Paul,2012-05-01 In depth exegesis from a renowned Hebrew scholar This Eerdmans Critical Commentary volume is Shalom Paul s comprehensive all inclusive study of the oracles of an anonymous prophet known only as Second Isaiah who prophesied in the second half of the sixth century B C E Paul examines Isaiah 40 66 through a close reading of the biblical text offering thorough exegesis of the historical linguistic literary and theological aspects of the prophet s writings He also looks carefully at intertextual influences of earlier biblical and extrabiblical books draws on the contributions of medieval Jewish commentators and supports the contention that Second Isaiah should include chapters 55 66 thus eliminating the need to demarcate a Third Isaiah The Year the Stars Fell Candace S. Greene,Russell Thornton,2007-06-01 Winter counts pictorial calendars by which Plains Indians kept track of their past marked each year with a picture of a memorable event The Lakota or Western Sioux recorded many different events in their winter counts but all include the year the stars fell the spectacular Leonid meteor shower of 1833 34 This volume is an unprecedented assemblage of information on the important collection of Lakota winter counts at the Smithsonian a core resource for the study of Lakota history and culture Fourteen winter counts are presented in detail with a chapter devoted to the newly discovered Rosebud Winter Count Together these counts constitute a visual chronicle of over two hundred years of Lakota experience as recorded by Native historians A visually stunning book The Year the Stars Fell features full color illustrations of the fourteen winter counts plus more than 900 detailed images of individual pictographs Explanations provided by their nineteenth century Lakota recorders are arranged chronologically to facilitate comparison among counts The book provides ready access to primary source material and serves as an essential reference work for scholars as well as an invaluable historical resource for Native communities *Herein is Love, Vol. 4: Numbers* Nancy Ganz,2006-06-01 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary David Almond Don Latham,2006 David Almond s six books have been praised for their lyrical prose their evocative use of magical realism and their sensitive male and strong female characters His work has garnered several prestigious literary awards including the Carnegie Medal the Whitbread Children s Book of the Year Award and the Michael L Printz Award Clearly Almond is a significant talent in the world of young adult literature who has in a short time gained an impressive amount of recognition but to date little critical commentary devoted to Almond s works has appeared Given the high regard accorded Almond s work and his regular output over the last five years it is appropriate that this book

length critical study of his works is published David Almond Memory and Magic discusses how Almond's major themes relate specifically to the development of selfhood in his adolescent characters and explores the four major themes that are evident in all of his works magical realism death memory and imagination A chronology extensive bibliography afterword and index round out this text that serves as a resource for scholars and students of young adult fiction as well as teachers and librarians who work with young adults ultimately helping to foster among young people a deeper appreciation for Almond's work as a literary artist

“The” posthumous works of Robert Hooke containing his Cutlerian lectures and other discourses, read at the meetings of the illustrious Royal Society Robert Hooke,1705 **Revelation** Rob Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story **The Hidden Unity of the Bible** Pieter J. Lalleman,2024-09-12 **Anticipating Heaven** Michael E. explorations of human relationships with the earth asks that we complete the ideological revolution set in motion by Copernicus and Darwin concerning human importancene They challenged the notion of our God given centrality within the universe and within earth s evolutionary history Yet as our continuing exploitation of earth s resources and species demonstrates we remain wedded to the theological assumption that these are there for our sole use and benefit Now James Lovelock s scientific understanding of the existential reality of Gaia s gift of life again raises the question of our proper place within the universe It turns us decisively towards an understanding of ourselves as dependent on rather than in control of the whole earth community **Shared Stories, Rival Tellings** Robert C.
