## **Nun Of This And Nun Of That:**

Nun of This and Nun of That Mary Hilaire Tavenner, 2001-11-27 Visit the author's website at [www.DutchInk.com](http://www.DutchInk.com) After leaving her religious order in October of 1984 Hilaire had two ambitions to write a realistic book about convent life and to earn a Ph.D. from the University of South Florida. Working full time as a teacher made her realize one of these ambitions would have to wait so after starting her book *Nun of This and Nun of That* she set it aside for the next eight years until she earned her doctorate. Her novel spans almost ten years of religious life starting in 1963 when twenty five young women all enter a convent in Albany New York. This is a story of all the girls but particularly three who enter, live, stay in and leave religious life for various reasons. The author invites the reader into the secret cloisters of convent living beyond the front parlor once the only space available to visitors. Every life experience is unique to every woman in religious life but the adventures and journeys of these three girls reveal the joys, sorrows, trials, tribulations and triumphs of convent living during and after the Second Vatican Council. Dr. Tavenner calls her book realistic fiction though most of it is based on true stories. Dr. Tavenner living among her community members for almost twenty years and even while in the convent began the groundwork and outlines for this book. Many may be incensed or indignant of her portrayal of characters but for the men and women familiar with convent living, the Church and priesthood of the 1960s, *Nun of This and Nun of That* is *deja vu*. **Nun of This and Nun of That** Mary Hilaire Tavenner, 2001-11-27 Visit the author's website at [www.DutchInk.com](http://www.DutchInk.com) **The Nun's Tale** Pae Robin, 2012 Pae Robin is the nom de plume of Peter James Robinson. Ramsay, 2010-09-22 Rose a small town European girl had one passion for life she wanted to be a nun. Rose was wronged and brutally injured after her first year in convent her wounded life had to be placed in a cast to heal. While healing she found a second passion that kept her alive but that second passion was forbidden. Julia her confidant kept her protected from life's realities until she was healed and ready to step out of her cast and face the world unveiled. When that cast was removed Rose found new strength and courage that propelled her to stand face to face with the one opponent who had wounded her and kept her suffocated for more than three decades. In that full circle moment Rose was set free to claim a new life on her terms with a renewed vision to live out her old passions in disguised ways. **The Third Millennium** Ilya Arkhipov, Leonid Kogan, Natalia Koslova, 2020-02-03 The *Festschrift* containing 37 contributions celebrates the scholarly achievements of the two outstanding Assyriologists Walter Sommerfeld University of Marburg and Manfred Krebern timer University of Jena.
