I think many of us don t really consider the subtle but sometimes enormous changes that can take place in the human mind over the course of time We often hear people say I d love to be eighteen again and know what I know now but how many of us would want to put our past lives out there for the whole world to see especially when the path that we ve walked was chest deep in pain and turmoil It was in January of 2006 that I decided to write PIECES OF MY PATH What precipitated my putting finger to keyboard was located in a cardboard box stashed away and wrapped in a black garbage bag high upon a shelf in the guest bedroom closet I was thinking a lot about my dark days and how far I had come from those crippling depressed times in the early 90 s so I decided to pull down that black bag filled with memories and take a peek back into a bleak yet rewarding past **Poems for the Young at Heart** Prisha Sharma, 2022-02-10 Prisha is a young chirpy girl who loves animals nature and poetry She is an avid reader and has read almost 500 books already both fiction and non fiction her latest fondness is reading about myths and legends She also loves listening to music and often writes with her headphones on Kind compassionate caring and witty are words that describe her best She deeply feels about and speaks on environmental issues equality children s rights etc Her personality revolves around words and she firmly believes in the phrase Pen is mightier than the sword **People Speak** Hayim Valder, 2002 With his best selling Kids Speak series touching the hearts of kids all over Chaim Walder now turns his attention to adults This new collection of real stories by real people is a poignant panorama of the struggles and triumphs of people just like you From troubled teens to adopted children shidduchim mix ups and raising children every story comes with its own inspiring message **The Miracle Effect** Sylvia Vowless QSM, 2016-03-10 Everywhere people are asking I believe miracles are possible but how do I attract them and live a life of Heaven on Earth every day This evolutionary book is the much needed answer Author Sylvia Vowless life hasn t always been wonderful and miracle filled Since her humble beginnings shes overcome many obstacles fears and limiting beliefs to make her dreams a reality Through years of study and testing she has learned to create a super charged life and in this guidebook she shares life changing principles and powerful techniques to help you do the same The Miracle Effect offers a goldmine of

Lynn Harris,2012-11-28 Four friends all graduates of Hampton Institute keep a collective journal they call If This World Were Mine and share their personal diaries each month at a gathering filled with humor gossip and affirmation The four group members are as different as the seasons yet they all share a love of one another Yolanda a media consultant keeps it going on with a no nonsense attitude and independence that are balanced by the theatrics of Riley a former marketing executive whose marriage has reduced her to a kept woman with kids Computer engineer Dwight s anger at the world is offset by the compassion of Leland a gay psychiatrist whose clients make him question why God ever invented sex But after five years the once strong bonds of friendship are weakening and the group must handle challenges of work lost love and a stranger in their midst As the group members confront their true feelings toward each other resentments and long held secrets surface and the stability of the group begins to disintegrate Is their past friendship strong enough to survive the future **My Father's List** Laura Carney,2023-06-13 Fifty four adventures in six years That s what thirty eight year old journalist Laura Carney embarked on when she discovered her late father Mick s bucket list Killed in a car crash when Laura was twenty five Mick seemed lost forever My Father s List is the story of how one woman with the help of family friends and even strangers found the courage to go after her own dreams after realizing those of a beloved yet mysterious man This is a story about secrets and the freedom we feel when we learn to trust again in life in love and in a father s lessons on how to fully live **Shadows in the Sun** Gayathri Ramprasad,2014-02-11 Presents a first of its kind cross cultural lens to mental illness through the inspiring story of Gayathri s thirty year battle with depression This literary memoir takes readers from her childhood in India where depression is thought to be a curse to life in America where she eventually finds the light within by drawing on both her rich Hindu heritage and Western medicine to spare As a young girl in Bangalore Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps her family protected by Hindu gods and goddesses But as she grew older demons came forth from the dark corners of her idyllic kingdom with the scariest creatures lurking within her

The daughter of a respected Brahmin family Gayathri began to feel different I can hardly eat sleep or think straight The only thing I can do is cry unending tears Her parents insisted it was all in her head Because traditional Indian culture had no concept of depression as an illness no doctor could diagnose and no medicine could heal her mysterious malady This memoir traces Gayathri s courageous battle with the depression that consumed her from adolescence through marriage and a move to the United States It was only after the birth of her first child when her husband discovered her in the backyard clawing the earth furiously with my bare hands intent on digging a grave so that I could bury myself alive that she finally found help After a stay in a psych ward she eventually found the light within an emotional and spiritual awakening from the darkness of her tortured mind Gayathri s inspiring story provides a first of its kind cross cultural view of mental illness how it is regarded in India and in America and how she drew on both her rich Hindu heritage and Western medicine to find healing
