Nun A Memoir

Mary Gilligan Wong

Nun A Memoir:

Nun Mary Gilligan Wong, 1984 *Lieutenant Nun* Catalina De Erauso, 2011-02-07 One of the earliest known autobiographies by a woman this is the extraordinary tale of Catalina de Erauso who in 1599 escaped from a Basque convent dressed as a man and went on to live one of the most wildly fantastic lives of any woman in history A soldier in the Spanish army she traveled to Peru and Chile became a gambler and even mistakenly killed her own brother in a duel During her lifetime she emerged as the adored folkloric hero of the Spanish speaking world This delightful translation of Catalina's own work introduces a new audience to her audacious escapades The Life and Loves of an Ex-Nun Jo Marie De Angelo, 2018-11-19 The memoir titled *The Life and Loves of an Ex nun* The memoir begins with The Early Years as far back as the author can remember and recounts the unusual circumstances that lead her to the decision to enter religious life at the age of thirteen It recounts the experiences of the life of a nun within a very traditional European Community her reasons for eventually leaving and the varied tapestry of the life and loves that followed The final chapter on Intuition concludes with her affirmation perhaps imperative to trust and to follow your gut in making important choices on one's journey through life

Called: The Making & Unmaking of a Nun Marge Rogers Barrett, 2016-05-21 Margaret Rogers grew up in a large family in a small town on the prairie lively and free spirited But in high school God called her In 1963 she entered the convent to become Sister Zoe And then she was called again *Once Upon a Convent* Orice Klaas, 2015-07-16 A fifteen year old girl enters a convent during the mid nineteen fifties when nuns still wear traditional habits and are physically and emotionally removed from the rest of the world Subjected to rigid programming that includes almost perpetual silence and nearly total social isolation from her fellow community members the young nun believes that God has called her and stays there for nineteen years She eventually finds liberation and clarity through an unexpected sexual awakening with another woman The manner in which she resolves the conflict this causes between her spiritual and human needs leads her to a new future

One Nun's Odyssey Marion Kenneally, 2016-01-05 This story chronicles the journey of an 18 year old young woman who entered an Order of teaching nuns in 1952 believing herself to have a religious vocation After three years of novitiate training she pronounced vows and was assigned to teach in the elementary grades of parochial schools in New Jersey Baltimore Fall River and New York During the last two years of her life as a nun she matriculated in a program of religious studies at Fordham University There she enjoyed exposure to many European theologians who proffered enlightened views on religion and she ultimately called into question some of the tenets of the Catholic Church Ultimately she rejected her faith and sought dispensation from her vows **And Then There Were Nuns** Jane Christmas, 2013 Just as Jane Christmas decides to enter a convent in mid life to find out whether she is nun material her long term partner Colin springs a marriage proposal on her Determined not to let her monastic dreams be sidelined Christmas embarks on a year long adventure to four convents one in Canada and three in the UK In these communities of cloistered nuns and monks she revels in and at times

chafes against the silent simple existence she has sought off of her life **Memoirs of a Nun** Denis Diderot,1992-06-30
 Memoirs of a Nun which began as a joke and grew into a masterpiece was one of the loudest salvos fired in the continuing battles between the clergy and the intelligentsia which defined so much of eighteenth century French history Diderot's story of a novice held in a convent against her will and forced to undergo curious spiritual and sexual trials displays all the brilliance icy wit and worldliness of the Enlightenment at its best *A Blessing, an Old Nun Said* Joan Irene Edwards,2001-01-01 *Predatory Nuns* Brian Titley,2022-06-24 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings
 The Tulip and the Pope Deborah Larsen,2007-12-18 The story of novelist and poet Deborah Larsen's young womanhood The Tulip and the Pope is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent In midsummer of 1960 nineteen year old Deborah shares a cab to a convent She and the teenage girls with her passionate to become nuns heedless of all they are leaving behind smoke their last cigarettes before entering their new lives In the same artful prose that distinguished her novel The White Larsen's memoir lets us into the hushed life of the convent She captures the exquisite peace she found there as well as the extreme constriction of the rules and her gradual awareness of all that she is missing Eventually the physical world the lush tulip she remembers seeing as a girl the snow she tunneled in and even the mystery of sex begins to seem to her an alternative theater for a deep understanding and love of God **The Red Skirt** Patricia O'Donnell-Gibson,2011-07-29 Impressionistic and dreamy a nine year old girl immediately feels that she might be called by God when a Catholic missionary speaks to her third grade class at a Catholic school The idea of this calling embeds itself into her haunting her through elementary and high school after which she chooses to enter the convent Her story follows the five years she spent as an Adrian Dominican nun struggling to balance her desire for a secular life with her great fear of turning her back on God's call Her stories are sad as well as joyous inspiring as well as unsettling **Catholic nuns and sisters in a secular age** Carmen M. Mangion,2020-01-09 This is the first in depth study of post war female religious

