*Number In Scripture* E W Bullinger, 2024-12-27 *Number in Scripture* Its Supernatural Design and Spiritual Significance by E W Bullinger is a comprehensive exploration of the symbolic and spiritual meanings of numbers in the Bible Published in 1894 the book reflects Bullinger's theological scholarship and his interest in numerology specifically its biblical application The work aims to demonstrate how numbers in Scripture reveal a divine pattern and order supporting the idea of the Bible's divine inspiration

*Number in Scripture* E. W. Bullinger, 2020-09-18 E W Bullinger was a 19th century English clergyman scholar and prolific author He is best known for his detailed six part work *The Companion Bible* which was published over many years from 1909 to 1922 That comprehensive guide has assisted countless readers in their goal of better understanding the Bible In his work *Number in Scripture* Bullinger examines in impressive detail all of the occurrences of numbers in the Bible and concludes that an examination of these numerical references proves that it was written by God and not by man Bullinger finds patterns in the number of things made by God in Genesis the number of books of the Bible the frequency by which some words and phrases are repeated and examines the meaning and significance of numerical references as they appear in the Holy Book As anyone who has read the Bible can attest numbers play an important role in God's message for man and Bullinger's work makes understanding the importance of these numbers easy for both those new to the scriptures and those who have been reading and studying it for years This edition is printed on premium acid free paper

*Your Days Are Numbered* Michael A. Price, 2011-04-13 It is hopeful that this present work should be a blessing to those who read it When the writer of this book started taking notes and studying the various numbers in scripture it was his initial desire to know and to understand the God of the Bible in a deeper way This work has been in the making for twenty plus years Yet there still remains an insurmountable amount of evidence

which suggests that God's ways are past finding out by the human mind and intellect God is Spirit and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty The subject of numbers in scripture has proven to be a fascinating endeavor but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit Illustrations are continually being discovered It would be irreverent to suppose that this work could be complete for it would assume that the wonders of the Creator as manifested through numbers in scripture could be all discovered May this modest work be to the praise and glory of the One and Only True God

**Numbers in the Bible** Robert Johnston, Johnston develops his fascinating investigation of biblical numerology by showing the uniqueness of the eternal Word of God and its God breathed inspiration Biblical Numeric Keys R. J. Plugge, 2016-11-28 God does things by the numbers He knows the number of hairs on your head and the number who will be saved He sets dimensions durations designs definitions and destinations He numbered six 6 days for his work of Creation then he sanctified the seventh for mankind The numeric 7 has ever since been used as the number symbolizing perfect in the eyes of heaven and of those things expressing the actions of God Throughout the scriptures God has communicated through numbers which are both symbolic and literal counts The message in a scriptural text is often as much or even more within the symbolism of the associated numbers as it is within the words or actions depicted The numbers often help explain or even interpret a written text In this book are the most likely symbolic revelations to be associated with forty numbers including 153 666 1290 and 1345 It will help you appreciate the depth of messages conveyed throughout God's Word
