas produce my actions Even if I think He does not exist how I think of God affects everything that has to do with me My thoughts my actions my desires my eternal destiny rests on what I think about God To know God is to love Him Our understanding needs to be increased so we can draw closer to Him This book is the result of years of study and observation It is not an effort to be exhaustive but to stimulate thought The book is designed so it can be read in one sitting but then the reader can go back to meditate on and discuss the concepts and ideas presented From stories and events recorded in the pages of the Bible are drawn revelations of the character of God that will lift the spirit bringing encouragement and hope to we who often feel so separated from the life God wants us to live **Be Still & Know** Brian H. Cosby, 2011-01-18 Meditating on the character of God is a duty of delight In a fast food culture of busy schedules and social networking God quietly calls us to enjoy fellowship with him This book of meditations is designed to usher you unto the green pastures of God's transformative grace by focusing your thoughts on His manifold attributes At the center of it all is the glorious Gospel of Jesus Christ Cosby guides the reader through each attribute by providing prayer biblical perspective and reflective questions to direct the meditation on God's character Take God's exhortation to be still and know that He is God Who God Is Ben Witherington, 2020-04-01 Do you know the character of our God do you know who God is What does it mean to say that God is love light life and spirit In Who God Is world renowned New Testament scholar Ben Witherington III explores the nature and character of the God of the Bible by focusing specifically on the nouns used to describe who God is This rich exploration has its foundation in a deep reading of the biblical text Reflecting on these descriptions of God gives us a fresh understanding of the beauty and uniqueness of the character of our God **None Else** Joel R. Beeke, Brian H. Cosby, 2020-06-01 This book delivers a month's worth of meditations on God's character and attributes so that you will grow in both knowledge of and love for the Rock of your salvation by the Spirit's grace While there are many devotionals in the marketplace offering guidance into the treasures of God's Word **None Else** specifically reflects on God's manifold perfections as a means through which He by His Spirit

graciously transforms our minds changes our hearts and molds us into the image of His Son Jesus Christ *Meditations on God's Character* The Daily Grace Co.,2022-08 *Hilltop Scriptural Meditations* Rev. Benjamin A Vima,2015-12-04 During all the hilltop moments in Jesus's life not only was he informed and confirmed by his Father about his true identity and mission but he also shared those inspirations with his followers This is what the scriptures and the Church exhorts us to encounter during our personal prayer time The author esteems of his retirement life of solitude as a hilltop milieu that is very conducive to meditate in the presence of God who is the highest According to the author Where the Highest is there the hilltop is And he asserts the meditations found in this work have been collected when he was at his highest place This book contains fifty two weekend meditations based on liturgical year C's Sunday scriptural passages The author writes in his foreword the following I dream to see this work as a handbook to be used either in the hands of every Christian at his/her Sabbath prayer hours or at the desks of preachers during the preparation of their Sunday homilies *The Exemplary Life and Character of James Bonnell* William Hamilton,1829 **God Is** Garland Grimes,2018-03-26 In ages past humankind looked out upon a world filled with peril and delight It was as mysterious as it was beautiful With other creatures they shared the terra firma the fertile ground upon which they were collectively dependent The skies and seas brought forth their own kind flooding the wind and the wave In time all returned to the dust Like the clouds they came and went But the mountains seemed solid and the stars spoke of a primal order and permanence Behind this wondrous abode above and beneath there was someone else the one by whom all that is is It was he whom we call God He was there before the earth was formed and he will remain after it has turned to ashes Today many insist that God is simply the mythical creation of prescientific man the product of darkness and ignorance of humanity's struggle with the unknown An increasing number of our academic and cultural elite consider the very idea of a Supreme Being to be outdated superstitious and even dangerous The danger of course is not to the world but to the world as they would have it The idea is not so much the threat as the reality because God does exist and he is the creator and sustainer of all that is and ever will be even of our next breath His presence is inescapable and hence the inspiration for this book He is And through the visible manifestations of his divine glory he infuses meaning and purpose into every aspect of reality God is the heart of all truth the wellspring of every goodness and our supreme joy Adore His Name Jacalyn McLeod,2014-01-06 God brought me through years of trouble and deprivation placing my family in circumstances we came to believe were a strategic prison Would we ever get out When I began to systematically recite back to God His names and attributes as described in His Word my knowledge of Him deepened my confidence in Him grew and I stopped worrying I wrote these meditations in verse like the Psalms to declare who the God of the Bible is separating Him from all others so that you too can break through to greater understanding of His purposes and wisdom His names are capitalized and arranged alphabetically so they are easy to memorize or recite as worship While Adoring His Name your prison can become a sacred meeting place a glorious garden of peace with springs of living water *Meditation on the Divine Legitimacy of Man*

Bogdan J. Wnuk,2009-07-02 Meditation is the result of departing from and returning to Christianity It is about tasting again the salt of Jesus teachings and rejoicing in imitating him in our eternal life which for us christians begins down here on earth and will continue on in heaven The Catholic Church which I served as an altar boy from the age of 6 to the age of 18 made me a legalistic robot with little or no free will I was engulfed in guilt and despair that I will never amount to anything good spiritually One day I quit trying to become a good catholic and went on a journey of discovery of other more attractive religions only to find along the way that Jesus is the way *Thoughts of Meditation in a Search for God* Donald M.