life It draws on archival materials and a remarkable set of eighty interviews to place Catholic sisters and nuns at the heart of the turbulent 1960s integrating their story of social change into a larger British and international one Shedding new light on how religious bodies engaged in modernisation it addresses themes such as the Modern Girl and youth culture 1968 generational discourse post war modernity the voluntary sector and the women s movement Women religious were at the forefront of the Roman Catholic Church s movement of adaptation and renewal towards the world This volume tells their stories in their own words *Memoirs of the Life of Henriette-Sylvie de Moliere* Madame de Villedieu,2007-11-01 Known as Madame de Villedieu Marie Catherine Desjardins ca 1640 83 was a prolific writer who played an important role in the evolution of the early modern French novel One of the earliest women to write for a living she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction drama and poetry *Memoirs of the Life of Henriette Sylvie de Moli re* a semi autobiographical novel portrays an enterprising woman who writes the story of her life a complex tale that runs counter to social expectations and novelistic conventions A striking work the story skillfully mixes real events from the author s life with fictional adventures At a time when few women published Villedieu s *Memoirs* is a significant achievement in creating a voice for the early modern woman writer Produced while the French novel form was still in its infancy it should be welcomed by any scholar of women s writing or the early development of the novel **The Nun, the Pope, and the Wind** Joyce H. Vandever,2016-11-08 On her fifth birthday Joyce made her first vow Raised in a devout Catholic home she decided to put the needs of others before her own At age thirteen her mother died She sought a life with the nurturing nuns who taught her Joyce describes the process of almost ten years of sister formation leading to professing the vows of poverty chastity and obedience for life Why then did she leave the convent She had come from a generation screaming for release from meaningless social rituals and when convent rules began changing because of Pope John XXIII s Ecumenical Council Joyce changed too This unusual story explores a world very few people know *Lieutenant Nun* (SparkNotes Literature Guide) SparkNotes,2014-08-12 *Lieutenant Nun* SparkNotes Literature Guide by Catalina de Erauso Making the reading experience fun Created by Harvard students for students everywhere SparkNotes is a new breed of study guide smarter better faster Geared to what today s students need to know SparkNotes provides Chapter by chapter analysis Explanations of key themes motifs and symbols A review quiz and essay topicsLively and accessible these guides are perfect for late night studying and writing papers **Particular Friendships: A Convent Memoir** Kathleen J. Waites,2006-05 *Particular Friendships: A Convent Memoir* offers a rare glimpse inside the walls of a Roman Catholic convent in the late 1960s The young narrator arrives with gentle visions spawned by *The Sound of Music* only to encounter the harshness of life in this secretive society Her wit compassion and musicality foment a rebellion against rules forbidding expressions of joy and intimacy as she struggles between allegiance to the heart and her vow of blind obedience to flawed and abusive superiors Recently filed lawsuits against the Church suggest that the timing could not be better for an ex nun s memoir Part mystery

part coming of age story this narrative seeks neither to damn nor to exonerate but to uncover the truth Creative Sexuality Barbaralie Stiefermann,2014-07-18 This book is my attempt to broaden the traditional Catholic teaching of the purpose of sexuality namely procreative and unitive to creative and integrative no matter what our walk in life I hope my life as a celibate subtly and implicitly exemplifies the integrative and creative sexual energies as seen through my relationships and experiences portrayed in my memoirs Without minimizing the procreative and unitive I invite you the reader to see human sexuality through a wider lens and value this precious gift To the Christian and as a sister it transcends the temporal and becomes sacramental Love one another as I love you *Sanctified Subversives* Horacio Sierra,2016-09-23 As chaste women devoted to God nuns are viewed as the purest of the pure Yet as females who reject courtship sex marriage child bearing and materialism they have been the anathema of how society has proscribed expected and regulated women sex object wife mother and capitalist consumer They are perceived as otherworldly beings yet revered for their salt of the earth demeanor This book illustrates how both English and Spanish Renaissance era authors latched onto the figure of the nun as a way to evaluate the social construction of womanhood This analysis of the nun s role in the popular imagination via literature explores how writers on both sides of the Catholic Protestant divide employed the role of the nun to showcase the powerful potential these women possessed in acting out as sanctified subversives The texts under consideration include William Shakespeare s Measure for Measure Margaret Cavendish s The Convent of Pleasure Mar a de Zayas s The Disenchantments of Love Aphra Behn s The History of the Nun Catalina de Erauso s The Lieutenant Nun and Sor Juana In s de la Cruz s autobiographical and literary works No other book addresses these issues through a concentrated study of these authors and their literary works much less by offering an in depth discussion of the literature and culture of seventeenth century England Spain and Mexico **Edinburgh Companion to Atlantic Literary Studies** Leslie Eckel,2016-09-20 New and original collection of scholarly essays examining the literary complexities of the Atlantic world system This Companion offers a critical overview of the diverse and dynamic field of Atlantic literary studies with contributions by distinguished scholars on a series of topics that define the area The essays focus on literature and culture from first contact to the present exploring fruitful Atlantic connections across space and time across national cultures and embracing literature culture and society This research collection proposes that the analysis of literature and culture does not depend solely upon geographical setting to uncover textual meaning Instead it offers Atlantic connections based around migration race gender and sexuality ecologies and other significant ideological crossovers in the Atlantic World The result is an exciting new critical map written by leading international researchers of a lively and expanding field Key Features Offers an introduction to the growing field of Atlantic literary studies by showcasing current work engaged in debate around historical cultural and literary issues in the Atlantic World Includes 26 newly commissioned scholarly essays by leading experts in Atlantic literary studies Fuses breadth of historical knowledge with depth of literary scholarship Considers the full range of intercultural encounters around and across
